GRAND OFFICERS' REPORTS

GRAND MASTER

To the Grand Lodge of the State of Illinois of the Independent Order of Odd Fellows:

Dear Brothers—Another year in the annals of Odd Fellowship has come and gone and one more Grand Master's report is before you. As executive head of this Grand Lodge, I submit to you, for your consideration, a compilation of my official acts.

I am pleased to be able to report to you that the spirit of Fraternity—that of peace and harmony—has generally predominated, and the great teachings of Friendship, Love and Truth have made us one and all better for having practiced them. In the dissemination and spreading of Charity and Benevolence we have exercised a great good, the benefits of which can scarcely be realized.

Loving, loyal service has been rendered me from the mass of members in this great jurisdiction, without which all of my efforts must have been futile. One year ago, when I assumed this agreeable but arduous task, I realized my limitations and asked the faithful support of every member in the State, and I am pleased to report to you that, with very few exceptions, I have had the hearty co-operation of the membership of all branches of the Order, and have consequently been very materially assisted in my work.

It is true that during the past year our Order suffered a loss of ninety-seven members. However, there is satisfaction in the knowledge that it was caused by the great financial depression, which was prevalent over all these United States and not from a lack of interest, for, if possible, work and interest in the Order have grown more keen and for the coming year, under the guidance and direction of my able and competent successor, I predict splendid progress in Odd Fellowship in the jurisdiction of Illinois.

I wish to make brief mention, before going into details of the year's work, of some of our beloved brethren who have left this world of transition and change during the last year, to pass into their great eternal reward.

NECROLOGY.

Grand Sire Robert T. Daniel.

Grand Sire of the Sovereign Grand Lodge died at his home in Griffin, Georgia, May 27th, 1915.

While addressing the Grand Lodge of Georgia, Brother Daniel received a stroke of apoplexy which caused his untimely and lamentable death.

The Order at large only knew Brother Daniel as the Grand Sire, which could not convey the true fraternal spirit that was ever the guiding star of this splendid man, who to those who had the pleasure of personal acquaintance, was generous without pretense, courteous without effort and fraternal without guile.

Our late Grand Sire was wonderfully popular, not alone in the realms of the Order, but in the community in which he lived and where he had been profoundly favored and honored. Upon his death the following proclamation was sent out to all the Lodges of this jurisdiction:

PROCLAMATION.

Death of Grand Sire Robert T. Daniel.

Harvey, Ill., June 3, 1915.

Dear Brothers:—It is with sadness that I inform you of the death of our beloved Brother, Robert T. Daniel, Grand Sire of the Sovereign Grand Lodge of the Independent Order of Odd Fellows, who died May 27th, 1915, having received a fatal stroke of apoplexy while addressing the Grand Lodge of Georgia.

This has taken from our great Order a wise, courageous, and helpful leader—one full of knowledge and love and whose life was filled with kindness for every Odd Fellow.

He was not only a friend of every Grand Lodge under the jurisdiction of the Sovereign Grand Lodge but the friend and helper of every Subordinate member, ever holding up to him high and noble ideals, urging him for the sake of the happiness and welfare of the human race to be controlled by the principles of Friendship, Love and Truth.

In recognition of this great loss to our Order and for the purpose of taking official notice of the death of our esteemed and beloved Brother, I would most respectfully request every Subordinate Lodge in this jurisdiction to drape its charter for a period of thirty days by way of showing our respect and love for our departed Grand Sire.

Fraternally yours,

WILLIAM H. PEASE, Grand Master.

Charles W. Keiser.

On May 13, 1915, Brother Charles W. Keiser passed to his reward, leaving behind him the memory of one whose examples of right living will ever spur those who remain to greater achievements.

The great gathering of the members of the Order who attended the funeral of Brother Keiser on Sunday, May 16, was a visible demonstration of the wonderful love by and the great respect in which he was held by the rank and file of the Order in Illinois. It was undoubtedly the largest funeral ever held for an Odd Fellow in Chicago, and demonstrated conclusively that the quiet and persistent work for humanity that characterized Brother Keiser's life was duly appreciated and those in attendance were there because of the great respect they felt in their hearts for this quiet and unassuming man.

Brother Keiser was a member of the Orphans' Home Board when he died and had gained a wonderfully strong place in the hearts of the children at Lincoln, and his presence there will be missed as in no other place except in his own home in Chicago.

George W. Young.

On Thursday evening, September 23, Brother George W. Young passed away at his home in Marion, Illinois. For years he had been a distinguished citizen of that city, having been prominent in the making of the history of Marion and Williamson Counties.

Judge Young was also another of the aged veterans who honorably wore the blue in faithful service, and was active in establishing several Grand Army Posts in Williamson County.

In July, 1869, Brother Young became an Odd Fellow and had been a continuous member of Williamson Lodge, No. 392, ever since. Had been a member of the Grand Lodge, holding various important positions for 42 years and his presence will be greatly missed in the Grand lodge sessions to come.

His sterling qualities won for him the love of the brethren wherever he was and his genial presence and wise counsel will be sadly missed. His funeral occurred on Sunday afternoon, September 26, and was attended by many Odd Fellows from every part of the state.

SALUTATORY.

Immediately after the close of the Grand Lodge Session, I sent out the following report to the Lodges, naming the standing committees for the year:

J. J. Crowder

Grand Master,
Peoria.

Harvey, Ill., December 5, 1914.

To the Subordinate and Rebekah Lodges of the State of Illinois,
I. O. O. F.:

Greeting—It is with a deep sense of responsibility that I endeavor to express to you my appreciation of the honor you have bestowed upon me in granting me the privilege of leading for one year this great Order of Odd Fellows and Rebekahs of the State of Illinois.

My greatest aim throughout the coming twelve months will be to prove to you that my one idea is the advancement and betterment of our Order. This interest has been paramount during my early and recent efforts to promote the precepts of Friendship, Love and Truth. I am not unmindful of the fact that the duties of a Grand Master in this jurisdiction of ours are beset with many difficulties, but I have learned to know during my years of work as a lay member that loyalty to our Grand Officers is a well-established rule among the Brothers and Sisters of our great Fraternity. And I also realize that my task would be a hopeless one if I could not have the hearty co-operation of the rank and file of the Order and my associate Grand Officers. I will therefore endeavor to discharge the duties of the office which you have intrusted to me in a way that will merit your earnest support and approval.

It is my intention to communicate with you frequently, by letter to be read at your Lodge meetings, but do not propose to burden you with lengthy messages. Short and to the point will be my motto so that they may be read at the proper time and not placed on file without reading, as often happens when communications are too long.

LODGE DEPUTY.

One of the most responsible positions in every Lodge is that of Lodge Deputy. The Brother or Sister holding this important position is the personal representative of the Grand Master. And much of the peace, harmony and prosperity of your Lodge will depend upon your Deputy. In making your recommendations let me caution you to select some one of judicial temperament, one in whom you have confidence and who will command the respect of your members. Your Deputy should also be perfectly familiar with the unwritten work and one who is a regular attendant at your meetings and will be ever ready to render to the Grand Master such assistance as he may require.

Every Lodge has, or should have, an Illinois I. O. O. F. Code, and one of the duties of the Deputy is to study the laws of our Order, so that he or she may be qualified to give satisfactory answers to the many questions that arise in our Lodge rooms. It is also the duty of the members to first submit all questions of dispute to their Deputy for an opinion. If you will kindly do this you will greatly relieve

your Grand Master from a vast amount of needless correspondence, and thus enable him to devote more of his time to the greater things of our Order.

You will find inclosed a blank certificate for your recommendation. Please fill out and return the same to Brother John H. Sikes, Grand Secretary, Springfield, Ill., and I will issue to you a commission.

CORRESPONDENCE.

In order that the Grand Master may be able to devote as much time as possible to the executive duties of our Order, which will be in the interest of the entire membership, the following suggestions are offered, and Lodge Secretaries, Deputies and others will carefully note the same and be governed accordingly:

All questions relating to the laws governing Subordinate and Rebekah Lodges, which are in the nature of "information" and this information cannot be given by the Deputy, should be addressed to the Grand Secretary, John H. Sikes, Springfield. This covers all subjects except final decisions, dispensations, etc., which can be given only by the Grand Master.

The Grand Secretary has an organized force fully equipped to take care of the bulk of correspondence of the Order, and, on account of his many years of experience and his willingness to do so, can render this added valuable service, and it is the intention of your Grand Master to take advantage of everything that will tend to promote the interest of Odd Fellowship in Illinois during the coming year.

All questions relating to the Orphans' Home should be addressed to Dr. J. A. Lucas, Superintendent, Lincoln.

All questions relating to our Old Folks' Home should be addressed direct to E. R. Sayler, Superintendent, Mattoon.

All questions arising in and pertaining to the business of Rebekah Lodges should be addressed direct to Mrs. Myrtle W. Tandy, President Rebekah Assembly, Jacksonville.

All questions relating to degree work, Official Examiners and Instructors, and Schools of Instruction should be addressed direct to H. M. Blood, Chief of Examiners and Instructors, 62 West Illinois street, Chicago, Ill.

If the membership will comply with the wishes of the Grand Master in these respects there will be no delays in answer to correspondence owing to congestion of business in one office.

OUR HOMES.

The first letter of the Grand Master to the Brothers and Sisters of Illinois would not be complete without a message pertaining to our

Homes. To my mind they are the great monuments of our Order, and if we did no more as a Fraternity than to maintain and, if possible, increase the facilities now existing in the care of our orphan children at Lincoln and our aged brothers and sisters at Mattoon, we would be doing something worthy of our efforts and a work that commends us to the world and draws to our Order the plaudits of a people not alone among our membership, but to all who are interested in our unfortunates.

Now, as we are approaching the holiday season let us unite in doing something by our generous gifts that will make it for those who are looking forward to this Christmas festivity, both young and old, one of lasting joy and happiness. Let us do our duty in making these Homes just what the name implies—not merely a place in which to exist, but a Home in every sense of the word.

I would therefore suggest that at some period of the year each and every Lodge in our jurisdiction, wherever possible, send a representative to visit them and bring back to their Lodge a report of their surroundings.

SCHOOLS OF INSTRUCTION.

It is my purpose to continue the policy of holding Schools of Instruction, which have been quite successful by my predecessors for the past few years, in various parts of the State this year. Announcements of dates and places of holding schools will be made later. This work will be under the supervision of the Chief of Examiners and Instructors, Brother H. M. Blood. The schools will be held, so far as possible, where they can be reached by the greatest number with the smallest inconvenience, and I would most earnestly urge every Lodge to have a large representation to at least one of these schools during the year, in order to get as much benefit as possible from this branch of the work.

Good degree work, charges committed and properly delivered, is the life of any Lodge. If our degrees can be conferred in an impressive manner we would solve largely the question of dropping for non-payment of dues.

As a separate feature of our instructive work for this coming year Grand Chaplain F. Lewis Starbuck will arrange to give a special lecture on Odd Fellowship, also Anniversary and Memorial addresses. Brother Starbuck is a strong and able orator and thoroughly conversant with this line of work. Arrangements for his services can be made by corresponding direct with him at McLean, Ill., or with the Grand Master.

COUNTY ORGANIZATION.

During the recent Grand Lodge session I caused to be distributed among the Representatives present a blank form, calling for information relative to county organization, for the purpose of organizing every county in the State not already so organized. It is the earnest wish of your Grand Master that this may be accomplished during his term, for in union there is strength and the strong may help the weak. It will, I believe, enable us to do better work and get better acquainted by holding schools, anniversary celebrations, picnics, etc., and thus promote a close fraternal interest in everything that concerns Odd Fellowship.

BRANCHES OF OUR ORDER.

We have in Odd Fellowship what is known as four branches of our Order—*i. e.*, Patriarchal, Encampment, Subordinate and Rebekah—all working for the same end and bound together by the same ties, each having for its sole purpose the betterment of humanity. Knowing the valuable assistance each can be to the other, it is my earnest hope that we may during the year 1915 be more closely united by that ever loving bond of Fraternity and be found working harmoniously together.

FRATERNAL PRESS.

In closing, I desire to call your attention to our Fraternal papers, the Odd Fellows' Herald, published at Springfield, and the Chicago Odd Fellow, published at Chicago, both of which papers are devoted to the interest of Odd Fellowship and most ably edited. Both deserve the support of our members. Articles of interest, as they may develop from time to time through the Grand Master's office, will appear in these papers. No small amount of money could be spent with so much in return as a subscription to one or both of these papers.

CONCLUSION.

Imploring of the Divine Ruler of the Universe strength and power to carry out this great work in a way that will merit your approval and secure for me your able and valued assistance in making this year just a little bit better, if possible, than the preceding ones, I again thank you.

Most sincerely and fraternally yours,

WILLIAM H. PEASE,
Grand Master.

To the Officers and Members of Subordinate Lodges, I. O. O. F., of Illinois:

I. O. O. F. SCHOOLS OF INSTRUCTION.

Harvey, Ill., January 21, 1915.

To the Officers and Members of Subordinate Lodges, I. O. O. F., of Illinois:

Dear Brothers—Acting with the Chief of Examiners and Instructors, Brother H. M. Blood, 62 West Illinois street, Chicago, we have arranged to hold a number of Schools of Instruction throughout the jurisdiction of Illinois.

These Schools of Instruction, as held in past years, have proven very beneficial and have created much enthusiasm, especially in the ritualistic work. Too much stress cannot be placed upon the manner in which the various degrees are given—good degree work is the life of a Subordinate Lodge. Brother Blood has no peer as an instructor, and his dramatic interpretation of the work has been received with universal favor. He throws his whole soul into this work, and earnestly urge the membership throughout the jurisdiction to attend as many of these Schools as possible, knowing they will individually be benefited and that Odd Fellowship will be advanced by so doing.

Special sessions of the Grand Lodge for the purpose of conferring the Grand Lodge Degree will not be held at these meetings unless specially requested. The only request thus far received for a special session of the Grand Lodge is the one received from Freeport, and this special session will be held on Thursday, February 4, at 4:30 p. m.

Doubtless other Schools of Instruction will be held, but I am able to announce the following at this time, viz.:

Location of Schools.

Kewanee, Henry County—Thursday, January 28, day and night.

Freeport, Stephenson County—Wednesday and Thursday, February 3 and 4, day and night.

Centralia, Marion County—Monday, February 15, day and night.
Springfield, Sangamon County—Monday and Tuesday, February 22 and 23, day and night.
LaSalle, LaSalle County—Friday, March 5, day and night.
Chicago, Cook County—Monday to Thursday, March 9, 10 and 11, day and night.
Aurora, Kane County—Tuesday, March 16, day and night.

Monticello, Piatt County—Tuesday, March 30, day and night.
Havana, Mason County—Monday, April 5, day and night.

I earnestly urge Subordinate Lodges throughout the jurisdiction to use every energy possible to make these Schools of Instruction interesting and profitable to the Order.

P. S.—In addition to the above special sessions, Schools of Instruction will be held afternoons and evenings at the same time and place.

OFFICIAL VISITATIONS.

In addition to the twenty-eight Schools of Instruction which I have attended and my visits to the Homes, I have made a great many official visits, delivered addresses to anniversaries, memorials, picnics, dedications, etc., devoting practically my entire time this year to the Order and believe I am safe in saying I have traveled nearly ten thousand miles, and perhaps more, feeling it my duty to answer every call and go whenever possible to leave my office. With but few exceptions I have responded wherever I thought my presence was necessary—whether it was at the bedside of some sick Brother or visiting some Lodge for the purpose of bringing to a settlement some Lodge trouble—and there are many appeals of this kind which come to a Grand Master.

SUMMARY OF SCHOOLS.

For the year of 1915 it has been my ambition to hold as many Schools of Instruction as possible, in order that the teachings under this system should be given the widest publicity among the members of our Order, and, after consulting with my associate elective Grand Officers, and Chief of Examiners and Instructors, Brother H. M. Blood, the places as per letters herewith printed were selected, keeping in view two important factors—first, to reach a territory where recent Schools had not been held, and second, to select a place for the meeting which would accommodate the largest number of Lodges in the District, and accessible by railroad and street car.

Special sessions of the Grand Lodge for the purpose of conferring the Grand Lodge and Past Grand Degrees were held on several occasions in connection with the School work and they had a tendency to

increase the interest and attendance. I desire to call attention to the fact that this year this branch of our work was extended over a fall period and held up to and including October 27th. In this respect we differed from the usual custom and I believe this experiment will bring splendid results, as they come at a time when the officers in our Subordinate Lodges are changing and they create enthusiasm for the winter work. While the present Grand Master will get no credit in the reports for his efforts in these fall schools, yet I believe it is for the good of the Order and should be continued. All of these schools have been well attended and much interest shown in the work.

A great amount of credit is due Brother H. M. Blood for his untiring efforts in teaching the Ritualistic interpretations. With but three exceptions I have attended all of the Schools held this year and desire to thank the members of our great Order for the assistance they have given in carrying out the work, and, while we have not made the usual growth accredited to Illinois, owing to the financial depression during the past year, I feel the Order is in a good condition and not going backward.

Following is a complete list of places and dates were Schools and Special Sessions were held and the total number of Lodges represented:

CONSTITUTION AND BY-LAWS.

Harvey, Ill., February 11, 1915.

To the Subordinate Lodges, I. O. O. F., of Illinois:

Dear Brothers—Many questions of law come to my office, for the reason that Subordinate Lodges throughout the jurisdiction have not kept up with legislation enacted by the Grand Lodge. Some are using Constitutions which are from five to ten years out of date. It is my earnest desire that your Lodge note this matter and ascertain the date of the last Constitution under which your Lodge is working. Much legislation is adopted annually, and if your Constitutions are more than two years old, you should by all means have a revision.

As an example of the new legislation which is passed annually, I call your attention to amendments made to the Subordinate Constitution during the years 1912, 1913 and 1914:

1912.

At the session of the Grand Lodge in November, 1912, Section 5, Article III, of the Subordinate Constitution, being the petition for membership, was amended.

Section 10, Article III, providing for salaries and prohibiting Lodges from exempting any of their officers from the payment of dues and assessments, was passed. Many Lodges are still exempting their Secretaries and Treasurers from paying dues, which is absolutely illegal.

Section 10, Article X, abolishing the payment of funeral expenses and providing for the payment of a funeral benefit of not less than \$50.00 upon the death of a beneficiary, was adopted. Many Lodges are still paying the funeral expenses, notwithstanding the fact that the law was abolished three years ago.

Section 11A of Article X, setting forth the duties of a Lodge upon the death of a delinquent member, was adopted.

1913.

At the session of the Grand Lodge in 1913, Section 3, Article V, providing that nominations for elective officers shall be made on the night of election only, was passed. Many Lodges are still following the old law.

Section 9, Article X, relating to weekly benefits was amended.

1914.

At this session Section 5, Article II, being the petition for membership, was again amended by inserting the words, "I will be bound by the decisions of the Grand Lodge of the State of Illinois and the Sovereign Grand Lodge of the Independent Order of Odd Fellows." Please examine your Constitution and see if it conforms to this amendment.

Section 2, Article VIII, providing a new law for the reinstatement of members who have been dropped for non-payment of dues for a longer period than one year, was adopted. This new law provides that the application shall be treated like a proposition for membership by initiation, etc. Does your Constitution contain this new provision?

At the last session the fifth order of business was amended by inserting the following: "Does any Brother know of any Brother who is out of employment?"

TRANSFER LAW.

The transfer law is very generally misunderstood and causes much confusion. The new transfer law is now printed in the Subordinate Constitution and provides for the payment of a fee of 25 cents by the

applicant. These transfer certificates are also sold by the Grand Secretary at 25 cents each since this new law was amended.

CONCLUSION.

I have called your attention to the amendments which have been made to the Subordinate Constitution during the past three years. It is impossible to avoid complications and illegal transactions of business unless your Constitutions are kept in date and the membership is advised of all changes made in the law.

I earnestly urge your Lodge to take action, if your Constitutions are out of date, and secure new ones, together with revisions of your By-Laws if deemed necessary, and supply this office with a copy at your earliest convenience. Fraternally yours,

WILLIAM H. PEASE,
Grand Master.

GRAND OFFICERS' VISIT TO COOK COUNTY.

The annual visit of the Grand Officers to Cook County, under the auspices of the Deputies' Association of I. O. O. F. of this county, occurred during the week of April 12-16. It is the custom of the Grand Officers to spend one week in Cook County each year in a general official visitation. The Grand Officers present at most of the meetings were the Grand Master, Deputy Grand Master, Grand Warden, Grand Secretary, Grand Treasurer and the Chief of Examiners and Instructors. I have not the time to give all the details of this week's work, but will give the places where the meetings were held.

Monday evening—I Will Lodge, west side.

Tuesday evening—Bohemian Lodge, west side.

Wednesday evening—Oriental Consistory, north side.

Thursday evening—Union Lodge Hall, Clark and Washington streets.

Friday evening—First Swedish Lodge, north side.

All of these meetings were well attended, but I desire to make special mention of the meetings of Wednesday and Thursday nights. A new feature was introduced this year in the conferring of a degree upon a large class of candidates by a select Staff. On Wednesday night Oriental Consistory was packed to the doors to witness the conferring of the First Degree on 147 candidates by the Staff of Golden Harmony Lodge. This was very interesting work and created a large amount of enthusiasm. The work was splendidly done and Brother Hunt and members of the Staff are to be complimented.

The meeting Thursday evening was a special Grand Lodge session, after which was a meeting of the Cook County Deputies with the Grand

Officers, and all present were invited to remain. There were 96 Past Grands present for the degree.

The meetings of Thursday and Friday nights were open meetings.

1819—ANNIVERSARY PROCLAMATION—1915.

Harvey, Ill., March 11, 1915.

To the Subordinate Lodges of Illinois, I. O. O. F.—Greeting:

Dear Brothers—Our Order was established in the year 1819 in the city of Baltimore, and on the 26th day of April, 1915, we will celebrate our ninety-sixth anniversary.

The Grand Sire of the Sovereign Grand Lodge of the Independent Order of Odd Fellows, Robert T. Daniel, has issued a proclamation, dated February 24, 1915, enjoining upon all Grand and Subordinate Bodies of the Order to take appropriate action for the due commemoration of the ninety-sixth anniversary of our Order on the 26th day of April, 1915, by suitable exercises in observance of the day and by public thanksgiving to Almighty God for His manifold mercies to us as individuals and as an Order.

Now, therefore, I, William H. Pease, Grand Master of the Independent Order of Odd Fellows of the State of Illinois, by virtue of the authority and power in me vested, do request and direct that all Subordinate Lodges within this jurisdiction observe this anniversary by suitable and appropriate exercises on the 26th day of April, or on some other date convenient for your membership. In commemorating this day, let us give thanks to the great Author of the Universe for the blessings which we have received. On this day let us consecrate ourselves anew to the great work which we have undertaken in behalf of humanity.

I hereby grant to all Subordinate Lodges which observe this anniversary in accordance with this proclamation a dispensation to wear the regalia of the Order upon this occasion.

Done at Harvey, Ill., this 11th day of March, A. D. 1915.

Attest:

WILLIAM H. PEASE,

JNO. H. SIKES,

Grand Master.

Grand Secretary.

The ceremony to be observed at the celebration of the anniversary of the Order, as adopted by the Sovereign Grand Lodge, can be obtained from Grand Secretary John H. Sikes, Springfield, Illinois, at 25 cents per copy.

MEMORIAL DAY PROCLAMATION.

To the Subordinate Lodges, I. O. O. F. of Illinois:

Dear Brothers—According to the requirements of a standing resolution of the Sovereign Grand Lodge and the proclamation of Grand Sire Robt. T. Daniel, I do hereby name the second Tuesday of June next, being the 8th day of June, 1915, as Memorial Day and request all Subordinate Lodges that have suffered loss in membership by death to assemble on that day or upon any more convenient day thereto and engage in appropriate services in memory of their deceased members. A general dispensation to wear the regalia of the Order at such memorial services is hereby granted to all Subordinate Lodges within this jurisdiction.

Done at the City of Harvey this 4th day of May, 1915, and in the year of our Order, the ninety-seventh.

Attest:

JNO. H. SIKES,
 Grand Secretary.

WILLIAM H. PEASE,
 Grand Master.

The ceremony for Memorial Day and for decorating the graves of deceased members (two in one book) may be obtained from Grand Secretary Jno. H. Sikes, Springfield, Ill., at 25 cents per copy.

NEW SUBORDINATE LODGES.

Owing to the financial conditions of the country during the past year there have not been as many new Subordinate Lodges as I would like to have seen instituted. The Grand Secretary and myself have proceeded cautiously in authorizing new Lodges and have had to refuse to grant dispensations in some instances where we thought the membership could not attain to such a growth as would make a prosperous Lodge or in cases where instituting a new Lodge would draw so many members from neighboring Lodges as to do them harm.

The following is a list of names and numbers of said new Lodges, with the locations, dates of institution, and the instituting officers:

| No. | Name | Location | County | Date | Deputy |
|------|------------------|----------------|---------------|----------------|----------------|
| 295 | River Grove.... | River Grove... | Cook..... | Dec. 12, 1914 | W. H. Pease |

I would recommend that charters be granted to each of these Lodges, both Subordinate and Rebekah, by this Grand Lodge.

SUBORDINATE LODGES CLOSED.

I am pleased to state that during the year I have found it necessary to close but one Subordinate Lodge and that was DePue Lodge No. 669, located at DePue, Bureau County, Ill. I received information that Rituals belonging to this Lodge were in a desk, not locked, in a lodge room occupied by another order, and that DePue Lodge was holding no meetings. On August 3 I went to DePue and found conditions as stated. No meeting had been held since April, 1911, and no report made. I immediately closed the Lodge by taking the charter, books, Rituals, papers, etc., which I shipped to the Grand Secretary. Also paraphernalia, which I shipped to Bureau Lodge No. 806, at Bureau, Ill., and sold to them for \$100.00, which included a few old chairs and two old stoves, still in the hall. I also obtained from Brother Gunther, the last Treasurer, \$31.45, making a total of cash received in the transaction \$131.45, less \$15.00 returned to Bureau Lodge on account of their not being able to get the stoves, which were held by the landlord, leaving a net amount of \$116.45 turned over to the Grand Secretary.

Golden Gate Lodge, No. 951, I. O. O. F., located at Golden Gate in Wayne County, has been in a dormant condition for some time. No Deputy was appointed to close the same, but by action of the Lodge the Secretary, Bro. L. D. Leach, was instructed to send in the Rituals, etc., and remit the amount of cash on hand. On October 20, 1915, a box containing the effects of the Lodge was received by the Grand Secretary, together with draft for \$100.99. Under the circumstances this Lodge should be considered closed.

REBEKAH LODGES CLOSED.

The following Rebekah Lodges were closed during the year:

Pontoosuc Rebekah Lodge, No. 506, of Pontoosuc, Ill., in Hancock County; closed August 9, 1915, by Flora Little, Deputy. I received from Brother Darnall the charter, seal, Ritual, and records, etc., by express. Also money order for \$5.00, which I sent to Grand Secretary Brother Sikes.

Roxana Rebekah Lodge, No. 473, at Herscher, in Kankakee County. This Lodge was closed July 19th, by vote of the Lodge. The charter, Ritual, seal, and records were shipped via I. C. Express to Brother John H. Sikes. Cash remitted amounted to \$7.43.

State Center Rebekah Lodge, No. 527, of Illiopolis, Sangamon County. This Lodge was closed by vote of the Lodge on August 5, 1915. The charter, Rituals, seal and records were shipped, together with cash amounting to \$5.80, by the Lodge to John H. Sikes, Grand Secretary.

CONSOLIDATIONS.

Subordinate.

Guiding Star No. 319 and John Wilson No. 760, both located in Chicago, Cook County. These Lodges were consolidated on July 14th, 1915, by Grand Master Wm. H. Pease, the new Lodge taking the name and number of McKinley Park Lodge No. 319.

EXPULSED MEMBERS REINSTATED.

Having been satisfied, according to law, I have granted permission for the reinstatement of the following Brothers:

| No. | Name of Lodge. | Location | Applicant's Name. | Date. |
|-----|-------------------|-----------------|---------------------|---------|
| 452 | Relief | Cobden..... | M. M. Renfro..... | 10-2-15 |
| 703 | Carterville | Carterville.... | Frantz Reidel | 11-1-15 |
| 889 | Primas | Glen Carbon .. | Anton Stieber..... | 11-1-15 |

DISPENSATIONS.

I have granted quite a few dispensations during the past year, most all of which have been for social affairs, such as dances, parties, etc. In but few instances have I been compelled to refuse the request of any Lodge. I have had reason to be gratified by the way most Lodges have complied with the laws, which are rather stringent regarding dispensations, and find where the rules were not observed, it was generally caused by lack of knowledge of such rules.

OTHER GRAND LODGES.

There has been some correspondence between several of the Grand Masters of other jurisdictions and myself on matters of a fraternal

nature in the interest of members of the Order. This exchange of letters has been very pleasant on my part for I have always received prompt and courteous replies to any questions I have asked and have enjoyed such friendly relations as have been established.

There has been nothing of such importance between this jurisdiction and any other as to warrant setting it forth here.

INVITATIONS FROM OTHER JURISDICTIONS.

On April 15th I received an invitation from the Grand Master of Kentucky to represent the Odd Fellows of Illinois at an anniversary meeting, to be held in Lexington, on April 26th, and to be addressed by the Grand Sire, Robert T. Daniel. I accepted the invitation and had the pleasure of listening to one of the finest addresses on Odd Fellowship I ever heard. Brother Daniel was an orator of unusual ability and handled his subject in a masterly manner.

I also received invitations from the jurisdictions of Indiana and Michigan, to attend their Grand Lodge sessions, but owing to dates of schools and work in our own jurisdiction which required my attention, I could not accept.

STATE FAIR HEADQUARTERS.

Following the custom established by my predecessors, I again established headquarters on the State Fair Grounds during the State Fair this year, with Brother A. H. Gardener in charge.

While I believe the location was an improvement over former years, I do not believe the benefits derived are sufficient to warrant the expense, which is forty dollars per year.

SPECIAL DEPUTIES.

I have had occasion to appoint but few special deputies, having avoided the same wherever possible. In addition to those appointed for dedications, etc., I have found it necessary to appoint but two—Brother A. L. Yantis, in the matter between Fidelity Lodge, No. 576, of Windsor, Ill., and F. M. Leeds. This was a question over benefits: Brother W. A. Hubbard, Past Grand Master, I appointed special deputy in the case of Brother John S. Hankins and wife, of Greenfield Lodge, No. 195.

Both of these Brothers gave me much valuable information, which I fully appreciate.

THE PRESS.

The Order has received splendid service through our two excellent papers, the "Odd Fellows' Herald" and the "Chicago Odd Fellow," and I only wish they could be more generally subscribed for than they are. They have been most generous in reporting gatherings, such as

schools, sessions, and social functions of the Order, and have been untiring in their efforts to promote the teachings of Friendship, Love and Truth. Certainly these papers have been a source of pleasure to the members throughout the State.

THE REBEKAH BRANCH OF THE ORDER.

I have found a most faithful and untiring assistant in the work pertaining to the Rebekahs, through Mrs. Myrtle W. Tandy, President of the Rebekah Assembly. I have had occasion to turn several cases over to her and have always found her ever-ready and willing to do all she could and the duties she discharged were always done in a most efficient manner. Through her untiring efforts the Rebekah branch of our Order has been in a most active and prosperous condition and I regret that I cannot sufficiently express to her my deep appreciation of her willing assistance and ready co-operation in all things wherein she has been needed during the past year.

THE GRAND SECRETARY.

The aid rendered me during the past year by our most efficient and capable Grand Secretary, Brother John H. Sikes, can not be estimated, nor can I begin to thank him fittingly in these few words. He has always been willing to assist me whenever his services were required and his familiarity with the laws of the Order and his years of experience have made his services invaluable to myself and to the Order in this jurisdiction.

DEDICATIONS AND LAYING OF CORNER STONES.

There have been a number of dedications and laying of corner stones. I have not been able to attend all of them, but have endeavored in most cases to assign someone who would carry out the principles of our Order in this line of our work.

I was at Mason City December 19th, and at West Liberty January 21st, for dedications, and at Lincoln for corner-stone laying on September 9th. Many Lodges are interested and taking a great deal of pride in owning their own Homes.

ODD FELLOWS' OAKRIDGE MEMORIAL ASSOCIATION.

One of the most beautiful monuments ever erected to the memory of Odd Fellowship was unveiled by this association in Oakridge Cemetery on Sunday afternoon, June 27th, in the presence of an audience of about two thousand people, mostly Odd Fellows and Rebekahs. The monument cost about \$3,100.00 and must be seen to be appreciated. It is not simply a monument to the Odd Fellows of Chicago, but to the Order in general.

The Odd Fellows' Oakridge Memorial Association is comprised of but a few Chicago Lodges, mostly, if not all, from the West Side, and the erection of this monument has been a great financial undertaking for them and they have an indebtedness of about \$1,500.00 yet unpaid. It would not seem to me out of place if our Grand Body should give some assistance to this fund.

On Sunday evening, August 15th, in the People's Institute, Chicago, this association held memorial services for our members who lost their lives in the Eastland Boat Disaster. Grand Treasurer M. P. Berry delivered the principal address.

FRATERNAL HOMES ASSOCIATION.

On Monday, September 6th, at the Old Folks' Home at Mattoon, was held the fifth annual meeting of the Fraternal Homes Association. There were representatives from the Masons, Knights of Pythias, Odd Fellows, Eastern Star, Pythian Sisters, and Rebekahs present.

A splendid program had been furnished by Brother J. W. Birney, Secretary, and Brother Owen Scott supervised the Round Table talks. The discussions on management of the Homes, by the different Orders, were very interesting and instructive. In the absence of the President, Brother Thomas Williamson, who was unable to be present, it fell to my lot, as Vice President of the association, to preside at this meeting.

A musical program was furnished by Mrs. J. W. Birney and readings were given by Miss Boyer, daughter of Charles E. Boyer, member of the Home Board.

The officers chosen for next year were:

| | |
|---------------------------------------|----------------|
| Mrs. Turbin, Macon, Ill..... | President |
| John J. Crowder, Peoria, Ill..... | Vice President |
| John W. Birney, Bloomington, Ill..... | Secretary |

The next meeting is to be held in Macon, Ill.

ORPHANS' HOME PICNIC.

The McLean County Association gave the children a picnic, as usual, at Miller Park, on June 17th. The picnic was well attended, but in order to incite greater enthusiasm, the Association thought it advisable to visit the Home next year on the third Thursday in June. A baseball game was played in the forenoon between the Lincoln Orphans' Home boys and the Soldiers' Orphans' Home boys, the former defeated with a score of 20 to 3. In the afternoon a "picked" nine from the McLean County Odd Fellows played our boys and were defeated with a score of 8 to 4.

Besides the baseball games there were many other attractions and all reported the usual good time.

MOVING PICTURES OF OUR HOMES.

One June 28th Brother Sikes and myself entered into a contract with Mr. H. N. Brice, representing the Faultless Feature Film Company, of Cincinnati, Ohio, to make moving pictures of our two Homes and of the Grand Secretary's office. This agreement does not carry with it any expense to the Grand Lodge for the films, but we do agree to send circulars to the Lodges and give publicity to the pictures.

During the first week in August Mr. Brice visited our Homes and took the pictures and on Saturday, September 4th, they were shown in Lincoln for the first time.

This, I believe, is a splendid method to advertise our Order and will give a great many of our members an opportunity to learn something of our Homes, who otherwise would learn nothing about them, not being able to make a personal visit.

Every Lodge in the State should see the pictures and where there is a moving picture theatre in the town, arrange with them to get the reel. It costs six dollars per day and can be booked through the Grand Secretary's office.

WEAK LODGES.

This is a matter that has given me much concern and to which I have endeavored to give some relief. Among our thousand Lodges, we have a great many that are simply struggling for existence and seldom ever get any assistance from the Grand Lodge Officers. If these Lodges could have an occasional visitation from a Grand Lodge Officer or someone capable and willing to assist them in their work and put them on their feet, it would add many new members to our Order and help to retain our old ones.

The vast amount of labor and correspondence to take care of in his office does not give the Grand Master time to do this. With the growing demands made upon him he should not be required to leave his office unless it be for dedications, anniversaries, memorials, laying of corner stones and similar works. I believe this Order should have a competent field man to devote his entire time, for one or two years, in the building up of these weak Lodges and instituting new ones—always working under the direction of the Grand Master.

COUNTY ORGANIZATIONS.

In my first official letter to the Lodges of this jurisdiction I made brief mention of county organizations, in which I stated my belief that with the Lodges of each county organized as one body, much good could be accomplished by bringing the membership closer together and becoming better acquainted and each year holding jointly their anni-

versary and memorial exercises and picnics would enable the stronger Lodges to get in closer touch with the weaker ones and render to them assistance when necessary. I am pleased to report that while some of our counties were organized before this year, many of the counties accepted the suggestion and for the first time met jointly this year. I hope this may continue until every county in the State has a good working organization, for it will prove of invaluable assistance to the Grand Master in his work.

A FINAL APPEAL.

Harvey, Ill., Sept. 1, 1915.

To the Subordinate Members of Our Order of Illinois:

Dear Brothers:—This is the last month of your Lodge work before making your reports and installing into office your new officers. It is my most earnest desire that you make this month of September the banner month of the year. Many Lodges have reported a splendid gain during August and if we will but work with a determination it will be possible to add many new members to our rolls during the last days of this term.

In our annual reports for the year ending March 31, 1915, our membership in Illinois shows a net loss of ninety-seven, caused by dropping nearly seven thousand Brothers during the year, a large percentage of whom were dropped for non-payment of dues. I do not believe there is an Odd Fellow in this jurisdiction that desires to see our Order in the great State of Illinois take a backward step.

I would therefore in this, perhaps my last appeal to you, most earnestly request a united effort in every Lodge, through the co-operation of officers and members in preventing this fearful shrinkage from our ranks.

I desire to recommend in Lodges where this danger does exist, the appointing of a special committee by the Noble Grand, to work with and assist the Financial Secretary in an effort to save every Brother who is in arrears from being dropped from our rolls, and thus retain many of our worthy Brothers who perhaps through carelessness and other causes have unintentionally permitted themselves to become in arrears.

Inclosed with this letter you will find a poster advertising schools of instruction to be held during September and October, which is self-explanatory. To this list will be added Rockford, Wheaton and possibly

Lawrenceville and White Hall. As many Brothers as possible should avail themselves of this opportunity and attend some of these meetings.

Fraternally yours,

WILLIAM H. PEASE,
Grand Master.

Attest:

JNO. H. SIKES,
Grand Secretary.

OUR HOMES.

It has been my pleasure to visit both of our Homes several times this year, meeting with the official boards at their regular meetings and participating in discussions that were under consideration for the betterment of conditions and for the welfare of those who are enjoying the privileges extended to them by our Order. At all times have these meetings been most harmonious and they have been instructive to me in my work, and I desire to commend the members of each board for the able and efficient manner in which they conduct the business at the meetings.

As our Order grows older and larger the problems become more serious and the expense involved is greater. Some suggestions I desire to make will be treated under the heading of each Home.

Orphans' Home.

My first meeting with this board was on January 4th, at Bloomington, where we met at the home of Brother J. W. Birney. This meeting was held here for the purpose of making a visit to the State farm at Normal, so as to secure up-to-date ideas to be used in building the addition and remodeling our dairy barn. We were extended every courtesy by the management and given some valuable suggestions which were used to an advantage, as our new barn will show.

One June 2d I again met with the directors and introduced to them Brother J. Parker Smith, a member of Lodge No. 240, whom I had appointed to fill the vacancy caused by the death of Brother Charles W. Keiser, who was also a member of Lodge No. 240.

This was the day of the annual graduating exercises of the school and I shall never forget the honor and pleasure accorded me in having the distinction of delivering an address to the nine graduates and presenting each of them in behalf of the members of our Order, with a ten dollar gold piece.

I was again present on August 2d, August 24th, and September 9th. The farm, buildings, stock, etc., are all in good condition. Improvements made this year in heating system and buildings were greatly

needed and will add to the efficiency of this Home. Brother and Sister Lucas are, as ever, faithful to the trust reposed in them, which, I am certain you will all agree with me, is greatly appreciated by all branches of our Order.

Our demands on this Home are becoming greater and likewise more expensive each year and I believe we should install a store-house system, also a system that will enable us to ascertain whether or not it is costing us more to produce our products than it would to go into the market and purchase them.

Another subject that has been brought to my attention this year through several letters I have received is requests for children from our Home. I believe our laws should permit, where good homes can be secured, the placing of children in private homes.

Old Folks' Home.

My first visit as Grand Master to this Home was on April 9th, when I met with the Advisory Board at this, their semi-annual meeting. There were a number of interesting subjects before the meeting and among those of note were the completion and furnishing of the hospital and roof for the chapel.

Sister Tandy, President of the Assembly, was present at this meeting, and she, with the Advisory Board, promised to raise the money and pay for the new chapel roof. This has been done and it is now in good condition.

I also visited this Home on August 5th, August 17th, and October 23rd. August 17th was the date of the Coles County and Cumberland County picnic, held in the beautiful grove on the Home grounds.

The farm stock and buildings are in fine condition. Brother and Sister Sayler, as Superintendent and Matron, seem to be the right people in the right place and one needs but to visit the Home to be convinced of the valuable service they are rendering the Order.

I believe a system here such as I suggested for the Orphans' Home should be adopted, for we are required here also, to spend a great amount of money each year.

There is a class of our members which we, as an Order, have made no provision to care for, and these are old Brothers and Sisters who, by the infirmities of old age, sickness or accidents, become known as "hospital patients" (please read report on special relief). Under the present rules, if in that condition when application is made, they cannot be accepted into the Home. They, to my mind, are the ones who should first receive attention and care—in many cases absolutely helpless, without money and without friends—and yet we close our doors to them and leave but one alternative and that is the county poor house. This is a blot upon the principles and teachings of our great fraternity and should be immediately rectified. It is not the fault of

the Board of Trustees, but the fault of the rules governing this Home, made and adopted by this Grand Body. I would suggest these rules be changed and this class of our members be cared for in this Home, or provision made to care for them in some other way.

DROPPING FOR NON-PAYMENT OF DUES.

No more perplexing problem comes to a Grand Master than that of so many of our members being dropped from the Order for non-payment of dues and nearly every Grand Master in his report endeavors to suggest some remedy to stop this fearful shrinkage in our membership, until it seems as though the suggestions had been nearly exhausted. For the year ending March 31, 1915, the total deductions from our rolls in Illinois were nearly seven thousand and it is safe to say that about seventy per cent of that number were for non-payment of dues. Our present law requires the Secretary to notify each member at least twenty days before he can be dropped after becoming one full year in arrears.

The great danger point is when a Brother is permitted to become thirteen weeks in arrears and thus non-beneficiary, and then a penalty by most Lodges of thirteen weeks more after payment is made before he can again be in good standing. After the Brother has reached this stage he gets careless and loses interest. Our membership comes largely from the middle or working class of people and it is much easier for the most of us to pay a quarter's dues than it is one year's dues at a time, so that if we find ourselves more than thirteen weeks in arrears we put off the payment until it becomes harder to meet. Here again our law states that it is the duty of the Financial Secretary, prior to the last meetings in March, June, September, and December, respectively, to notify all members who are in arrears for one quarter's dues. This is where we have permitted the Brother to cross the danger line and become non-beneficiary before he is aware of it. I would suggest a change in this law requiring it to be the duty of the Financial Secretary to notify every brother twenty days before he becomes thirteen weeks in arrears, which I believe will save a great many of our Brothers from dropping out of the Order.

REVISION OF THE CODE.

I desire to most earnestly recommend a revision of our Code. There have been many changes in our laws, both in the Sovereign, and in our Grand Lodge, during the past ten years, for the efficiency of our jurisdiction. These new laws will more readily enable each Subordinate Lodge to obtain a proper conception of our laws, rulings, etc., which should be made plain and to the point, and thus easily

understood; they will, I am sure, eliminate a vast amount of correspondence between Lodges and the Grand Master's office. Therefore, our Code should be revised and made up-to-date.

The Sovereign Grand Lodge at the recent session adopted a new Digest of laws.

SURETY BONDS.

I would suggest that there be adopted by the Grand Lodge a uniform system of bonding of all financial officers, Subordinate as well as Grand Lodge Officers, under a schedule system of suretyship and with some reliable corporate surety company.

SPECIAL RELIEF.

I have found it necessary this year to extend special relief to four cases, two of which were receiving assistance last year from Past Grand Master Warren G. Darnall, and I believe both were worthy of our help. One was the case of Brother James Ozee, a member of Round Hill Lodge, No. 494, located at Saline Mines. According to an agreement entered into by Brother Darnall with Lodges in Gallatin and adjoining counties (see 1914 report), there was still due Brother Ozee \$17.50, and after satisfying myself that this was correct, I requested a warrant be drawn and sent to him for the above amount on May 14th. This is all that has been paid to Brother Ozee through this office this year.

The other was the case of Brother W. I. Ross, a member of Rose Hill Lodge, No. 744. In this case I have extended the same relief as was given Brother Ross last year, i.e., ten dollars per month, after first securing from the Lodges in Jasper County a donation amounting to \$63.00, which was turned over by the Lodges direct to the family for immediate use. There is no improvement in the affliction of Brother Ross. He has a wife and two children and through this assistance he has been able to keep his family together. I have received several letters from him this year, written by one of his little girls, the last of which I attach to this report of his case, for the purpose of getting the same before the Grand Lodge for action.

W. I. Ross.

Rose Hill, Ill., Oct. 26, 1915.

Mr. Wm. H. Pease, Harvey, Ill.:

Dear Grand Master:—Received the special relief for October, this a. m., and thank you very much for your promptness of sending same to me throughout your term as Grand Master.

My family and I could not have tided over without this assistance, and may heaven bless you for your interest in my welfare.

My paralysis is no better, and I have now been half paralyzed for thirty-four months. The doctors say I will never recover the use of paralyzed side, but may live for many years in my present condition. My general health, outside of my paralysis, is good and slowly improving.

I have no other source of help outside of my Lodge, which is financially wrecked, and the special relief as contributed by the Grand Lodge during the past two years. It seems as if I must always be dependent upon the Grand Lodge for special relief unless other provision for my maintenance is made.

If my wife and I had \$500 or \$600 with which we could start a small grocery, we could make our own way, and, in the end it would be better for the Grand Lodge and ourselves. Perhaps we could borrow that amount of the Grand Lodge to be devoted for that purpose, and we could repay the same as we accumulated; or, an appeal for aid to 150 or 200 Lodges would bring that amount to me.

I am enclosing a letter from Bro. Sam J. Baker, of Olney, an old friend and Brother of mine, who is familiar with my needs and my helpless condition, and any consideration you may take of his suggestions will be greatly appreciated.

I do not know the incoming Grand Master, and hence, can not write to him. I am leaving my case entirely in your hands, as you are cognizant of my needs and conditions. Any favors you can send my way will be greatly appreciated by an afflicted Brother.

Again thanking you and ever extending best wishes.

Sincerely and fraternally,

W. I. ROSS,
Crip.

Brother Coffey.

At a meeting of the Trustees of the Old Folks' Home at Mattoon, on September 6th, when I was present, the case of Brother Coffey, a member of Pride of the Valley Lodge, No. 435, who was then in the Home, and had been for about six weeks, was before the Board on the advice of the house doctor that the Brother had tuberculosis and must be taken from the Home. A committee from his Lodge was present and reported the Brother had not lived in their jurisdiction for a number of years, but that they had paid him benefits for a long time and did not feel able to do more than to pay the benefits he was entitled to. The Brother was taken from the county poorhouse when taken to our Home. For the safety and health of the others in the Home it was apparent the Brother should be removed immediately. I therefore, entered into an agreement with the committee to allow their Lodge \$20.00 per month for the care of the Brother, until the Grand Lodge session. On September 8th the Brother was taken from the

A. O. Arnold

Deputy Grand Master,
Quincy.

Home. October 6th he went to a hospital in Jacksonville, where he died on October 10th. I have drawn a warrant on the special relief fund for \$20.00, in favor of Pride of the Valley Lodge, No. 435, in this case.

John S. Hankins and Wife.

When in Carrollton attending the Greene County picnic on July 27th, I was informed of a Brother by the name of John S. Hankins, a member of Greenfield Lodge, No. 195, who, with his wife, was in the Greene County poorhouse. I immediately called into consultation Past Grand Master Wm. A. Hubbard, Grand Guardian J. D. Rowe, and a few others who were present, and it was decided to have Greenfield Lodge make application to have Brother Hankins and wife admitted to the Old Folks' I. O. O. F. Home at Mattoon—said application to be made immediately. On my visit to the Home in September I reported this case and found no application had been sent for their admission. Soon after this the Board of Trustees sent application blanks to the Greenfield Lodge, but received no reply. Brother Hubbard had also written to the Board explaining the deplorable condition of these old people and asked that they be admitted. At the October meeting the Board appointed Brother Groves, one of the members, to visit Greenfield poorhouse and make a personal investigation of this case in order to hasten it along and I quote from his letter to me, written October 13th:

"I went to Carrollton yesterday and in company with Brother Hubbard and Brother Postlewait, of the Carrollton Lodge, we drove out to the almshouse and I must say to you that a more deplorable condition I have hardly ever seen than I met with there with those two old people. She is blind and crippled up with rheumatism and weighs between 250 and 300 pounds and is practically helpless, while he has been paralyzed and cannot get up when down, and has but little use of himself, and in attendance upon them was a woman about half-witted, and the room they were in was dirty and miserable, and the old people begging to get out of such a place, and I want to say to you that I was sorry beyond expression for them. I saw at once that we could not take them into the Old Folks' Home for they are both hospital cases and will need a nurse almost continually, for their condition could hardly be worse to be alive, etc. Brother Hubbard and I called up the Representative of Greenfield Lodge, who is also their conservator, while at the County House, and told him that his Lodge must make some arrangements to get these old people out and he said that the Lodge had exhausted its funds in caring for them, with others, before they were taken to the County House, so we told him that if he would provide a place and hire someone to take care of them, we were certain you would make a weekly appropriation from the Grand Lodge emergency fund to pay for the care-taker, etc."

Upon receipt of this letter from Brother Groves, I immediately wrote Brother Hubbard, requesting he give this case his personal attention, and when in Roodhouse on October 23d, I received his report and met a committee from Greenfield Lodge. I found the old people were still in the almshouse and Greenfield Lodge had exhausted their funds and were now in debt and could do no more for them, but had a woman who would take them and care for them for about \$80.00 per month. After consulting with Brothers Sikes, Hubbard, Arnold, and Blood, I decided to draw upon the special relief fund for \$50.00 to take care of them until the Grand Lodge meets, and I ask this case be given your consideration for their future care.

Brother Hankins is 66 years old—36 years an Odd Fellow—was paralyzed on one side in June, 1914, and is now speechless and helpless. Mrs. Hankins is 71 years old—has been bedfast 35 years and blind 18 years.

ODD FELLOWS' LEAGUE AND RELIEF BOARD.

The necessity for such a great organization in a large city like Chicago is recognized by every member of our Order and the good work which this league is doing, and has done, commends itself to this great fraternity as worthy of the protecting influence and the assistance of all members of the Order.

This organization was the outcome of the uniting, through the influence and efforts of the Order in Cook County, of the Odd Fellows' Relief Board and the Illinois Odd Fellows' League which has been working effectively since it was formed and incorporated under the laws of Illinois in 1907.

Each Subordinate Lodge and each Rebekah Lodge in Cook County contributes to the support of the Odd Fellows' League and Relief Board and I sincerely hope they may always be able to continue in this good work. The Lodges in this county have a wonderful field for doing good in Odd Fellowship and are exhibiting, through this board, practical exemplifications of the lesson of the good Samaritan.

The membership of this entire jurisdiction appreciates their commendable work and I know they heartily join in with me in taking this opportunity to thank the Lodges of Cook County for the great good they are doing.

Following is the report as submitted for the past year:

Report of the Odd Fellows' League and Relief Board, Sept. 1, 1915.

The work of the Odd Fellows' League and Relief Board is so extensive that it is impossible to go into details in this report, we have received a great many letters requesting information as to our work in Chicago, and many of our large cities are finding it necessary to

conduct a work along the same lines. The Odd Fellows' League and Relief Board is in fact a trouble clearing house, the office being open during business hours. All are able to get action without waiting for some Lodge to meet and then have the matter referred to some committee.

I am pleased to report that the Lodges of Cook County have been prompt and liberal in their support of the organization, although a few, on account of the hard times, have not done as much as in previous years.

There have been reported to this office the following: 78 cases of sickness and distress, 19 deaths have been taken care of by the nearest Lodge and the funeral service conducted, 13 missing, all but two of them have been located, 61 hospital cases, 11 impostors, 12 have been supplied with legal service, 9 have been refused financial aid by their Lodges, as having the habit of calling quite often, 197 have received financial assistance, amounting to \$961.10, 90 per cent of these have come from other jurisdictions outside of Cook County.

Five hundred and twenty-eight applications for employment have been received, but on account of the depression in business, only about 20 per cent of them have been placed, and we regret to say that as some of the applicants are over 50 years of age it is almost impossible to secure employment for them, and this is the worst feature of all we have to contend with in securing employment.

We greatly appreciate the courtesies that have been extended and trust that this will meet your approval.

Fraternally yours,

G. C. LIND,
Recording Secretary.

EASTLAND BOAT DISASTER.

On Saturday morning, July 24, the greatest catastrophe in the history of Chicago occurred, rushing hundreds from earth to eternity, many of our Brothers and Sisters being among the number, when the steamer Eastland turned over at her dock with a load of passengers starting for an excursion to Michigan City, to spend the day. The boat had been chartered by the Western Electric Company, where a great many of our members are employed. This cast a gloom over Chicago and many homes were bereft of the main support of the families.

Our Chicago Lodges responded promptly to the cry of distress and many of our Sisters and Brothers worked day and night to relieve and comfort those in want. On Wednesday night I met at Carnation Lodge a large number of the Chicago Brothers and at this meeting appointed Charles E. Boyer, of No. 55; Andrew Christensen, of No.

ilies who suffered in this calamity. We have made every effort to locate all such families and believe that we have succeeded. To accomplish this it was necessary to travel one hundred and fifty miles by automobile, covering a territory nine miles north and south, fifteen miles east and west.

Out of 35 families there were nine Odd Fellows, eight Rebekahs and 25 close relatives, making a total of 42 lost. This was distributed among four Rebekah Lodges, six Subordinate Lodges in Cook County Illinois, and one Subordinate Lodge in Manitoba, Canada. The Lodges affected and their losses are Lizzie L. Morrison Rebekah Lodge No. 647, with four; United Rebekah Lodge, No. 436, with two; Suburban Rebekah Lodge, No. 750, and Libuse Rebekah Lodge, No. 50, with one each; Souvenir Lodge, No. 831, with three; New Century Lodge No. 350; River Jordan Lodge No. 916; Good Samaritan Lodge, No. 540; Atlas Lodge, No. 261; Praha Lodge, No. 231, and Manitoba Lodge, No. 1, with one each. In addition we located five who were injured and have visited them. We are pleased to report that all were in good spirits and on the road to rapid recovery.

We extend the condolence and deep felt sympathy of yourself, the Grand Lodge and all members of the Order in Illinois to all of the bereaved families. We wish to thank you, Grand Master, for accompanying us on one day of our visitations, when we called on 18 families and for helping us extend the condolences of our Order. We also wish to thank Brother H. M. Blood, Chief of Examiners and Instructors, for accompanying us on two days of our visitations. The work of this committee has entailed no expense upon the Grand Lodge.

We are pleased to report that we found no cases requiring immediate relief, but find that in the case of Sister Elizazeth Montgomery, of Suburban Rebekah Lodge, No. 750, of LaGrange, Illinois, who was the sole support of her mother and an invalid sister, and in the case of Sisters Pearl and Ethel Osen, members of United Rebekah Lodge, No. 436, of Cicero, Illinois, who were practically the sole support of their family, assistance will be necessary. We recommend, if it meets with your approval, that all the Subordinate and Rebekah Lodges in Illinois be requested to contribute to a fund for the purpose of raising the mortgages on these two small homes, thereby enabling these families to care for themselves. If each Subordinate and Rebekah Lodge in Illinois would contribute \$1.00 the fund thus raised would be sufficient for this purpose and also to assist the aged parents of Brother Albert Turek, of Praha Lodge, No. 231, and the mother of Brother Charles Bender, of Souvenir Lodge, No. 831.

Chicago, Ill., Sept. 1, 1915.

Mr. and Mrs. Albert B. Boulton,
Manitoba Lodge, No. 1, I. O. O. F.,
Winnipeg, Manitoba.

Dear Brother and Mrs. Boulton:—Permit us to address you in sympathy upon the loss of your son, Harry Boulton, in the Eastland catastrophe. Very soon after the accident the Grand Master of the Grand Lodge of Illinois appointed a committee of three to care for the Odd Fellows and their families afflicted by that terrible accident.

We have visited every Odd Fellow family and have extended, in the name of the Grand Master of Illinois, his condolences and the sympathy of the Odd Fellows of Illinois. In our visits we called upon your son Albert, and we now come to you, his parents. Accept from us the sincerest sympathy of the Odd Fellows of Illinois, in the loss of your son Harry.

It is difficult for us to understand why man in his youth and vigor should be taken from us. But surely God in his wisdom knows best. Let us bow in submission to the will of Him "Who doeth all things well." Were there no death, man's life would be a failure. In times like these, words are so futile, but it is the least that we can do. Accept the deepest sympathy of the Odd Fellows of Illinois in this sad hour of your bereavement.

Yours in Friendship, Love and Truth,

REPORT OF DEPUTY GRAND MASTER.

Peoria, Ill., Oct. 27, 1915.

Hon. William H. Pease,
Grand Master, I. O. O. F.
Harvey, Ill.

Dear Grand Master:—During the past year it has been my pleasure to attend many meetings in various parts of the State, among which were the following:

Jan. 4, 1915. Attended a meeting of Ft. Clark Lodge, No. 109, Peoria, which was also attended by the Grand Master, and about 40 brothers from Bloomington.

Jan. 28. Attended the school of Instruction at Kewanee, where I met the Grand Master, Grand Warden, Chief of Instructors and a large number of Brothers from the surrounding Lodges.

Feb. 27. Visited Hanna City, Ill., and as the Deputy of the Grand Master, dedicated the new hall of Hanna Lodge, No. 1015, to the uses and purposes of Odd Fellowship.

March 5. Attended the special session of the Grand Lodge and a school of instruction at LaSalle, and in the absence of the Grand Warden, conferred the Grand Lodge and Past Grand's Degree on a large number of Past Grands.

March 23. Was present at the school of instruction at Peoria, and assisted the Grand Officers in conferring the initiatory degree on a class of candidates for Columbia Lodge, No. 21.

April 13-15. Attended the series of meetings in Chicago, held under the auspices of the Deputies' association.

April 26. Gave an anniversary address at Galva, the meeting being held in the opera house and attended by several hundred persons.

May 25. Attended the district meeting of the Rebekahs at Peoria, and welcomed the visitors to the city.

June 13. Gave a memorial address at Galesburg, where the services were held jointly by the several Subordinate and Rebekah Lodges.

August 11. Attended the picnic at Joliet given by the Lodges of Will and Kane counties.

Sept. 28. Visited the city of Rushville, and attended the annual meeting of the Central Illinois Odd Fellows' Association. Gave an address at the public meeting in the afternoon and attended the Rebekah school of instruction later. In the evening was present at a regular meeting of Friendship Lodge No. 24, and witnessed the conferring of the initiatory degree by Saxon Lodge, No. 68, of Virginia, the first degree by Olive Branch Lodge, No. 15, of Canton, and the second degree by Good Faith Lodge, No. 752, of Cuba. All these degrees were conferred in a manner that reflected great credit on the several Lodges.

Oct. 15. Attended the school of instruction at Abingdon.

In addition to the above meetings, I have visited a number of Lodges near my home city, and in nearly every case have found the Brothers ready and willing to do anything within their power to advance the interests of the Order. I have visited the Old Folks' Home twice, and the Orphans' Home twice, in an endeavor to become familiar with the problems that confront the management.

In conclusion, Grand Master, let me congratulate you on the work you have done during the year. While conditions were such that great prosperity could not be expected among our Lodges, yet your active labors have done much to keep alive the enthusiasm of the membership. The results of your work will doubtless be seen during the coming year.

Permit me to thank you for many courtesies extended to me during the year.

Fraternally yours,

J. J. CROWDER,
Deputy Grand Master.

REPORT OF GRAND WARDEN.

Quincy, Ill., Nov. 1, 1915.

Mr. Wm. Pease, Grand Master, I. O. O. F.,

Harvey, Ill.

Dear Brother Pease:—In order that you may have some definite report of the activity of the Grand Warden during the last year I beg leave to submit the following:

During the past year I have attended special sessions of the Grand Lodge at the following places: Freeport, Chicago, Bloomington and Roodhouse and had the pleasure of conferring the Grand Lodge Degree on a large class of Past Grands.

I have also had the pleasure of attending schools of instruction in company with yourself and Brother Blood at Kewanee, Freeport, Carthage, Bloomington, Abingdon and Roodhouse.

In addition to the above I have had the pleasure of visiting Big Neck, Brighton Park, Chicago, Pittsfield, Camp Point, Nebo, Atlas, Barry, Augusta, Loraine, Milton, Eldara, Griggsville, and Marceline. At all these points we were favored with very good meetings and enthusiasm for the Order is growing.

In my work as Grand Warden I had the pleasure of spending a week in Chicago with the other Grand Officers, but perhaps the most pleasant memory of the year is the meeting of November 28, 1914, at Harvey, where I had the pleasure of participating in the dedicating of the new Lodge building which is now the home of the Harvey Lodge, No. 80, and also in joining in the reception which that Lodge extended to their own member, W. H. Pease, Grand Master.

You will see from the above that most of the meetings I have attended have been in the western part of the State, and I am pleased to report that outside of the city of Quincy the Order is growing and gaining in enthusiasm. In Quincy financial conditions among the factories have had a tendency to keep down the number of applications we had ordinarily expected. However, this situation is being overcome and we are sure that the Quincy Lodges will make a better showing within the coming year.

Thanking you for the many courtesies extended to me during the year.

Fraternally yours,

A. OTIS ARNOLD,
Grand Warden.

REPORT OF GRAND CHAPLAIN.

Peoria, Ill., October 27, 1915.

Hon. William H. Pease, Grand Master, I. O. O. F., Harvey, Ill.:

Dear Grand Master:—In compliance with the precedent of last year, and at your request, I hand you, herewith, my second annual report of the activities of the Grand Chaplain in this jurisdiction.

My Lodge year began with the attendance upon the receptions given to the Grand Officers, also, to Sister Myrtle W. Tandy, President of the Rebekah Assembly.

I have been present at Schools of Instruction, held under the direction of the Chief of Examiners and Instructors, at Springfield, Peoria, and Bloomington.

During the year I have addressed the brethren at special occasions in Bloomington, LeRoy, Atlanta, and Rantoul. Also, I addressed the Lodges of Peoria County at their Labor Day picnic.

In July of this year I removed my residence from McLean, Ill., to Peoria, Ill. Since that time I have addressed the brothers and sisters of Peoria on several occasions, and have been elected to the office of Second Vice President of the Peoria County Odd Fellows' Association. This office is newly created and carries with it the duty of visiting the lodges in the county for the purpose of advising with the lodges and to better unify the ideals of Odd Fellowship in the minds of the brethren throughout the county.

The contributions of the Grand Chaplain to the pages of the Odd Fellows' Herald each month of this year has been received by the brethren throughout the jurisdiction and many favorable comments have been returned to the writer regarding them. The monthly article, published under the caption of "Ecclesiolatry, or the Religion of Odd Fellowship," though blazing a new path for the ideals of Odd Fellowship, has been met with the warmest approval from many of the brethren. May I quote here an excerpt from a letter from one of the Grand Officers regarding it, which is significant of the opinion of many of the brothers throughout the State.

"I like it very much and hope you will keep it up. * * * It is 'New Reading' in fraternal journals. Still 'Fraternity' itself was 'new' at one time and is not fully understood by everybody yet. You should keep hammering away till it is driven home to stay."

The stories, and especially the Krino Kritikos stories, have been widely read and have been copied in the journals of Odd Fellowship all over the world, as the records of this office will testify.

My aims for Odd Fellowship, Grand Master, have always been to exert my strength for the better understanding of our lessons and to bring a greater number into the daily practices of fraternal fellowship.

As Grand Chaplain, I preached last year and this year for a closer assimilation of the members. My observation is that our great losses in membership are largely due to our neglect of pursuing a definite and carefully studied program of assimilation. A conservation of the brethren will, undoubtedly, preserve against the dropping of members. I would like to encourage a united program for the holding of members to the fraternal service of Odd Fellowship.

And now, Grand Master, the pendulum of time has again traced the distance that marks my official term and whether for ill or for good this record cannot state. But by the barometer of the testimony of the brethren the Order will know if my incumbency has been real. It has been said that the good in a man's life is all that remains of him in history. If my year has marked some good to the Order then, Grand Master, I am satisfied.

My report is respectfully presented.

F. LEWIS STARBUCK.

Grand Chaplain.

Department of Ritualistic Instruction

REPORT OF H. M. BLOOD, CHIEF OF EXAMINERS AND INSTRUCTORS.

Chicago, Ill., October 29, 1915.

Hon. William H. Pease, Grand Master, I. O. O. F., Harvey, Ill.:

Dear Brother Pease:—For the fourth time it now becomes my duty to make an annual report to the Grand Master, covering the work in the Department of Ritualistic Instruction.

First of all permit me to thank you for the interest you have taken in my work, never failing to offer kindly and timely advice and in all ways and under all circumstances showing your interest in the work as it has progressed through the year.

I have enjoyed the best of relations with all of the Grand Officers and field workers, and to each I wish to express grateful appreciation for their assistance and encouragement.

On account of the general financial conditions in Illinois we have not had the easy time that we have enjoyed in more prosperous years. The workers in our Lodges have had to contend with conditions that were new in this State. While the annual report, made up to March 31st, shows a loss in membership of less than 100, it is in my opinion due largely to our workers that the loss was not many times larger.

CORRESPONDENCE.

My correspondence this past year has been heavier than usual, but with the assistance of Miss Jessie Pitkin, I have been able to take care of it promptly. I have assumed that any brother who wrote me on any subject was entitled to a reply, and that the reply should give him the information he requested. To do this has involved considerable work on the part of the Chief of Examiners and Instructors, but I believe it was worth while.

SCHOOLS.

Following your instructions and with your assistance arrangements were made for holding Schools of Instruction in various parts of the State, as many as possible to be held during the winter and early spring months, and then to take up the work again in the fall. This was done, and I am pleased to report that the results were all that could be reasonably desired. The following is the order in which the schools were held:

H. M. Blood

Grand Warden,
Chicago.

|------------------------------------|--------------------------------|
| Carbondale, January 20th. | Evanston, July 12th. |
| Kewanee, January 28th. | Rivergrove, July 19th. |

| Centralia, February 15th. | Carthage, September 13th. |
| Springfield, February 22d and 23d. | Rockford, September 18th. |
| LaSalle, March 5th. | Paxton, September 20th. |
| Urbana, March 8th. | Danville, September 24th. |
| Aurora, March 16th. | Lawrenceville, September 25th. |
| Paris, March 19th. | Bloomington, September 28th. |

| Havana, April 5th. | Roodhouse, October 23d. |
| Carlinville, April 19th. | Ottawa, October 27th. |
| Decatur, April 20th. | |

With four exceptions I had the pleasure of your presence at each of these meeting and as you will likely cover the detail of these schools, it will not be necessary for me to repeat the same in my report to you.

COOK COUNTY.

I have attended numerous meetings in Cook County during the past year. I have declined no request for my presence and services unless I was already engaged in some other Lodge. It will be sufficient to say that I have attended more than 100 of these meetings, and covered many subjects running from Schools to Memorial and Anniversary Addresses.

Many of the engagements I have filled the past year were made weeks and months in advance, and I am proud to report that I was able to fill each one as they came along. I have enjoyed excellent health, for which I am grateful, and this has been a large factor in the strenuous work that I have had to do, which would have been impossible if my physical condition had not been so good.

OUTSIDE OF COOK COUNTY.

I have made numerous trips outside of Chicago and Cook County during the past year. The occasions have been varied, as for instance, Special Schools of Instruction, Memorial and Fourth of July Addresses.

While at this writing all Official Examiners and Instructors have not reported, still I am pleased to say that they have done excellent work. All the labor of our Official Examiners and Instructors does not result in a commission, but the constant assistance and instruction going on in the lodges through these instructors has the effect of keeping up the high standard of the various Noble Grands, as well as

instruction given to candidates while they are taking their degrees. I cannot speak too highly of these faithful brothers, who spend much time in a work that results in very little credit and is not known in most cases outside their own lodges. Without the service of these Official Examiners and Instructors our work would soon go backward and the unwritten work would be lost altogether.

ASSISTANT CHIEF OF EXAMINERS AND INSTRUCTORS.

My assistant, Brother I. C. Abney, has not enjoyed good health the past year, and on account of this I have tried to make his work as easy for him as possible. However, he has done a good deal of work notwithstanding this handicap. Early in the year he suffered a severe illness while attending the school in Freeport, from which he has not yet fully recovered. His work will be covered in a special report to you.

OUR DEGREE WORK.

The so called "New Ritual" is really no longer "new." It is rare indeed to find a Lodge whose members do not know what our work should be, and most of our Lodges have excellent staffs, whose work will compare favorably with the work done in any of the Grand Jurisdiction. There is great ambition manifested all along the line to improve and still improve, and while this spirit is kept up and encouraged we need not fear for the quality of our degree work. Without constant study and thought, however, we would slip back and our work would not hold the interest of our members nor impress our candidates. Proficiency in degree work, as in all things in the Lodge room and out of it, must be the watchword.

The Order in Illinois may be compared with a large business with a thousand branch offices, some of these branches (Lodges) are exceedingly prosperous, while others with seemingly as good territory are not doing as well as we might wish. It ought to be our aim to find some way whereby the weak lodges might be assisted in some way and set firmly on their feet. This would not only be in the interest of the local lodge, but in the interest of the whole Order.

In our form of organization we have executive officers, which include a Grand Secretary, who looks after the duties of Secretary's office and a Grand Treasurer, who has charge of our funds. The Grand Master's time is more than taken with correspondence and necessary official visitations, but there is no one whose duty it is to get into the field and find the cause which has made many of our Lodges fail to prosper, and is still keeping them in the "weak class" and apply a remedy on the spot. In my judgment there are few lodges that are losing ground or standing still, but could be improved if proper and timely assistance was given. In other words, I would apply approved

business methods to the business side of our lodges. When seven per cent of our members are dropped for one cause or another, as was the case last year, it is time to stir ourselves before greater losses are sustained.

Now, Grand Master, wishing you every personal success in the many years I trust are in store for you, and assuring you that the year I have served under you will be recalled by me with many pleasant recollections, I am,

Fraternally yours,

H. M. BLOOD,

Chief of Examiners and Instructors.

Approved.

Report adopted.

THIRD REPORT OF PAST GRAND MASTER CICERO J. LINDLEY, OF NO. 3.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Finance would respectfully report as follows:

The annual visit of your Finance Committee to the Odd Fellows' Orphans' Home at Lincoln, Ill., was made on Friday, October 15, 1915,

with all the members of the Finance Committee present. The Board of Trustees of the Home and the Rebekah Advisory Board were not present. Brother J. W. Birney was the only member of the Board of Directors present. Your Committee took so much time as was necessary to audit the accounts of the year and going over the books of the Home, and the Committee was aided very much by the splendid manner in which the books of the Home are kept.

After the morning was spent in this work, we went over to the dining hall to see the children of the Home come into their dinner. The children were clean and tidy, the repast was bountiful and inviting. No Odd Fellow could look upon this scene and not be glad that he was a member of this grand Order that provides this splendid Home for the care and education of its orphans.

We visited all the buildings, the domestic science department, the manual training for the boys and the schools. Their condition was splendid. We went over the garden and the farm and found the stock in good condition and inspected the new barn that was built this year, and found a barn well ventilated and well equipped and sanitary in all respects.

We found in the Home one hundred and seventy-six (176) children—eighty-nine (89) girls and eighty-seven (87) boys. We found also there were thirty-five applications for admission to the Home on file, and the Superintendent and Brother J. W. Birney told us that they thought that the number would be at least 200 before Christmas of this year.

We found the receipts and expenses of the Home for the past year to be as follows:

Receipts.

| | |
|------------------------------------|--------------|
| Oct. 1, 1914, balance on hand..... | \$ 4,170.07 |
| Grand Lodge appropriation..... | 40,000.00 |
| Collections | 2,672.80 |
| Donations | 511.10 |
| Farm | 1,049.82 |
| Interest on endowment..... | 1,624.08 |
| Total | \$ 50,027.87 |

Disbursements.

We find vouchers properly drawn on the Grand Treasurer,
 amounting to\$ 43,033.22

Balance in maintenance fund.....\$ 6,994.65
 There was an appropriation in the building fund of \$2,500.
 We find that the disbursements in the building fund
 amount to \$3,259.23, making an overdraft of..... 759.23

This, we note, has been charged by the Trustees to the maintenance fund. Deducting this amount from the above balance, leaving in the hands of the Grand Treasurer at this time\$ 6,235.42

We would suggest that in the future these transfers be not made without consulting the Finance Committee.

We congratulate the Board of Directors of the Home upon having on hands October 1, 1915, a balance of \$6,235.42.

Brother J. A. Lucas gave us the following figures from his books as to the children in the Home: There are 56 whole orphans and 120 half orphans. Seventy-two of these half orphans have a father and 48 have a mother. Only 22 parents pay something for the keep of the children in the Home, and this amount varies from 50 cents to \$12.50 per month for each child. These figures show that only 31½ per cent of the children in the Home are whole orphans and that 68½ per cent of the children in the Home are half orphans. We want to insert here in our report what was in the report of the Financial Committee last year regarding half orphans: "All of these have one parent living, and our Order has in many cases relieved this parent of a large share of the duty that should fall upon it. And your Committee again submits to you for your careful consideration these questions: Should our Order pursue this policy? Can we afford to do it? Is it fair to the full orphans to do so? Will not the expense in the near future be a burden to us? These are serious and important questions and deserve our best thought and judgment. This Committee is but the servant of the Grand Lodge, and we stand ready to do your bidding, but it is our opinion in admitting half orphans to our Home the Board of Directors should exercise the greatest care and caution. They should be governed by rigid rules and admit only those who are practically full orphans."

Respectfully submitted,

CICERO J. LINDLEY,

G. F. KOESTER,

JAMES EWING DAVIS,

Finance Committee.

CONCLUSION.

I wish once more to express my great appreciation of having been chosen to serve the Order in this distinguished capacity. I have endeavored, during the year, to express my acknowledgement of the honor in service rather than in words, and endeavored to remember always that in "charity for all and with malice toward none" could the great fraternalism of our Order best be manifested.

My relations with the Grand Officers, Special Deputies, Committeemen and membership at large have been pleasant to an extreme degree and I have received everywhere I went, a most cordial welcome, and have made many close personal friendships which I expect to retain all through life.

No one can estimate the value of a man until his assistance is needed and there are many whom I could remember and mention while turning over to my successor that which has been so dear to me. While my co-operators are far too numerous to enumerate here, I wish to say to all those who responded to my calls and to those who were ever ready to help, had I asked them, that "I thank you." I have traveled much this year, but have never been disappointed, nor seen a single instance where an Odd Fellow has failed in his duty to his Grand Master.

As I am about to relinquish the authority which has been vested in me I am gladly conscious of the fact it is to be given over to one who is in every way well qualified and worthy to receive it. I ask for my successor your heartiest assistance and aid, and, if this be given him with the same lavishness and liberality that it has been bestowed upon me, the teachings of Friendship, Love and Truth will be phenomenal in the year to come.

William H. Peace,

Grand Master.

INTRODUCTION

To William H. Pease, Grand Master, I. O. O. F. of Illinois:

The Board of Directors of the I. O. O. F. Orphans' Home, at Lincoln, Illinois, does hereby submit to you, and through you to the Grand Lodge of Illinois, the twenty-third annual report of said Home, for the year 1914-1915.

RESIDENTS OF THE HOME.

The Odd Fellows of Illinois are now maintaining and educating in the Home 87 boys and 89 girls, of which number 56 are whole orphans and 120 half orphans; that is, those having one parent living. There are, however, 55 applications for admission, of which 4 are whole orphans and 51 half orphans.

EDUCATION OF OUR ORPHANS.

Besides the school work, which has been made as practical as possible, it has been the purpose of the management to give to each a training along other lines. All members of the Institution who are old enough are required to assist in the manual labor on the farm and in various other duties about the Home, for the double purpose of adding somewhat to the revenues of the establishment and to inculcate the habits of industry so valuable to them in after life. The work required does not, however, in any way interfere with the school duties. A large garden, under the management of an experienced and skillful gardener, has been established, and the boys assist materially in caring for the same. This garden, it has been found, gives profitable and instructive employment for a portion of the time during the summer school vacation, and by this employment, combined with the manual training and domestic science, is given the members of the Home a training which, in the opinion of the Board, is as essential as the mental equipment furnished by the school work.

The school building, during the last of the school year, ending July 1, 1915, was almost too small to accommodate the members of school age in the Home at that time, and it was expected that some additional accommodations would be necessary; but the number of inmates being considerably less now than at that time, the management believes that the school can be maintained and the present high standard kept up without any further equipment for this year.

The following list of all the children in our Home Oct. 1, 1915, together with the age, date of admission, name and number of the Lodge certifying to them:

How to Gain Admission.

Lodges or guardians, wishing to place in the Home children who are eligible to its benefits, should apply to the Superintendent, Dr. J. A. Lucas, Lincoln, Illinois, for a blank form of application. The blank application must be signed by the guardian, if the child is a full orphan. And every child, before admission, must have a guardian. If a half orphan, the living parent must sign the application. The Lodge, of which the father was a member, if dead, or is a member, if living, must also sign the application (under seal). The application should be returned to the Superintendent, who will present it to the Board of Directors for consideration at their first meeting thereafter.

Domestic Science Building.

The Rebekahs of Illinois have kept their building, known as the Domestic Science Building, in good condition throughout. A new roof was placed over the store room and pantry. A bread box was also added to the kitchen equipment. Linoleum was placed in the bath room and upper corridor.

The Assembly.

The enthusiasm which greets the band at the Assembly lasts the boys and girls all the year.

Hester Secrist will, no doubt, have good reason to be thankful for what these representative sisters are intending to do for her in a musical way. We sincerely thank the Assembly for the \$100 each year, set aside for her future education.

The collection of \$59.05 was used for a great Thanksgiving dinner. It was a feast that the children fully enjoyed and appreciated.

The moving pictures are a source of much pleasure. The \$100 donated to furnish the films enables us to entertain the children the

entire year. The Home wishes again to thank the Assembly for the \$300 for the seamstress, who does the sewing for our girls.

Grand Encampment.

The Grand Encampment presented the Home with a \$200 Victrola and \$25.00 worth of records. This beautiful instrument is now in the chapel to intersperse music with pictures thrown from the splendid picture machine furnished by the Grand Encampment. Every week the children are reminded of this branch of our Order.

School.

We are starting into our school work this year with bright prospects. As has been said many times in our annual report, special attention is given to manual training, domestic science and practical housekeeping. Most of the repairing is done by the boys of the Home, and were it not for their help, it would keep one man busy a great part of the time keeping up repairs.

Grand Master W. H. Pease gave a practical address to the graduating class consisting of the following members: Hans Slack, William Jones, William Bensing, Walter Williams, Clark Purcell, Marvin Butler, Louise Abel, Lillian Hodgen and Beatrice Wilkinson. Talks were also made by Grand Secretary Sikes, Myrtle W. Tandy, President of the Rebekah Assembly, Lura B. Latham and members of the board. Superintendent J. A. Lucas presented the diplomas.

The teachers for the school year of 1915-16 are:

Miss Flora Sheets, (a former Home girl) principal and teacher of the eighth grades.

Miss Bess Chapman, sixth and seventh grades.

Miss Naomi Wetzel, A fourth and fifth.

Miss Rose Herndon, third and B fourth.

Miss Mary Tinkler, first and second.

Miss Huldah Peters, vocal and instrumental music.

Miss Louise Wetzel, domestic science.

Mr. Birney Fleming, manual training.

Prof. H. O. Merry, band.

The Band.

On account of the age limit many of the members of our band have given up their places. This necessitates a reorganization, which

under the splendid direction of Prof. H. O. Merry, will make a better band than ever. New uniforms and several new instruments have been purchased by the band and at this time we are well equipped.

Norman Radford, one of the most efficient leaders we have ever had, will continue to direct the band for the next year.

Ruth McCorkle.

On July 10, 1914, Ruth McCorkle, one of our brightest girls, left the Home to spend the summer with her grandmother at Monmouth. Soon after arriving there she was taken with tuberculosis of the knee. After a very painful illness of several months, this dreadful disease took Ruth away. Everything was done that could be done, by physicians, nurses and loving friends, but to no avail.

Ruth was perhaps the most efficient musician we had in the Home, and acquitted herself so beautifully in her piano solo at graduation that everyone who heard it felt as if Ruth had been inspired. Ruth came to the Home with her brothers, John and Charles, and her sister, Esther, on November 4, 1903, and passed to her great reward November 9, 1914. But Ruth, lovely girl that she was, was ready, though so young, for she had made peace with her God. She had been for several years a member of the Presbyterian church. Her funeral was held in Monmouth November 11, 1914, the sermon being preached by Dr. King. The floral tributes were many and beautiful and spoke volumes of love for her who had slipped away from earthly care to receive a crown of rejoicing eternal in the heavens.

Improvements Made During Past Year.

The Board of Directors have just completed the addition to the new barn, which makes one of the most up-to-date barns in the country. We hope every member of the Grand Lodge will find time to look at the splendid equipment and the thoroughness with which the barn has been fitted out.

It has been necessary to overhaul the heating plant on account of the iron pipe rusting. In order to make the plant more efficient the pipe had to be taken out and replaced by new. Instead of placing this in wooden boxes, the pipe was placed in conduit, which means permanency. Last winter an expert was employed by the Board and he recommended the change that has been made, for the sake of economy. This required considerable expenditure, and yet had it not been done at this time, perhaps, during the winter season the rusty pipes would have given away, and it would be almost impossible to replace them while the ground was frozen.

A cistern holding 1,000 barrels of water was built the first of the year. This was much needed. On account of the drouth last year, we were obliged to use city water, which made it very expensive indeed. With this added improvement, the work in the laundry may be carried on much cheaper.

By order of the State Fire Marshal, all of our buildings will have to be rewired. This was done, in part, at the barns. All wires had to be put in conduit in order to assure greater safety.

CONCLUSION.

The management of the Home desire to most sincerely express their thanks to those who have so liberally contributed, in so many ways, toward the support and welfare of the members of the Home. The ever ready assistance of all branches of our beloved Order indicates that its members are true to the noble tenets and principles upon which the Institution of Odd Fellows was founded and that the care and education of its orphans may be safely intrusted to the noble band of men and women who make up its membership.

The Advisory Board have been of great assistance to the Board of Directors by suggestions which they offered from time to time.

We wish especially to commend the great interest in the Home shown by the President of the Rebekah Assembly, Sister Tandy, who was instrumental in having a beautiful and durable flag pole erected at the Home.

We feel that the Order has been very fortunate in having the services of our present Superintendent and Matron, Dr. and Mrs. J. A. Lucas, and any brother or sister observing the respect and love shown by the children for the Superintendent and his estimable wife, would most certainly feel that the Order had builded wisely when our orphans were placed in the care of this brother and this sister.

The schools are in a good condition, and those who are directly responsible for the education of our children have been doing their work faithfully and efficiently.

We do especially thank you, Grand Master, for your assistance by meeting with us so frequently, by giving to us your valuable suggestions from time to time, for the great interest you have always shown in the welfare and happiness of those children whom this great Institution of Friendship, Love and Truth are guarding with zealous care. May the blessings of Almighty God rest on you and the members of our Order is our wish and prayer.

Fraternally yours in F. L. and T.,

INTRODUCTORY

To the Grand Master and Members of the Grand Lodge, I. O. O. F., of Illinois:

Under the rule of the Grand Lodge, it is our pleasure to submit a brief record of our stewardship as Trustees of the Old Folks' Home for the year ending September 30, 1915.

The year has been one of marked activity and further preparation for the care of our aged and helpless brothers and sisters. The new building, for which appropriation was made at the last session of the Grand Lodge, has been completed and adds much in meeting the necessities of a Home like ours. Its convenience, its comforts and its sanitary construction recommend this building to the visitors of the Home and appeal to the spirit of thanksgiving of those of our members who require its service.

We find, however, that some of the Lodges have misunderstood the objects for which this building was erected—misled, no doubt, by its being generally referred to as a hospital, and therefore drawing a conclusion that those of their numbers requiring the best surgical skill or the services of trained specialists could be admitted and receive treatment and care such as is given in the best equipped hospitals of our State. Your Board have adhered, however, to the rule of the Grand Lodge, and whenever we have been able to ascertain that the applicant is strictly a hospital patient we have felt it necessary to reject the application.

Our Home physician stands high in his profession; our nurses are practical, kind and competent, and in the general treatment and care of fevers and sickness incident to our members the best of care is given; but, where members of a Lodge are in need of a surgical operation or require the constant attention of a nurse, the Lodge should endeavor to send them to a hospital that is equipped and prepared to render the necessary service, and not attempt, either by misrepresentation or the omission of facts, to have them placed in the Old Folks' Home, hoping thereby to shift their own responsibility and duty upon the management of the Home.

There are now in the Home 158 members—42 Sisters and 116 Brothers, an increase of 18 members. There were 36 admitted during the year at an average age of 68. The average age of the membership of the Home is 72. During the year there have been one sent to the asylum at Kankakee, one withdrawn and 16 deaths from the Home.

The members of the Home are agreeable, and occasions have been rare when it became necessary to call attention to any violation of the rules.

The Grand Master, William H. Pease, and Deputy Grand Master J. J. Crowder have made frequent visits to the Home, and the relations between them and the members and the Board of Trustees have been most cordial, confidential, and pleasant.

There has been a large visitation of the membership throughout the State. They have brought words of encouragement to the Home and have carried with them from the Home commendation to their respective Lodges. The Lodges and members throughout the jurisdiction have been so faithful and kind to the best interests of the Home that they have been an inspiration for good work on the part of the management and the Board of Trustees.

The following contributions or donations have been made toward furnishing the new hospital or sanatorium.

The sun parlor of the hospital building was furnished by Mr. L. D. Hirsheimer of Pittsfield, in memory of his father and mother. His father having been a faithful and enthusiastic Odd Fellow and his mother an active member of the Rebekah branch of the Order.

On September 6 the Association of Fraternal Homes of Illinois met at our Home in Mattoon. There were representatives and officers present from the following:

Masonic Home of Sullivan.

Masonic Orphans' Home of LaGrange.

Masonic Eastern Star Home of Macon.

Knights of Pythias Home of Decatur.
 Odd Fellows' Orphans' Home of Lincoln.
 I. O. O. F. Old Folks' Home of Mattoon.

The Advisory Boards of our Homes at Lincoln and Mattoon attended this meeting and took part in the discussion of the best methods of conducting and maintaining fraternal Homes. The meeting was interesting and instructive.

The installation of our lighting plant was completed and has been giving most excellent service, also proving to be a good investment in the saving of expense.

Our orchard, garden and farm have yielded well.

For more definite information we respectfully refer you to the following detailed report of the year's business:

CONCLUSION.

We are not unmindful of the fact that our labors have been made pleasant and the achievements of a successful year in the administration of the affairs of the Home made possible by the harmonious working together of the Grand Officers and the membership throughout the State with the Trustees and management of the Home.

The Advisory Board has given assistance in many ways. Brother and Sister Sayler have been attentive to their duties, and the membership of the Home generally have been obliging and helpful.

The fraternal press has given us its usual courteous consideration and to all who have given us their fraternal help we express our sincere thanks.

Respectfully submitted,

W. M. GROVES.
 CHARLES S. HARRIS.
 CHARLES E. BOYER.
 HARRY G. CORMICK.

REPORT OF THE GRAND SECRETARY.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

I herewith submit my report as your Secretary for the year ending November 1st, 1915.

Business conditions throughout the world have had a very marked influence upon the growth of Odd Fellowship in Illinois.

Our membership is largely drawn from the factory, store and shop, which industries reflect financial conditions.

While we have not made a net gain in Subordinate membership during the past year, the Order is in good condition. Odd Fellowship is a practical organization for the relief of distress, and so long as we practice our principles and teachings there will be a field and a demand for our beloved Order.

GRAND LODGE JOURNAL OF 1914.

The Grand Lodge Journal for the session of 1914 consisted of 571 pages.

To arrange copy, read proof, and index the Grand Lodge Journal, requires the entire time of a thoroughly competent person, whom we secured in the person of Bro. Past Grand Master Owen Scott.

TRUSTEES OF THE ORPHANS' AND OLD FOLKS' HOMES.

All bills allowed by the two Boards of Trustees are forwarded to me with an attached certificate signed by the President and Secretary

of the Board and countersigned by the Grand Master. These bills and vouchers are kept on file in my office for future reference, and orders on the Grand Treasurer are drawn for the several amounts. Upon these vouchers the Grand Master and myself have drawn orders on the Grand Treasurer for the sum of \$56,782.06, to pay bills contracted by the Trustees of the Old Folks' Home, and the sum of \$46,292.45, to pay bills contracted by the Directors of the Orphans' Home, making a total disbursement for these two charities of the sum of \$103,074.51.

JUDICIARY AND APPEALS COMMITTEE.

As Secretary of the Judiciary and Appeals Committee, I report that four sessions of this committee were held, as provided by law, on the third Tuesdays of November, 1914, February, May and August, of the present year. At the November session one opinion was rendered and the By-Laws from 28 Subordinate and Rebekah Lodges were acted upon. At the February session, four opinions were rendered and the By-Laws from 55 Subordinate and 16 Rebekah Lodges were acted upon. At the May session one opinion was rendered and the By-Laws from 97 Subordinate and 16 Rebekah Lodges were acted upon. At the August session By-Laws from 42 Subordinate and 11 Rebekah Lodges were acted upon.

GRAND SECRETARY'S OFFICE BUILDING.

Pursuant to action had by the Grand Lodge, I. O. O. F. of Illinois, at its November session 1913 (see Grand Lodge Journal 1913, page 409) the matter of erecting said building was taken up by the Building Committee. See Grand Lodge Journal 1914, pages 232-238 for detailed information as to progress during the year 1914. The same is covered under the following headings, viz: Grand Secretary's office building, bonus, warranty deed, architect, memorandum of agreement with the architect, plans and specifications, bond, contract for building and laying of corner stone.

On March 20, 1915, pursuant to call by Grand Master Wm. H. Pease, the Building Committee of the Grand Lodge met at the Grand Secretary's office for the purpose of inspecting the building, etc.

The members of the Building Committee present at this meeting were as follows, viz: Grand Master Wm. H. Pease; John H. Sikes, Grand Secretary; M. P. Berry, Grand Treasurer; and members of the Finance Committee, Geo. F. Koester, chairman; James Ewing Davis, P.G.M., and Cicero J. Lindley, P.G.M.

Following the examination of the building a meeting was held at which the following business was transacted. On motion of Grand Secretary John H. Sikes, seconded by Grand Treasurer M. P. Berry,

and upon the report and recommendations of the architect, owing to unavoidable delays in the delivery of stone and other material, it was moved that the penalty for failure to complete the building as per contract, should not be enforced, which motion prevailed.

On motion the Grand Secretary was instructed to insure the building in the sum of \$5,000.00 for three years.

On motion of Bro. Geo. F. Koester, chairman of the Grand Lodge Finance Committee, seconded by Cicero J. Lindley, P.G.M., the Grand Secretary's building was accepted and the Grand Secretary was ordered to take possession of the same.

Bids having been solicited for concrete walks, retaining walls, etc., there being three bids filed, this work was awarded to J. H. McFarlin for \$291.65, he being the lowest bidder.

The total amount of money expended in the erection of the Grand Secretary's building is as follows, viz:

The building was completed and occupied by the Grand Secretary during the last week of March, 1915. The office building has been greatly admired by members of the Order and citizens of Springfield, and is a monument to Odd Fellowship. It is well suited to the purposes for which it was intended and is practically fireproof. For the

first time in the history of the Order in this State the records of the Order are secure. We believe that the action of the Building Committee will be approved by the Order.

JUDICIARY AND APPEALS COMMITTEE I. O. O. F.

PROCEEDINGS OF THE FIRST SESSION—FEB., 1915

CASE NO. 450.

D. WIENER, et al.,
vs.
Moses Winberc.

} Before Committee on Judiciary
and Appeals, February Ses-
sion, 1915.

Opinion by Bro. Chester M. Turner, of No. 199.

Two cases have come to the committee by appeal from James R. Kewley Lodge No. 1022, both of which concern the same parties and apparently arise out of the same transaction. In each case complaint was filed with the Noble Grand of James R. Kewley Lodge No. 1022 in a proper manner, and the Noble Grand thereupon appointed in each instance D. Wiener, L. Rose and D. R. Coop as a Committee of Investigation. Upon the first complaint filed the committee returned the following charges:

Charge 1. We charge Brother Moses Winberc of this Lodge with using the good name of this Lodge to buy intoxicating liquor and causing the same to be served in the Lodge room.

Specification 1. That on September 30, 1913, he bought from the Sherman House sixty bottles of Riesling wine.

Specification 2. That on October 6, 1913, he caused the wine to be served at a banquet held in the Lodge room.

Charge 2. We charge the said Brother Moses Winberc with misconduct in the Lodge room while the Lodge was in session on October 6th, 1913.

Specification 1. That he interrupted a brother while addressing the chair without recognition of the chair.

Specification 2. That he used boisterous language and became so violent that he threw his regalia down before the altar and left the hall.

Specification 3. That he caused the Lodge to close in disorder.

Charge 3. We charge the said Brother Moses Winberc with appropriating Lodge property and not accounting for the same to the Lodge on October 6th, 1913.

Specification 1. That the sixty bottles of wine were not all consumed and the remainder were locked up in the kitchen by Brother Moses Winberc and no credit was given for the same to the Lodge.

Specification 2. That credit would have been given to the Lodge had they been returned to the Sherman House.

On May 15th, 1914, these charges were discussed in the Lodge sitting as a Committee of the Whole, and after the reconvening of the Lodge, by a vote of nineteen to seven the Lodge decided to dismiss the charges. From this action of the Lodge the Committee of Investigation appealed to the Judiciary and Appeals Committee of the Grand Lodge, and that case is here for action upon that appeal.

On August 25th, 1914, a second complaint was filed with the Noble Grand and that officer appointed the same brothers as Investigating Committee and they promptly returned charges and specifications as follows:

Charge 1. We charge Brother Moses Winberc with conduct unbecoming an Odd Fellow.

Specification 1. That on the evening of August 24th during session of the Lodge, he used violent and indecent language to the Noble Grand and brothers in the Lodge room.

Charge 2. We charge Brother Moses Winberc with slandering Brother F. J. Welcome.

Specification 1. He called said Brother F. J. Welcome a thief.

Specification 2. That the said Brother Moses Winberc was appealed to by Brother W. H. Pease to behave but continued his violent abuse.

At the proper time to plead the case was called in the Lodge and the defendant appeared by attorney and presented in writing a motion to quash the complaint, and each and every charge and specification as presented. This was discussed in open Lodge on September 14th, 1914, and upon motion properly made and seconded, it was voted to quash the complaint, the votes standing thirty to nine. From this action of the Lodge the Committee of Investigation again appeal to the Committee on Judiciary and Appeals of the Grand Lodge, and this case comes before this committee upon that appeal. For convenience in considering these two cases they have been consolidated by the committee and were heard together at the present February session thereof.

These cases might be entitled James R. Kewley Lodge No. 1022 vs. Moses Winberc, as the Investigating Committee was the creature of the Lodge, so appointed by the Noble Grand thereof. However, for convenience, inasmuch as the appeal was taken in each case by the committee itself, the cases as consolidated have been entitled as

above, and will hereafter be known as D. Weiner, et al. vs. Moses Winbere.

Both of these cases arose in the Lodge, and the transactions upon which the complaints were made, as well as the charges and specifications, all took place within the Lodge room and in the presence of the members of the Lodge, most of them taking place in open sessions of the Lodge. The charges and specifications are not specific, and were we to remand the case to the Lodge for trial we would suggest that they be made more specific.

However, in view of the fact that all of the matters in controversy were known to the members of the Lodge and were threshed over by them on at least two separate occasions, and each time by a large majority were dismissed, and in view of the further fact that the Lodge members themselves are the best judges of the facts in the cases, and with full knowledge of the entire situation have voted thus for dismissal, we do not feel that anything could be gained by remanding these cases to the Lodge for trial, as the result could not be different, and the amount of ill-feeling thus created would be considerable. The entire affair seems to have arisen over the bringing into the Lodge room of a quantity of unfermented grape-juice at a social gathering after the Lodge had closed, the bill for which was presented to the Lodge, but afterwards paid by a brother not named in the charges, from his own pocket.

We do not feel that there is any possible chance to prove any serious charge against this defendant upon the matters before us, nor that there is sufficient error in any of the proceedings to cause a reversal thereof. The Lodge had a right to discuss these matters and refuse to hear evidence upon the charges, and this is more especially true where, as in this case, the members were thoroughly familiar with all of the testimony that could be presented. We therefore find no reversible error in the proceedings, and the appeal will be dismissed and the action of the Lodge in both of the cases sustained.

| Hedwig Rebekah Lodge No. 249, I. O. O. F., vs. Sister Hedwig Fuchs. | } | Before Committee on Judiciary and Appeals, February Ses- sion, 1915. |
|--|---|--|

Opinion by Bro. W. E. P. Anderson, of No. 107.

This case is before us on an appeal by three members of Hedwig Rebekah Lodge, from the judgment of Superior Rebekah Lodge No. 18, which tried the case on a change of venue.

The transcript of the record of Hedwig Rebekah Lodge shows that at a regular meeting of the Lodge, held May 1st, 1914, a committee previously appointed by the Noble Grand presented the following report in writing:

"The undersigned committee appointed to investigate the complaints brought against Sister H. Fuchs, a member of this Lodge, report that it has thoroughly investigated said complaints and that the committee is of the opinion that Sister H. Fuchs, on account of her actions, is guilty of conduct unbecoming a Sister Rebekah and herewith bring the following charges against her:

"First. Sister H. Fuchs violated the law, as well as the secrets of our Order by having handed to a sister of the Lodge, on a certain day in December, 1912, a document, or sheet of paper, on which she had written the unwritten work of the Rebekah Degree."

"Second. Sister H. Fuchs has intentionally and maliciously injured the character and good names of Sister Muth and some other members of our Lodge, and has in the presence of a 13 year old girl, on March 19, 1914, at the residence of Sister Muth, 4442 W. 16th street, said to Sister Muth that the sisters of Hedwig Rebekah Lodge No. 249, are disorderly women and ———; that the tongue of Sister Muth should rot in her mouth and that Sister Muth should be a cripple for lifetime."

On May 15, 1914, at a meeting of Hedwig Rebekah Lodge, the above charges were read to Sister Fuchs, to which she declared herself not guilty, a commissioner was appointed and obligated to take the testimony in writing in the cause and the date of trial set for June 5, 1914.

It will be observed that neither of the above charges contain definite specifications, showing when, where, and in what manner either of the above offenses were committed. But in view of the fact that the defendant and her attorney have apparently waived all objections in the necessary steps taken preparatory to trial and in the trial of the case, we have given the case the same consideration as

though the record were complete and the proceedings in the trial of the case were regular in every way.

At a meeting of the Lodge on June 5, 1914, the date set for trial, a change of venue was asked by the attorney for the defendant, which request was referred by the Noble Grand to Grand Master Darnall, and further proceedings in the case were postponed until he was heard from.

At a meeting held July 17, 1914,, by order of Grand Master Darnall, the case was transferred to Superior Rebekah Lodge No. 18, for trial.

From a transcript of the record of Superior Rebekah Lodge, (not under the seal of the Lodge, however,) it appears that at a meeting held on September 21, 1914, the record in the case of Hedwig Rebekah Lodge vs. Sister H. Fuchs was received, and that written notices were ordered sent out to all of the members of Superior Rebekah Lodge and to Sister Fuchs, notifying them that a special meeting of the Lodge would be held on October 9, 1914, at 8:00 P. M. for the trial of Hedwig Rebekah Lodge vs. Sister Hedwig Fuchs.

At the meeting on October 9, 1914, of said Superior Rebekah Lodge, Hedwig Rebekah Lodge, by its attorney, and Sister Fuchs personally and by her attorney, appeared and the charges having been read by the secretary of Superior Rebekah Lodge, (and presumably the testimony taken in the case, although the records do not so state) it was agreed that the attorneys for the respective parties should each have forty minutes in arguing the case. At the conclusion of the argument, Sister H. Fuchs was requested to retire from the room, which she did. The secretary then read the first specification, and the Noble Grand stated that the Lodge would now vote upon the first specification as to the guilt or innocence of the defendant, stating that the white ball was the affirmative vote, or guilty, and that the black ball was the negative vote, or not guilty.

The members present of Superior Rebekah Lodge entitled to vote were then counted and there were twenty-eight members present; the ballot was then spread and it was found that twenty-nine balls had been voted, whereupon the ballot was ordered discharged and a new ballot taken, which resulted as follows: 24 black balls for not guilty and four white balls for guilty. The Noble Grand then stated that Sister Fuchs had been found not guilty on specification No. 1. The charge was then read and the members were instructed to vote thereupon as to the guilt or innocence of Sister Fuchs; the ballot resulted as follows: 22 black balls, not guilty, and six white balls, for guilty. The Noble Grand then stated that the Lodge had found Sister Fuchs not guilty on the charge as presented by Specification No. 1.

Specification No. 2. was then read and the vote resulted as follows: 24 black balls for not guilty and four white balls for guilty. The Noble Grand then stated that Sister Fuchs had been found not guilty on Specification No. 2. The Lodge then proceeded to vote on the guilt or innocence of Sister Fuchs on the charge as represented by Specification No. 2, which resulted as follows: 24 black balls for not guilty and four white balls for guilty. The Noble Grand then stated that the Lodge had found Sister Fuchs not guilty on the charge as represented by Specification No. 2.

Sister Fuchs was then recalled into the hall and informed of the result. The attorney for Hedwig Rebekah Lodge then gave notice that Hedwig Rebekah Lodge would pray for an appeal. The Noble Grand then closed the Lodge in regular form.

The testimony in the case comprises about 170 pages, the greater portion of which is incompetent and not pertinent to the issues sought to be tried. We have read the same over with due care and are of the opinion that the decision of Superior Rebekah Lodge in this case is fully sustained by the evidence and the law applicable thereto.

We find among the papers in the case a document purporting to be an appeal by three members of Hedwig Rebekah Lodge from the action and judgment of Superior Rebekah Lodge, assigning four reasons therefor. The first charges that the defendant admitted her guilt on the witness stand. Bear in mind that she was charged with having handed to a sister a document or sheet of paper on which she had written the unwritten work of the Rebekah Degree. She testified that all she had written was the alarm at the inner door and half of the working signs on a piece of paper letter size. No main words, and that it did not follow the key of the secret work, and also that she was an official instructor at the time, that what she did was at the solicitation of the sister to whom it was given under a promise from her that nobody should ever know it. The trial Lodge held that this offense did not subject her to expulsion.

The second, third and fourth reasons assigned consist of improper remarks of counsel for defendant, during the trial, that beads of a certain shape were used for black balls and that some balls were made black with ink and a discussion of the case among the members before the ballot was taken, to the effect "that we don't need any black balls in this Lodge," etc. None of these objections appear in the transcript to have been made on the part of the prosecution. Nor is it shown that any of the members of Superior Rebekah Lodge did not understand how and what they were voting upon. On the other hand the transcript uses the words, "ballots," "white balls," "black balls," and that the Noble Grand explained fully the manner of voting and the effect of the white balls and black balls.

It is also questionable in our minds whether what purports to be an appeal in the case is in compliance with our code, notwithstanding the fact that we have given the same consideration. In Merrill's Code, under that portion pertaining to constitutions of Rebekah Lodges, at Section 2657 it is provided that when the matter has been determined on a change of venue that a copy of the records of the proceedings had thereon, with the register of the evidence shall be returned to the removing Lodge and the judgment entered upon its records and that an appeal to the Grand Lodge in the case of a removed trial may be had as in other cases. The transcript of the records of Hedwig Rebekah Lodge does not show that the judgment or decision of Superior Rebekah Lodge was entered upon the records of Hedwig Rebekah Lodge, nor does it show that notice of appeal was entered upon its records.

In our judgment, until the findings of Superior Rebekah Lodge were duly entered upon the records of Hedwig Rebekah Lodge, no appeal will lie. Superior Rebekah Lodge lost all further jurisdiction in the case when it transmitted the records of its proceedings to Hedwig Rebekah Lodge.

It has been held that a Lodge in which charges were preferred can not appeal against the decision of a Lodge in which, by change of venue, the charges were tried. In case of change of venue from Lodge A to Lodge B, after trial and findings by B, all papers, etc., with notice of the findings are returned by B to A and the judgment of B becomes the judgment of A, and is entered on the record. A must inflict the penalty, if any fixed by B. The case is then, for the purposes of an appeal, as if no change of venue had ever been taken, and any member of Lodge A may appeal in the usual manner, Lodge A must send up the record to the Grand Lodge, according to law. See Merrill's Code, 1906, Sec. 455.

On account of the great expense the Lodge and the defendant have been put to in this case, and the intense feeling manifested by the members on each side, we have endeavored to discuss it in all of its phases, although somewhat at length, rather than to summarily remand or dismiss it on mere technicalities.

We are of the opinion that the decision of Superior Rebekah Lodge should stand.

It is therefore ordered that the decision of Superior Rebekah Lodge No. 18, finding Sister H. Fuchs not guilty of the charges preferred, be and the same is hereby affirmed, and that the appeal of

the three members of Hedwig Rebekah Lodge, be and the same is hereby dismissed.

CASE NO. 455.

Carlinville Lodge No. 107,
I. O. O. F.,
vs.
Fred Johnson.

} Before Committee on Judiciary
and Appeals, February Ses-
sion, 1915.

Opinion by Bro. Owen Scott, of No. 186.

In this case charges were preferred against Bro. Fred Johnson and on the representation of his attorney, the Lodge by vote dismissed the same. The ground urged was that charges were indefinite and uncertain and that the facts alleged did not constitute an offense under the laws of the Order. The vote stood 30 to dismiss and 22 against. From this action 17 members of the Lodge appeal.

Bro. Johnson was charged with keeping a place where intoxicating liquors were dispensed after the city of Carlinville voted out saloons, April 7, 1914. Bro. Johnson had conducted a saloon continuously up to the time the city was voted dry. He was in the business when the law prohibiting members of the Order from selling liquor was passed. He was, therefore, exempt from the provisions of the law up to the time Carlinville voted saloons out.

Bro. Johnson was charged with continuing the place where his saloon was conducted as "Johnson's Cold Storage." The sign on the window showed this. It is charged that liquors were kept for others and dispensed by Johnson. These intoxicants were consumed on the premises. Johnson, it is alleged, ordered and paid for liquors and that he served the habitues of the place much as he had done while in the saloon business. It was charged that this scandalized the Lodge and brought odium on the Order in Carlinville.

Another ground for appeal is that persons were allowed to vote who were disqualified by being in arrears for dues. No evidence is presented to establish this allegation.

The most serious contention of the appellant is that the "Johnson's Cold Storage" place was run in defiance of the law making Carlinville dry territory. It is urged that the place was a mere shift or device to evade the law.

In many places efforts have been made in dry territory to run clubs and store liquors to be served by the former saloon keepers to the so-called members. Each would pay the former saloon keeper a fee for serving each drink. The courts have held that this is a mere evasion of the law and that such clubs are illegal.

When saloons are voted out they cease and the man who was in business, when the Odd Fellow anti-liquor law was passed, loses his exemption when he again enters upon the sale of intoxicants.

The law of Odd Fellowship is higher than the civil law. When a man assumes the obligations of the Order he engages to be a good citizen and to uphold the law of the land. Any attempt to encourage violations and evasions is contrary to the principles of Odd Fellowship.

The charges and specifications in this case are ample to constitute serious offenses against the laws of the Order. The Lodge evidently erred in dismissing the charges. The case is, therefore, remanded with instructions to place the accused on trial under the charges as presented.

In the consideration and decision of the above case Bro. W. E. P. Anderson took no part. Bro. Henry Phillips was absent from the meeting of the committee.

CASE NO. 456.

Ashmore Lodge No. 792,

I. O. O. F.,

vs.

P. O. Carrico.

} Before Committee on Judiciary
and Appeals, February Ses-
sion, 1915.

Opinion by Bro. Henry A. Stone, of No. 122.

This is an appeal made by P. O. Carrico from the action and judgment of Ashmore Lodge No. 792, I. O. O. F., of Ashmore, Illinois, in expelling him from the Order for contempt, on October 30th, 1914.

This committee has carefully gone over the Lodge records bearing on this case, correspondence with the Grand Master, and others, and find very little but irregularity of procedure.

We do not pretend to go into the merits of the case except to say that the action of the Lodge in expulsion for contempt was irregular and not in harmony with the laws of the Order.

It is, therefore, ordered that the action of the Lodge expelling the appellant for contempt be set aside and that the appeal be and is hereby sustained, and the case remanded for trial according to the laws and rules of the Order.

OPINION.

Appeal sustained. Case remanded for trial.

CASE NO. 457.

| | | |
|------------------------------|---|---|
| Mill Shoals Lodge No. 835, | } | Before Committee on Judiciary and Appeals, May Session, 1915. |
| vs. | | |
| Ivy Morgan and J. T. Wilson. | | |

Opinion by Brother Owen Scott, of No. 186.

There appears very little excuse for such a case as this being brought before this tribunal. In fact, the record discloses so much of a spirit among these brethren, foreign to Odd Fellowship, that little hope can be entertained of ever being able to build up a lodge devoted to the principles of friendship, love and truth.

Two members were expelled by a vote of 8 to 3 for trivial and insignificant offenses, even if the acts complained of can be dignified by the word offenses. There was no charge but there were three specifications. These were as follows:

"Specification No. 1. For appropriating funds or property of the Lodge for the mere gratification of themselves and their individual friends for a supper on November 6, 1914."

"Specification No. 2. For using hall and cooking utensils without permission of the Lodge November 6, 1914."

"Specification No. 3. For raising bills for cleaning hall and wash-dishes from \$1.50 to \$2.00."

Even though the evidence clearly showed that all the specifications were proven to be true, it would be a pretty severe penalty for this to expel these two brothers. The evidence, however, does not justify even these vague and frivolous specifications. There was a party of ten members of the Lodge who had an oyster supper in the ante-room of the hall on November 6, 1914.

The contention under specifications 1 and 2 was that a gallon of oysters was taken from a lot purchased by the Lodge for some social event. The evidence nowhere makes it clear that the oysters were taken from those of the Lodge. The accused both positively deny the charge of theft in the specifications. It appears that ten members were present and partook of the supper. There were only eleven at the trial.

The evidence shows that one of the trustees was at the supper and the offense of "using the hall and cooking utensils without permission" as claimed in specification No. 2 was not proven. It may reasonably be inferred in the absence of evidence that permission was given. Even if it had not, the other members present were as guilty

as the two singled out as a target for some one's petty spite and malice.

Specification No. 3 is not sustained. The evidence on this point is this:

"Q. Did you pay Mrs. Robinson \$1.50 for cleaning dishes and the hall?"

"A. Yes."

"Q. Did you pay her any more than that amount?"

"A. No."

No effort was made to connect the two accused brothers with this transaction. There is not a syllable of evidence to show that anybody was guilty of "raising bills."

The whole case is so petty and shows so much factional strife over insignificant things that it seems ridiculous. Had there been any of the spirit of Odd Fellowship such a case would never have been begun.

In view of the foregoing it is hereby ordered that the appeal be sustained, the case dismissed and that Brothers Ivy Morgan and J. T. Wilson be restored to such standing in the Lodge as they had at the date of expulsion.

Art. IV, Sec. 1. The officers of the Grand Lodge of the State of Illinois shall be: Grand Master, Deputy Grand Master, Grand Warden, Grand Secretary, Grand Treasurer, Grand Chaplain, Grand Marshal, Grand Conductor, Grand Guardian and Grand Herald; the first five of whom shall be elected in the manner hereinafter described, and the others shall be appointed by the Grand Master.

Sec. 2. If any officer shall neglect or refuse to attend the Grand Lodge, his office may be declared vacant, and the same shall be filled by the officers and members present; provided, that should such absence be caused by sickness or disability, the officer may be excused by a majority of the members present.

Sec. 3. Should such vacancy occur, by resignation or otherwise, in any of the elective offices of the Grand Lodge, not otherwise provided for, the Grand Master, or, in his absence, the Deputy Grand Master, shall appoint a member of the Grand Lodge to fill such vacancy until the next regular session of the Grand Lodge, and he shall be entitled to all the honors and emoluments of the office, as though elected by the Grand Lodge.

Sec. 4. Nominations of candidates for Grand Officers may be made by any Past Grand transmitting the name of any Past Grand eligible for office, to the Grand Master, stating the office for which he is nominated, at any time prior to the 1st day of May. The Grand Master shall, immediately after the first day of May, transmit to each Past Grand nominated, a notice of his nomination, requesting his acceptance or declination of the same; and, if he accepts, he shall furnish the Grand Master with the notice of his acceptance, and a certificate of good standing in his Subordinate Lodge; failing to do so the Grand Master shall not place his name on the ticket. On the first day of June the Grand Master shall transmit to the Grand Secretary the names of all Past Grands who have accepted nominations; and the Grand Secretary shall, before July 1st, transmit to the several Lodges, together with suitable election blanks, the names of all of the nominees who have accepted the nominations, and the location of the respective Lodges in which they hold membership, stating the several offices for which they were nominated; provided, that no Past Grand can accept the nomination or be a candidate for more than one office at the same time.

Sec. 5. At the last regular meeting of each Subordinate Lodge in the month of July, the Past Grands in good standing of such Lodge

shall be entitled to vote by ballot for Grand Officers. The tellers shall be furnished by the Secretary with a list of all the Past Grands of the Lodge who are not more than thirteen weeks in arrears for dues, and no Past Grand shall be permitted to vote whose name does not appear in said list; provided, if any Past Grand whose name has been omitted shall pay his dues so as to make him less than thirteen weeks in arrears for dues at the time, he shall be allowed, on presenting a receipt to that effect, to have his name added to said list and to cast his vote. Immediately after the reading of the minutes the Noble Grand shall appoint two tellers from among the members of the Lodge, and thereupon declare the ballot open, and the same shall remain open until the order of business "Good of the Order" shall have been reached, when the ballot shall be declared closed; whereupon the tellers, assisted by the Secretary, and under the supervision of the Noble Grand, shall count the votes in open Lodge and announce the result, and a record thereof shall be entered upon the minutes. The Noble Grand, Secretary and tellers shall, on the same evening, make an abstract in triplicate of the votes cast for each candidate, attach their signature and the seal of the Lodge to same, and immediately transmit one copy of said abstract to the Grand Master, and one copy to the Grand Secretary and the Grand Secretary shall retain these abstracts unopened until after the last day upon which abstracts may be sent in, or August 1st. The Secretary of the Lodge shall retain the remaining copy thereof in said Lodge, and deliver the same to the Representative of the Grand Lodge, who will deliver it to the Committee on Returns at the next session of that body. The Grand Secretary shall, at the following session of the Grand Lodge, deliver the said abstracts received by him, to the Committee on Returns for comparison with the report of the Grand Master.

Sec. 6. The Grand Master shall, on the second Tuesday in August, call to his assistance three disinterested Past Grands, residents of the city in which the Grand Master resides, and proceed to open and count the votes for Grand Officers. If any of the returns shall be irregular, or want any of the requisites prescribed in Section 5, the Grand Master shall immediately transmit said irregular returns to the lodge or lodges making said irregular returns, and call attention to the irregularities, and request the corrections of the same. After having canvassed all correct returns, and transmitted (if there be any) said irregular returns as above described, said board of canvassers shall adjourn to a future date, not less than fifteen nor more than thirty days, when they shall meet and complete the canvass. The Past Grands having the highest number of votes shall be declared duly elected to the offices for which they were respectively nominated. In the event of a tie vote, the candidate receiving the votes of the largest number of Subordinate Lodges shall be declared elected. In

the event of death, removal or declination of the candidate otherwise to be declared elected, the candidate receiving the next highest number of votes shall be declared elected. The Grand Master shall, immediately after the vote has been canvassed, certify the results of the count to the Grand Secretary, who shall notify the candidates of their election.

Sec. 7. The returns from the several lodges, together with the tally sheet, properly asserted to by the Grand Master and his assistants, shall be sealed up and returned to the Grand Lodge at the commencement of its next session, for revision and the correction of errors, if any be found therein. Such returns, together with duplicate returns held by the Grand Secretary, shall be referred to the Committee on Returns who shall carefully examine the same, and report to the Grand Lodge.

Sec. 8. Representatives to the Sovereign Grand Lodge from this Grand Lodge shall be nominated and elected in the same manner as is provided for the election of officers to this Grand Lodge. At the election of officers in the month of July, of odd-numbered years, there shall be elected one Grand Representative to serve for a term of one year, and, at the election of officers in the month of July, in the even-numbered years, there shall be elected two Grand Representatives, one to serve for a term of one year, and one to serve for a term of two years. In making nominations for such officers to be voted for in even-numbered years, the Past Grand making the nomination shall state for which term the Brother is nominated, and the election blanks furnished by the Grand Secretary shall designate one class of candidates as "Grand Representative for one year," and the other class of candidates as "Grand Representative for two years," provided that in case a Past Grand shall be nominated for both the one year and the two year terms, he may not be a candidate in both classes, but he must state in his acceptance the term for which his acceptance is filed.

Sec. 9. It is further resolved, that no candidate for any of the above offices shall be permitted to send any letters, photographs or literature to, or be permitted to visit lodges advocating their election, or permit it to be done by others. Should any candidate violate this resolution, and in the event of having received the highest number of votes, and upon proper proof brought before the returning board, the returning board shall declare him not legally elected, and he shall not be installed into the office for which he was a candidate, but the candidate having received the next highest number of votes, if he shall be free from any of the above charges, shall be declared elected, and installed into the respective office.

First. That each child shall be received into said Institution in accordance with the rules and regulations laid down by the Board of Directors, who have been duly appointed by the Grand Masters, and their appointment approved by the Grand Lodge of the State of Illinois.

Second. That each child shall be kept in said Institution for the term of one year and not longer than three years, and at the end of said term of years, the Superintendent, by and with the advice and consent of the Board of Directors of said Institution, shall find a home for said child or children given into their care.

Third. That when any child has been placed by the said Superintendent, by and with the consent of the said Board of Directors, it shall be the duty of the Superintendent of said Institution to visit said child twice each year, or said Superintendent may by and with the advice of the Board of Directors, select the Matron of said Institution to visit said child or children and that the person in whose home the child shall have been placed, shall report to the Superintendent of said Institution monthly concerning the health and general condition and progress of said child, which report shall be submitted to the Board of Directors at the regular or special meeting, and a record kept of the same.

Fourth. That the said Board of Directors shall have full power to direct the Superintendent when any child has been mistreated, who has been admitted into the Institution, or who has been thrown upon the charity of the world, to take said child back into the Institution and to care for it until another home has been secured for said child or children.

Fifth. It shall be the duty of the Board of Directors to see that each and every child so placed in a home by them, shall receive a liberal education as well as being properly cared for during its stay with the person with whom it has been placed.

Sixth. That at the expiration of the term for which said child has been placed, namely, 18 years for girls and 21 years for boys, the person to whom said child has been given and in whose home it has been placed, shall, when said girl arrives at the age of 18, pay to her the sum of \$150.00 and to each boy who has been placed in the home of said person by said Board of Directors shall pay to said boy the sum of \$150.00.

Seventh. That a record shall be kept showing the name, age, and full description of said child; also the name of the person with whom said child is given, and a general history of the character and ability of the individual in whose home the said child has been placed.

Eighth. That, whenever said Board of Directors find a person who is willing, able and capable to take care of the child in said Institution and adopt the same, under the statutes of the State of Illinois, the said Board of Directors shall have full power to take a release from the parents or parent of said children, or the guardian of said children, either by order of the court or otherwise, providing the same is legal, and that it shall be the duty of said Board of Directors to see that whenever said child or children are adopted into a family every proper legal step be taken for the purpose of the protection of said child.

PRELIMINARY.

The attending Grand Officers, Past Grand Sires, Grand Representatives, many accompanied by their wives, prominent Rebekahs and Chevaliers, the latter in full dress uniform, were privileged to listen to a most excellent sermon by the resident pastor, Rev. Josiah Sibley, at Calvary Presbyterian church on Sunday morning, September 19.

The discourse was based upon the divine covenant between Jonathan and David and was from the theme, "For this cause came I to work." Rev. J. A. Lucas, of Illinois, Chaplain of the Sovereign Grand Lodge, assisted in the service.

Among those observed from Illinois were Grand Secretary John H. Sikes and wife, Past Grand Sire E. S. Conway and wife, Grand Representative Warren C. Darnall, wife and daughter, Grand Representative Henry A. Stone and wife, Grand Representative Andrew J. Mourer and wife, Grand Representative George B. Roller and wife, Department Commander Joseph Fairhall and members of his staff, Past President May C. Keiser, and Past President and present Secretary Mae E. Crowell.

CALIFORNIA'S WELCOME.

The official welcoming exercises were conducted in the "Lodge room" of the Scottish Rite Temple according to program, with James W. Harris, Chairman of the Executive Committee, presiding, and were exceedingly cordial and impressive. The response by Acting Grand Sire J. B. A. Robertson, was delivered in his usual happy vein and with becoming dignity.

A PASSING TRIBUTE.

The new San Francisco, with its more than half a million residents, rising from the ashes of its heartrending calamity of only eight years ago, presents to the astonished consideration of the traveler an example of true American confidence, pluck and perseverance unequalled in the annals of history. Standing on the shores of the Sunset Sea, typical of life's age in its sweet and tranquil maturity, this young, vigorous and robust child of destiny with its heterogeneous family gathered from the four winds of earth, presents a striking contrast to the poetical significance of its location and promises one day to become in fact, as it is now in name, the Golden Gateway between the Occident and Orient, and the world's greatest emporium of travel and trade.

THE COMMUNICATION.

Immediately following the reception the Sovereign Grand Lodge went into regular session at 10:00 a. m. with the following officers in their respective stations and places:

OFFICIAL ANNOUNCEMENT.

The Acting Grand Sire announced the death of our beloved Grand Sire Robert T. Daniel, of Georgia.

APPOINTMENT OF OFFICERS PRO TEM.

Following the appointment of Grand Representative Phelps, of California, as Deputy Grand Sire, pro tem., Ben F. Lafayette, P.G.R., of Oklahoma, Grand Marshal, pro tem., and E. E. Sharon, P.G.R., and

Grand Secretary, of Oregon, as Grand Guardian, pro tem., the Deputy Grand Sire and Grand Marshal examined the Grand Representatives and declared them duly qualified.

OPENING PRAYER.

Rev. J. A. Lucas, of Illinois, Grand Chaplain, addressed the Throne of Grace in these words:

"Our Father in Heaven, we thank Thee for all the blessings of the past and implore Thee to vouchsafe to us the joys of a happy future.

The past year has brought to us much of pleasure on account of our success and great prosperity, but with the joys have come great sorrows.

Our beloved Grand Sire, Brother Daniel, has gone to his reward. How we miss his kindly hand clasp, his genial smile, his eloquent words, his wise counsel, his gracious and manly presence. God bless Sister Daniel in her sorrow. God bless the memory of our dear departed Grand Treasurer, Brother Muckle, whose presence was ever a benediction to all of us. Bless his dear ones.

Then, too, dear Lord, remember our Acting Grand Sire in the loss of his dear mother. Give to our Grand Secretary, Brother Goodwin, Thy richest blessing and help in the loss of his good wife.

Some of our Grand Representatives have passed away during the year. Grant to pour out in rich abundance the soothing panacea that can come only from Thy love and sympathy.

Bless all the sorrowing ones who mourn the loss of brothers and sisters throughout the world.

Our Heavenly Father, we are devoutly thankful that the United States is at peace with all the world. May the time speedily come when we shall have peace throughout the world.

Bless the brothers of our Order who are on the battle field. Bless our loved ones at home. Preserve and protect them during our absence.

Let Thy presence be manifested in our Orphans' and Old Folks' Homes.

May the spirit of loyalty prevail in this session of the Sovereign Grand Lodge under the benign influence of Friendship, Love and Truth.

Preserve our lives and permit us to return to our homes where we shall again be permitted to take up our duties as fathers and sons.

These favors we ask in Thy name. Amen."

SEATING OF NEW REPRESENTATIVES.

The Committee on Credentials having made due examination reported favorably on the admission of Grand Representatives to seats in the Sovereign Body from fifty-six Grand Lodges and fifty-five Grand Encampments, including your two Representatives and Brother A. J. Mourer from the Encampment Branch, Bro. Geo. B. Roller being the only hold-over Representative from this jurisdiction.

ELECTIONS AND APPOINTMENTS.

The death of our lamented Grand Sire, Robert T. Daniel, created a vacancy in the office of Grand Sire and, after negatively disposing of a motion to adjourn until 1:30 p. m., the Sovereign Grand Lodge on motion proceeded to fill the vacant chairs, Past Grand Sire Pinkerton presiding.

Deputy Grand Sire J. B. A. Robertson, of Oklahoma, was declared unanimously elected Grand Sire for the ensuing year.

Seven names were presented for consideration in the choice of Deputy Grand Sire, three being afterwards withdrawn by consent of the Sovereign Grand Lodge.

The election resulted in the choice of Representative Frank C. Goudy, of Colorado, who received 128 votes out of a total of 202 votes cast on first ballot.

The formal installation of these officers followed, after which the Grand Sire announced the following appointments which were duly confirmed:

Official Reporter—A. E. Gipson, P.G.M., P.G.Rep., of Idaho.

Assistant Grand Messenger—Frank E. Rapp, P.G.M., P.G.Rep., Dist. of Columbia.

Assistant Grand Guardians—R. H. Ketcheson, P.G.Rep., of Ontario; Geo. A. Ellsperman, P.G.M., P.G.Rep., of Washington, and C. H. Burden, P.G.M., P.G.Rep., of California.

The Grand Secretary announced the following appointments, which were likewise duly confirmed:

Journal Clerk—Louis F. Hart, G. Sec., P.G.Rep., of Washington.

Mailing Clerk—Richard Hoe, G. Sec., P.G.Rep., of Wisconsin.

Reading Clerk—Peter A. Simpkin, G. Sec., P.G.Rep., of Utah.

ILLINOIS ASSIGNMENTS.

In the appointment of Standing Committees the Representatives from Illinois were assigned as follows:

Darnall to Committee on Finance.

Stone to Committee on Appeals.

Mourer to Committee on Returns.

Roller to Committee on Miscellaneous Business.

THE FRATERNAL PRESS.

Fifteen fraternity newspapers and magazines applied for seats for their representatives at the table prepared for the fraternal press. These requests were all granted and judging from the zeal and energy manifested by this splendid bunch of live wires the brethren will receive most interesting accounts of the proceedings through the columns of these several publications. The Odd Fellows Herald, of Springfield, Illinois, was represented by Henry A. Stone and the Three Links Bulletin, of Chicago, by Henry A. Moberg.

REPORTS.

Among the several reports of officers and committees submitted at this time were the annual reports of the Acting Grand Sire, Grand Secretary, Adjutant General and Grand Treasurer, all of which had been published and placed in the hands of the Representatives for their consideration before leaving their homes. The Sub-Committee on Finance also presented an auditing report. Extracts from these reports will be treated separately under the captions "Statistics," "Decisions," and "State of the Order."

The Committee on Appeals reported disposition of two interesting cases, one coming up from the jurisdiction of West Virginia and the other from Manila Lodge No. 1, of Manila, Philippine Islands. In both cases the actions of the lower Lodges were reversed, the West Virginia case on error, and the Manila case on statement of facts.

The Special Committee on Codification of the Laws presented its report and with it handed to each Representative a copy of the Code which is the result of long and painstaking labor on the part of the committee. Further reference will be made to this Code under the caption "Legislation."

COMPENSATION.

The compensation for Grand Representatives, Grand Officers and Past Grand Sires was fixed at the usual amount of \$5.00 per day for six days and ten cents per mile for one way.

CENTENNIAL EXERCISES.

The Representatives from Maryland renewed their petition for the Sovereign Grand Lodge to hold the centennial exercises of the Order in the city of Baltimore, the birthplace of American Odd Fellowship, in 1919.

SPECIAL ORDER.

After the disposition of numerous committee reports and making the hour of 10.00 a. m., Tuesday, a special order for the selection of a place of meeting for the 1916 session, the Sovereign Grand Lodge, on motion of Past Grand Sire Cockrum, adjourned for the day out of respect to the memory of our beloved Grand Sire and venerable Grand Treasurer.

SOME GENERAL IMPRESSIONS AND OBSERVATIONS.

It will be observed that we have reported the labors of the first day somewhat more fully than usual in order that those of the brethren who have never been privileged to attend a session of the Sovereign Grand Lodge may have a clear conception of its organization and method of procedure.

The routine work is performed very much as it is in our own Grand Lodge, but with an atmosphere of dignity and courtesy that is in marked contrast to the informality that is usually manifested and of necessity is inseparable from the conduct of business when transacted by large representative bodies. Long and impassioned debate is rarely attempted and usually ends in disaster to the cause espoused. Such tactics seem to be discouraged by common consent and we are told that such a thing as stampeding the Sovereign Grand Lodge is about as rare as the proverbial "frost in dog days." Practically all of the real work is done in committee and it is extremely difficult to reverse the action of a standing committee on the floor. After the organization and assignments are once completed the Sovereign Grand Lodge settles down into the old familiar grind of Reports of Committees, punctuated here and there with some special privilege.

OUR GRAND SIRE.

Grand Sire Robertson represents a splendid type of American citizenship. His appearance is talented and distinguished, yet withal his kindly greeting and hearty grasp of the hand invites the confidence and wins the admiration of all who are so fortunate as to come in personal contact with him.

As a presiding officer he has demonstrated marked ability. His decisions were prompt and positive and the quick sharp rap of his gavel gained and held the respect and approval of those over whom he had been called to preside, not only relieving the monotony of the proceedings, but vastly increasing the volume of work actually accomplished.

STATE OF THE ORDER.

Odd Fellowship is not yet sufficiently free from its entangling alliance with finance to escape entirely the vagaries of the world's commercialism, and thus it happens that the financial depression that has clouded the commercial atmosphere for the past two years has been keenly felt in the work of the Order.

The nobler aspirations of the human heart should be cultivated as zealously in the shadow of adversity as in the golden sunlight of fortunate achievement.

Nature deals as kindly with the lily as with the rose and yet when troublous times hoists a danger signal the eternal laws of self-preservation and the survival of the fittest are unfortunately most plainly manifested in human experience.

However, we may congratulate ourselves and the Order on the substantial progress of the past year, even though we have not accomplished all that could have been desired.

From the report of Grand Sire Robinson we copy the following:

"Notwithstanding the general depression in the business world, and the untoward conditions that confront our brethren overseas, the Order, taken as a whole, is in a fairly prosperous condition. In North America, with very few minor exceptions, peace and harmony prevail and later reports show a substantial gain in membership, while our finances are in good condition. The so-called "club" or class membership fallacy has had its day and while the reaction, which such unnatural efforts to secure members always brings, has been marked in some jurisdictions, and the evil effects of which will be felt for years to come, yet the lessons taught thereby will be of value to us in future years. One of these lessons, patent to all observers, is that Odd Fellows cannot be made simply by taking men's money and conferring the degrees upon them. Quality in Odd Fellowship, as in most other things, is more valuable than mere numbers. Let it be generally understood, anew, that Odd Fellowship seeks to improve and elevate the character of men and that too much care cannot be taken to improve and preserve the high standard of our membership, and this happy condition can best be brought about and maintained by a zealous watchfulness in our subordinate bodies."

LEGISLATION.

The 1915 session of the Sovereign Grand Lodge will hold a distinguished place in the history of the Order because of the adoption of the proposed revised Constitution and the new Code of Laws.

It will be remembered that at the session of 1914 a revised Constitution was submitted and laid over under the rules. A copy of this Constitution was included in the report of the Illinois Representatives and printed in the 1914 Journal of this Grand Lodge on pages 289 to 299, inclusive.

The question recurring upon the adoption of the revised Constitution, the vote was taken and resulted as follows: 205 yeas, 2 nays and 1 absent. Illinois Representatives voted solidly with the majority. More than the constitutional three-fourths of the Grand Representatives having voted therefor, the proposed Constitution was declared adopted and is now the Constitution of the Sovereign Grand Lodge.

THE CODE.

During the 1910 session of the Sovereign Grand Lodge Representative Reinhart, of Florida, introduced the following resolution, which was adopted:

"Resolved, that the incoming Grand Sire be authorized to appoint a committee of three to revise and codify the General Laws of the Order and report at the next session of this Grand Lodge."

At the following session the committee reported to the effect that the work had been found more difficult than anticipated and requested more time. At each succeeding session progress was reported.

At last it was finished and an advance copy consisting of 496 closely printed pages was placed on the desk of each Representative, a work that will stand as a monument to the ability and perseverance of the committee, and it was the unanimous sentiment that those five years had been well and properly spent.

The report of the committee was referred to a special committee consisting of sixteen Representatives and the Past Grand Sires present, whose duty it was to take the report "under advisement, receive suggestions from all members desiring to be heard, and report their findings relative thereto."

After an exhaustive consideration of the subject matter of the report resulting in some minor corrections and substitutions, the whole matter was referred back to the Sovereign Grand Lodge with the recommendation that the Code as corrected should be adopted and stand as the supreme law of the Order, all laws and parts of laws in conflict therewith being repealed.

In submitting its report the Examining Committee said in part:

"We cannot conclude our report without adding a word in reference to the committee that has given such faithful and efficient service. A careful study of the plan of the work will make apparent its great value to the Order and reveal the enormous amount of labor, as well

as the high order of ability required to produce it. This Code will constitute in the records of our Order an enduring testimonial to the ability and self-sacrificing loyalty to our Order of the Brothers composing this committee, so long as the Order exists. It is a work performed, not only pursuant to a duty imposed by the Sovereign Grand Lodge, but pursuant to their high conception of service to and love for our fraternity." * * * "A better committee in point of ability for the service, and in point of high character, and noble, unselfish manhood, would be difficult to name." * * * "We congratulate the Sovereign Grand Lodge that at last our Order may be able to work under a Code wherein all our laws may be conveniently found and a Code that is so complete and reliable."

After some further discussion the report was adopted as presented.

We take this opportunity to advise the brethren that a copy of this Code should be in every Lodge. It is the clearing house of all past legislation of the Sovereign Grand Lodge and a convenient and reliable reference on the laws of Odd Fellowship. The work may be procured through the office of the Grand Secretary as rapidly as printed and ready for distribution.

AMENDMENTS BARRED.

The adoption of the new Constitution, as a whole, summarily disposed of all proposed amendments, the Grand Sire ruling that such amendments referred to the old Constitution and not to the one now in effect; thus with one swing of the gavel all hope of reducing the age limit from twenty-one to eighteen years and many other favorite bones of contention went into the waste basket so far as this session was concerned.

It must be observed, however, that, notwithstanding the remarkable unanimity with which the new Constitution was adopted, it had scarcely become Lodge law when some good brethren were anxious to pick it to pieces and amendments were being introduced which will come up for action next year.

RETRENCHMENT.

As the result of a determined effort on the part of the Finance Committee, the Sovereign Grand Lodge is at last on record in the matter of retrenchment.

This matter has been the subject of particular concern to the Finance Committee and the Grand Treasurer for a number of years, and has attracted considerable attention. It has been mentioned at various times on the floor of this Grand Lodge as well as elsewhere.

Retrenchment became the favorite theme for discussion, but the discussion had no definite point of beginning and as the wag would have it "ended in the same place."

After an earnest consideration of the whole situation in the committee, Representative Darnall moved that a sub-committee of three be appointed to formulate a memorial to be submitted to the Sovereign Grand Lodge with certain recommendations which had just been suggested, in order that the committee might be guided and supported in a radical change of procedure, calculated to safeguard the finances of the Sovereign Grand Body.

The motion prevailed unanimously and a sub-committee, consisting of Darnall, as chairman, associated with Representatives Emmons, of Texas, and Sargent, of Massachusetts, was so appointed.

Much to the surprise and gratification of the Finance Committee, the paper, when laid before the Sovereign Grand Lodge, touched the popular chord and the applause which greeted the reading was so pronounced that the expected objection failed to materialize, the report being adopted without a dissenting vote.

The report was couched in the following words:

"To the Sovereign Grand Lodge of the Independent Order of Odd Fellows:

Your Committee on Finance deem it their duty to call the special attention of this Sovereign Grand Lodge to the present condition of its treasury as shown in the reports of the sub-committee of this committee, on pages 28 and 29 of the Daily Journal of this session, and to make certain recommendations which, in the present emergency, they deem imperative and proper.

According to the report just mentioned, there was in the treasury a cash balance on July 31, 1915, in the amount of \$69,125.35. When the bills of the present session are all paid, we regret to advise, this balance will be almost if not entirely wiped out.

During the fiscal year ending July 31, 1915, the expenditures of this Sovereign Grand Lodge exceeded the total receipts by \$6,292.68, and if to this be added the sum of \$5,700.00 received from interest on the permanently invested funds of the Sovereign Grand Lodge, it will be observed that the expenditures actually exceeded the income to the extent of \$11,992.68.

A continuation of the same financial policy during the current fiscal year can only produce the same general results, and, with the extraordinary expenses of the present session added, will undoubtedly show the appalling deficit of approximately \$40,000.00 for the year ending July 31, 1916.

It therefore becomes clearly apparent that a radical change in the financial policy of this Sovereign Grand Lodge is imperative in order

to maintain a working balance in the treasury and preserve our permanent securities. Your committee would, therefore, respectfully submit the following recommendations and earnestly request your approval of the same.

First—That for several years and at least until the normal condition of the treasury is restored, the locations for the annual sessions of this Sovereign Grand Body should be fixed with a view of reducing the necessary expenses thereof to the lowest consistent amount.

Second—That, in future sessions of the Sovereign Grand Lodge, salaried officers and employees should be reimbursed for their actual reasonable expenses only, and not be allowed fixed mileage as heretofore.

Third—That, in future sessions of this Sovereign Grand Lodge, no bills for automobiles, decorations, or such other expenses be paid unless contracts for the same shall have been submitted to and approved by the Finance Committee or its chairman prior to the opening of said session.

Fourth—That in future sessions of this Sovereign Grand Lodge, so far as possible, preference should be given to local men in the employment of clerks, messengers and doorkeepers, and that the number of such employees be limited to the smallest number consistent with actual needs and good service.

Fifth—That all the officers and committees of this Sovereign Grand Lodge be requested to exercise the most rigid economy consistent with competent service, in the disbursement of funds appropriated for their use.

Finally, the Committee on Finance deem it but just to themselves to explain that a number of items in the budget submitted by them were included under protest and were only allowed for the reason that the bills were contracted in good faith by parties who were following the beaten path of custom in this Sovereign Grand Body, and your committee considered it a matter of honor that such bills be allowed, with a distinct understanding that a radical change of policy shall govern in the future.

Signed by the Committee."

BOUND VOLUMES FOR THE DANVILLE BRETHREN.

"Rep. Stone, of Illinois, moved the following, which was referred to the Committee on Finance:

"Whereas, The Odd Fellows of Danville, State of Illinois, on February 17, 1915, suffered a great and almost irreparable loss by the destruction of their building by fire, in which all the possessions belonging to Danville Lodge No. 69, Feurbach Lodge No. 499, Marsh En-

campment No. 46, Mercy Rebekah Lodge No. 72, and Canton Danville No. 11 were utterly destroyed, thereby losing all furniture, paraphernalia, Lodge records and valuable library containing proceedings of the Sovereign Grand Lodge and Grand Lodge of Illinois; and,

Whereas, The members of Danville are striving to replace their former conditions as nearly as possible; therefore, be it

Resolved, That this Sovereign Grand Body render the assistance in their power by donating a set of bound volumes of the Sovereign Grand Lodge Proceedings to replace those consumed."

The Finance Committee reported favorably on the proposition and the report was finally adopted. The request of the Danville Lodges will be granted, although the proposition met with spirited opposition on the floor of the Sovereign Grand Lodge.

THE PARADE.

Any report of the proceedings of the 1915 session of the Sovereign Grand Lodge would be sadly incomplete without some particular reference to the mammoth parade on Wednesday and the special features provided by the management of the Panama-Pacific Exposition for the entertainment of the brethren.

The San Francisco papers claim that more than 20,000 Odd Fellows and Rebekahs participated in the parade, which extended farther than the entire length of that popular thoroughfare, Van Ness avenue, the advance guard having entered the exposition grounds long before the last division had passed out of Market street.

The extra aviation flights and emblematic fireworks, followed by the presentation of the commemorative bronze medal to the Grand Sire, were among the special features introduced and thoroughly enjoyed.

NEXT PLACE OF MEETING.

Reps. David and Collins, of Tennessee, extended an invitation to hold the next session at Chattanooga.

Rep. Black, of Oklahoma, invited the Sovereign Grand Lodge to hold its next session at Tulsa, Oklahoma.

Chattanooga was chosen by a vote of 132 to 66 and will be the next place of meeting.

LODGE LAW AND DECISIONS.

Section 412, of the new Code, contains the following clause, "Nor shall any Grand or Subordinate Body, or member of the Order, issue any electioneering letters or circulars."

Warren C. Darnall

Grand Representative,
McLean.

Your Representatives sincerely hope that this law will be enforced.

Section 509, of the new Code, provides: "Grand Lodges and Grand Encampments shall have the power to provide by law that applicants who shall be over fifty years of age, may be received into membership as non-beneficial members by initiation."

DECISION OF THE GRAND SIRE APPROVED.

Statement—A withdrawal card was issued from a Subordinate Lodge of the jurisdiction of Illinois, in October, 1914, to a member 62 years of age. The Brother to whom the withdrawal card was granted applies for membership to a Subordinate Lodge in the jurisdiction of Arkansas, in which jurisdiction he is now a resident. The Lodge in Arkansas refused to consider the application for the reason that said Lodge has a By-Law of age limitation, limiting all applications for membership to over sixty years.

Question 1—Is such a By-Law, even if approved by the Grand Lodge of any jurisdiction, constitutional?

Answer—No.

Question 2—Does not the Sovereign Grand Lodge Constitution prohibit an old age limit, if otherwise qualified?

Answer—The Sovereign Grand Lodge alone has the power to fix the qualifications of membership in the Order, and old age limitation is not one of the qualifications.

By Reps. Sheerin and Schreiner, of Wisconsin, on the 18 year question. (Daily Journal, page 52.)

FREAKS.

As usual several extraordinary propositions were presented for consideration and failed. A persistent attempt was made to induce the Sovereign Grand Lodge to include fire insurance in the category of its activities. It is unfortunate that nothing short of hanging can convince some very good people that this is not a commercial organiza-

tion for pecuniary profit, either individually or collectively, and that it has to do with the character of its votaries rather than with their pocketbooks.

It is needless to report that scant consideration was accorded this proposition in the committee and even less on the floor.

CONCLUSION.

Your Representatives are deeply mindful of their obligation to this Grand Body for all honors bestowed upon them. The Sovereign Grand Lodge was indeed very gracious in the distribution of its favors when Illinois was reached. Representative Stone is justly proud of his position on the Committee on Appeals, this committee being second only to the Sovereign Grand Lodge in judicial authority.

The Committee on Finance in the Sovereign Grand Lodge, as it is in this Grand Lodge, is the balance wheel of the activities of the Order, and is in many respects the most important committee in the entire list. Being desirous of broadening to the limit our field of labor, it naturally devolves upon this committee to safeguard and in a way superintend the distribution of the funds so that every angle may receive due consideration. Being a new member Representative Darnall was fortunate in being placed on this committee.

For all of these and many other marks of consideration received, your Representatives are very grateful and shall ever deem it a pleasure and a privilege to faithfully and conscientiously perform any service in our power for the brethren or the Order that we may in a small measure at least manifest our heartfelt appreciation.

Fraternally submitted,

Harriet C. Darnall
Henry A. Stone.

Fourth report by Bro. G. F. Koester of No. 601.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Finance would respectfully report as follows:

We made our annual visit to the Old Folks' Home on Thursday, October 21, 1915, for the purpose of auditing the accounts and inspecting the Home.

The hospital building is now completed—fulfilling a long felt want—and same is a great comfort to the old folks, who, owing to their condition, are obliged to reside therein.

The Home is in good physical condition outside of some repairs necessary in old building, such as plastering, which must be replaced, roof repaired, and new floor and change in the kitchen arrangement.

We remained over to the evening's entertainment at the chapel—a moving picture show—which we were informed is a weekly occurrence at the Home. It certainly was a great satisfaction to us to see the pleasure that the old people derived from this entertainment.

There were admitted during the year, 37; withdrawn, 1; asylum, 1; loss by death, 17; leaving a membership at present of 158. Forty-two Sisters and 116 Brothers.

We have examined the books and vouchers and find the receipts and disbursements as follows:

Decatur, Ill., November 3, 1915.

I submit the following amendment to Section 1034, Article II, Subordinate Lodge Constitution, so that when amended it shall read as follows:

When the report of the Investigating Committee has been submitted to the Lodge, the ballot shall be held as required by law, after which the box shall be passed by the Warden to the Vice Grand, who shall examine the ballot and inform the Noble Grand whether the ballot is favorable or unfavorable. The Warden shall then pass the box to the Noble Grand, who shall inspect the ballot and announce the result. After the Noble Grand has declared the candidate elected or rejected, as the case may be, he shall instruct the Warden to again replace the ballot on the altar, and shall rise and ask, "Does any brother wish to inspect the ballot?" After the brothers have been given an opportunity to inspect the ballot they shall resume their seats and shall not discuss the contents of the ballot. It is understood that no member can handle the ballot, as the ballot box is directly under the supervision of the Warden. If not more than two black balls appear, the candidate shall be elected; but if three or more appear, he shall be rejected. A favorable ballot shall entitle the applicant to receive any degree or degrees of the Subordinate Lodge not previously attained, without further ballot, unless written objection by at least two members of the Lodge shall be filed with the Noble Grand prior to the conferring of the same; in which case the Noble Grand shall announce the fact to the Lodge, together with the reasons so given; whereupon the brother against whom such objection shall have been made, after having received due notice of such objection and the reasons given, shall, if he so desires, have a hearing upon such objection, and receiving such notice of said objection and reasons, notify his Lodge in writing of his wish to have such hearing; which hearing shall be had upon such objections and reasons in the same manner, and with like effect, as is by law provided for the trial of an accused brother. And if the majority of the members of said Lodge present at such hearing shall, by vote by ballot, determine that the Brother is entitled to receive any degree or degrees of the Subordinate Lodge, then such degree or degrees shall be conferred upon the brother.

MEDICAL EXAMINATION OF CANDIDATES.

I have found that much of the correspondence coming from Subordinate Lodges related to sick benefits are from Lodges mostly who do not require a medical examination from candidates, and that our law at present makes it optional with a Subordinate Lodge as to whether such examination is required. It is my opinion that a large amount of money that is now paid for sick benefits could be avoided, and I

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Peoria, Ill., November 16, 1915.

Dear Brothers—I respectfully submit the following proposed amendment to the Grand Lodge Constitution, to be considered in full accordance with the existing laws which govern such amendments.

The section which it is proposed to amend now reads:

326. Election—Sec. 20 (Merrills' Code, 1906)—All elective Grand Officers shall be chosen separately by a majority of the valid votes cast by the duly accredited Representatives of this Grand Lodge. When there are but two candidates for the same office, in the event of a tie for two successive ballots, the election shall be decided by lot. When there are more than two candidates in nomination, and neither received a majority of votes cast at a balloting, the one receiving the fewest number of votes shall, after the result of the ballot has been announced, be, by the Chair, declared dropped from the nomination, and the balloting shall proceed.

It is now resolved by this Grand Lodge that the section above referred to shall be amended to read as follows:

Article IV, Section 20. All elective Grand Officers shall be chosen separately by a majority of the valid votes cast by the duly accredited members of this Grand Lodge. When there are but two candidates for the same office, in the event of a tie for two separate ballotings, the election shall be decided by lot. When there are more than two candidates in nomination, and neither receives a majority of the votes

at a balloting, the one receiving the fewest number of votes shall, after the result of the ballot has been announced, be, by the Chair, declared dropped from the nomination, and the balloting shall proceed.

DOCUMENT NO. 35.

To the Officers and Members of the Grand Lodge of the Grand Jurisdiction of Illinois, I. O. O. F.:

At the last session of the Grand Lodge of Illinois a resolution was introduced, being Document No. 90, found on page 391 of the Grand Lodge Proceedings of the Grand Jurisdiction of Illinois, presented to the Grand Lodge on Wednesday, November 18, 1914.

From examination of said resolution, being known as Document No. 90, it was never referred to the Judiciary Committee nor to the Committee on Legislation. As this reference was an oversight, and as the matters contained therein are of great importance to the Orphans' Home at Lincoln, Ill., and as all matters therein should be given careful, sincere and timely consideration, therefore, I move that the said resolution, Document No. 90, found on page 391, be referred to the Committee on Legislation and that they be directed, as shown in said resolution, to prepare legislation in accordance with the provisions as set out in said resolution, and that the resolution be so amended that where the figures occur, namely 1915, that they be changed to 1916; and that where the figures occur 1916, that they be changed to 1917, so that the Committee on Legislation shall have a year in which to prepare and present to this Grand Lodge in the year 1916 an enactment setting forth clearly and legally the propositions as set forth in said document.

JOHN J. BROWN, P.G.M.

Which, on motion, was adopted.

DOCUMENT NO. 36.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

The petition of Milmine Lodge, No. 276, respectfully represents that Brother Hugh B. Gaston was a member in good standing of this Lodge on the 7th day of December, A. D. 1911, and at that time was on the sick list and believed himself to be entitled to benefits amounting on that date to the sum of \$90.00; that at a meeting of said Lodge on said date, during the absence of Brother Hugh B. Gaston, said Lodge, at the request of one of its members, made orally in open Lodge, by a regular vote of the Lodge, granted to Brother Hugh B. Gaston a Withdrawal Card, and at the same meeting decided by vote of the

Lodge to pay to Brother Hugh B. Gaston said sum of \$90.00 in full of his claim for benefits; that within a short time thereafter Brother Hugh B. Gaston left this State and was absent for some months when he discovered that said Lodge had granted him a Withdrawal Card, he believing at that time that no request had ever been made by him for a Withdrawal Card, but that his request to his Lodge on December 7, 1911, made orally, through a member of the Lodge, was for a Visiting Card, instead of a Withdrawal Card; that on the 15th day of May, 1915, this Lodge having become satisfied that the Withdrawal Card was issued to Brother Hugh B. Gaston by mistake, and without his having made application therefor, reinstated Brother Hugh B. Gaston to membership.

On the 15th day of July, A. D. 1915, acting on the advice of Grand Master W. H. Pease, and having become satisfied that the Withdrawal Card was issued to Brother Hugh B. Gaston by mistake, this Lodge passed a resolution annulling the action of December 7, 1911, in granting a Withdrawal Card. On November 4, 1915, this Lodge issued an order for the sum of \$1.50 to the Grand Secretary to pay the capitation tax on Brother Hugh B. Gaston, which had not been paid for three terms, and on November 6, 1915, the Grand Secretary acknowledged receipt of the money to pay this capitation tax.

This Lodge has, since the reinstatement of Brother Hugh B. Gaston, made application for admission to the Old Folks' Home, which application was acted upon adversely by the Board of Trustees of said Home, on the ground that Brother Hugh B. Gaston had not been a member in continuous good standing in the Order for ten years prior to the date of his application.

This Lodge believes that the Withdrawal Card to Brother Hugh B. Gaston was granted and issued by mistake and without request of Brother Gaston. This Lodge believes that Brother Hugh B. Gaston's membership in the Order should be treated as continuous during the period of the life of the Withdrawal Card which was so issued.

Your petitioner, Milmine Lodge, No. 276, I. O. O. F., therefore asks that this Grand Lodge approve the action of this Lodge of July 15, 1915, annulling the action of this Lodge in granting said Withdrawal Card. Your petitioner further asks that this Grand Lodge declare the membership of Brother H. B. Gaston continuous during the time of the life of said Withdrawal Card; and your petitioner will ever pray.

Fraternally submitted,

MILMINE LODGE, NO. 276, I. O. O. F.,

DOCUMENT NO. 43.

Sixth report by Bro. George F. Koester of No. 601.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Finance would respectfully report as follows:

We made our semi-annual visit to the office of our Grand Treasurer, M. P. Berry, at Carthage, Illinois, Saturday, November 6, 1915, for the purpose of auditing his books and accounts. We checked them—verifying his statement of receipts and disbursements—and give herewith a summary of same, showing cash and securities in his possession at this time.

We find that owing to the payments necessary, early in the year, on the completion of the hospital building at the Old Folks' Home, and the Grand Secretary's building at Springfield, that the Grand Treasurer was compelled to advance at certain times of the year amounts ranging from \$10,000 to \$12,000. This was necessary because the appropriation for these improvements, amounting to \$21,000, while made last November, was not available until collected from the per capita tax, which was not payable until April and October. The Grand Treasurer has made these advances without charging the Order any interest on same. In addition to this he is carrying without interest a five thousand dollar (\$5,000) note, the last installment for the completion of the Grand Secretary's building, for all of which our Order is duly grateful and appreciative.

We recommend that all cancelled vouchers paid by the Grand Treasurer be filed with the Grand Secretary for future reference.

DOCUMENT NO. 46.

First report of the Committee on Railroads.

Your Committee on Railroads would respectfully report that we have been unable to make any arrangements for reduced rate fares for this session with any of the steam railroads of the State.

This matter was taken up and energetically pushed with both the Central and Passenger Associations, who stated that rates could not be granted on account of the law recently passed in this State fixing

passenger rates at two cents per mile. That a full fare at the two-cent rate enabled the passenger to travel at the same expense as a rate of one and one-third fares under the old three-cent rate. Your committee, however, is pleased to report that several railroads who carry a large percentage of the Representatives, voted in their respective associations.

Your committee would further report that the Illinois Traction System (McKinley Lines) have granted us a rate of one and one-third fare rate, on the certificate plan. Your committee does not recommend the certificate plan, but was unable to obtain an open rate.

Respectfully submitted,

E. B. KINNE,
EDWIN SLADE,
A. B. CHADWICK,
Railroad Committee.

Whereas, The Representatives so appointed on such committees devote their time to committee work and are unable to attend and hear the proceedings of the sessions of the Grand Lodge and are therefore unable to make a full or satisfactory report to their Lodges upon their return home of what transpired at the Grand Lodge; therefore, be it

Resolved, that the Committee on Legislation be instructed to prepare and submit to this or the next session of the Grand Lodge an amendment to our Grand Lodge Constitution so that the Grand Master may, if he so desires, make up the standing committees from Past Grand Masters, Past Noble Grands or Representatives as he may deem to the best interest of the Order.

DOCUMENT NO. 50.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

The following is offered as an amendment to Article IV of the Grand Lodge Constitution, relating to the election of Grand Lodge officers; and, if adopted, will read as follows:

Section 1. The officers of the Grand Lodge of the State of Illinois shall be: Grand Master, Deputy Grand Master, Grand Warden, Grand Secretary, Grand Treasurer, Grand Chaplain, Grand Marshal, Grand Conductor, Grand Guardian and Grand Herald; and the first five of whom shall be elected in the manner hereinafter described, and the others shall be appointed by the Grand Master.

Sec. 2. If any officer shall neglect or refuse to attend the Grand Lodge, his office may be declared vacant, and the same shall be filled by the officers and members present; provided, that should such absence be caused by sickness or disability, the officer may be excused by a majority of the members present.

Sec. 3. Should such vacancy occur, by resignation or otherwise, in any of the elective offices of the Grand Lodge, not otherwise provided for, the Grand Master, or, in his absence, the Deputy Grand Master, shall appoint a member of the Grand Lodge to fill such vacancy until the next regular session of the Grand Lodge, and he shall be entitled to all the honors and emoluments of the office, as though elected by the Grand Lodge.

Sec. 4. Nominations of candidates for Grand Officers may be made by any Past Grand transmitting the name of any Past Grand eligible for office, to the Grand Master, stating the office for which he is nominated, at any time prior to the first day of May. The Grand Master shall, immediately after the first day of May, transmit to each Past Grand nominated, a notice of his nomination, requesting his acceptance or declination of the same; and, if he accepts, he shall furnish the Grand Master with the notice of his acceptance, and a certificate of good standing in his Subordinate Lodge; failing to do so, the Grand Master shall not place his name on the ticket. On the first day of June the Grand Master shall transmit to the Grand Secretary the names of all Past Grands who have accepted nomina-

tions; and the Grand Secretary shall, before July 1st, transmit to the several Lodges, together with suitable election blanks, the names of all of the nominees who have accepted the nominations, and the location of the respective Lodges in which they hold membership, stating the several offices for which they were nominated; provided, that no Past Grand can accept the nomination or be a candidate for more than one office at the same time.

Sec. 5. At the last regular meeting of each Subordinate Lodge in the month of July, the Past Grands in good standing of such Lodge shall be entitled to vote by ballot for Grand Officers. The tellers shall be furnished by the Secretary with a list of all the Past Grands of the Lodge who are not more than thirteen weeks in arrears for dues, and no Past Grand shall be permitted to vote whose name does not appear in said list; provided, if any Past Grand whose name has been omitted shall pay his dues so as to make him less than thirteen weeks in arrears for dues at the time, he shall be allowed, on presenting a receipt to that effect, to have his name added to said list and to cast his vote. Immediately after the reading of the minutes the Noble Grand shall appoint two tellers from among the members of the Lodge, and thereupon declare the ballot open, and the same shall remain open until the order of business "Good of the Order" shall have been reached, when the ballot shall be declared closed; whereupon the tellers, assisted by the Secretary, and under the supervision of the Noble Grand, shall count the votes in open Lodge and announce the result, and a record thereof shall be entered upon the minutes. The Noble Grand, Secretary and tellers shall, on the same evening, make an abstract in triplicate of the votes cast for each candidate, attach their signature and the seal of the Lodge to same, and immediately transmit a copy of said abstract to the Grand Master, and one copy to the Grand Secretary (and the Grand Secretary shall retain these abstracts unopened until after the last day upon which abstracts may be sent in, or August 1st). The Secretary of the Lodge shall retain the remaining copy thereof in said Lodge, and deliver the same to the Representative of the Grand Lodge, who will deliver it to the Committee on Returns at the next session of that body. The Grand Secretary shall, at the following session of the Grand Lodge, deliver the said abstracts received by him, to the Committee on Returns for comparison with the report of the Grand Master.

Sec. 6. The Grand Master shall, on the second Tuesday in August, call to his assistance three disinterested Past Grands, residents of the city in which the Grand Master resides, and proceed to open and count the votes for Grand Officers. If any of the returns shall be irregular, or want any of the requisites prescribed in Section 5, the Grand Master shall immediately transmit said irregular returns to

the Lodge or Lodges making said irregular returns, and call attention to the irregularities, and request the corrections of the same. After having canvassed all correct returns, and transmitted (if there be any) said irregular returns as above described, said board of canvassers shall adjourn to a future date, not less than fifteen nor more than thirty days, when they shall meet and complete the canvass. The Past Grands having the highest number of votes shall be declared duly elected to the offices for which they were respectively nominated. In the event of a tie vote, the candidate receiving the votes of the largest number of Subordinate Lodges shall be declared elected. In the event of the death, removal or declination of the candidate otherwise to be declared elected, the candidate receiving the next highest number of votes shall be declared elected. Sec. 7. The returns from the several Lodges, together with the tally sheet, properly asserted to by the Grand Master and his assistants, shall be sealed up and returned to the Grand Lodge at the commencement of its next session, for revision and the correction of errors, if any be found therein. Sec. 9. It is further resolved, that no candidate for any of the above offices shall be permitted to send any letters, photographs or

DOCUMENT NO. 51.

Whereas, The financial and general business conditions for the past two years has seriously affected the Subordinate Lodges and their members, and because of such business depression a great number of members have been dropped for non-payment of dues; such loss in both membership and revenue, in addition to all other expenses, has greatly depleted the treasury of a great number of Lodges; and,

Whereas, As a result of such financial condition there is, according to the Grand Secretary's statement, about 136 delinquent Lodges which have been unable to pay their capitation tax; be it, therefore,

Resolved, This Grand Lodge shall devise such means, either by limiting the number of inmates in the Homes for the coming year to those now therein, except as vacancy occurs, or if it be possible to economize in the running expenses, and that the capitation tax for the ensuing year be placed at one dollar (\$1.00).

Regarding the Document No. 29. They heartily approve the contents of the resolution and believe that the installment of the same at the Home would be beneficial to the health and sanitation of the children. We feel, however, that this is a matter strictly within the province of the Board of Trustees of the Home, whose duty it is to look after the health and general welfare of the children, and therefore believe the entire matter should be left in their hands.

DOCUMENT NO. 98.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Brethren: Your Special Committee on Degree Staffs beg to advise that we were present at the armory on Wednesday evening, the 17th inst. and witnessed the exemplification of the Initiatory Degree by Good Samaritan Lodge No. 540, of Chicago, and the First Degree by Golden Harmony Lodge No. 917, of Chicago, all of which was officially supervised by H. M. Blood, Chief of Examiners and Instructors, and under the auspices of Sangamon Lodge No. 6, of Springfield.

The work in both of these degrees was so uniformly good that it would be unfair to direct especial attention to any particular feature, except in a general way. The entrance was snappy and dignified, and the drills were executed with precision and were highly entertaining. The charges and lectures were impressive and well delivered.

One of the special features that added greatly to the impressiveness of the work was the splendid and appropriate singing. We recommend that this Grand Lodge extend a vote of thanks to Good Samaritan Lodge No. 540 and Golden Harmony Lodge No. 917, and to each and every Brother of those Lodges who participated in any way in the work at this session, for their generosity and faithful labors

and, we further recommend that our appreciation be manifested in a material way by presenting them with such testimonials as may seem right and proper to the incoming Grand Master.

It should be remembered that the prime object in having these degrees exemplified at the annual sessions of the Grand Lodge is educational and not simply to entertain. Every member of the Order who was fortunate in witnessing the work at this session will go home with a clearer understanding of the purposes of the Order and an ambition to see better work in his own Lodge.

For four years the development of interpretation of our ritualistic ceremonies has been keenly watched and the fondest hopes of the instruction department are being fully realized. The importance of this branch of the activities of our Order cannot be too strongly emphasized; the foundation was firmly laid and no backward step should be permitted. The grandest work Odd Fellowship ever did, or ever will do, was and will be to work into the hearts and lives of men and women the Divine principles of the Fatherhood of God and Brotherhood of man, teaching them the priceless lessons of Friendship, Love and Truth, and just in whatsoever measure this work is accomplished, so will our Order live and prosper.

Therefore, we heartily recommend the exemplification of the several degrees by a degree staff in all Lodges, no matter how small, even if found necessary to have one Brother take several parts, rather than have the degrees conferred by the regular Lodge officers, who, in many cases, are obliged to resort to reading the charges from the Ritual. The primary object in conferring the degrees upon a candidate is to teach a lesson; therefore, let that lesson be so taught that it will make a lasting impression on the mind of the candidate. This object cannot be attained by reading the charges or delivering them in a careless and haphazard manner. We especially recommend the use of both vocal and instrumental music wherever possible, in conferring the degrees, as it materially aids in relieving the monotony of strictly ritualistic ceremony.

We further recommend that the incoming Chief of Examiners and Instructors continue the work of the past few years and pay special attention to the dramatic interpretation of the degrees, as well as to the correctness of the unwritten work.

DOCUMENT NO. 99.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Since the sunset rays that divide the closing of the day from its brightness and give distinct demarkation between the light and the

shadows are the softest and sweetest rays of all, so are the closing days of life. These good sisters have brought to the Grand Lodge the greetings of the residents of our Old Folks' Home and marked words of appreciation of the efforts of this Grand Lodge for their comforts and have contributed sweet words of praise of the work of its Officers and Committees that were busy for their welfare; be it now

Resolved, That this Grand Lodge send its best wishes for the long life, and health, and peace, and sweet old age of the residents of this Home, and words of deep felt appreciation for the messages of good will and thankfulness they have here expressed to us, and that we are grateful and will continue to do all that the funds which come into our hands for that purpose will permit the Grand Lodge to do for the perpetuity of the future and increased benefits; and, be it further

Resolved, That this Committee of old people carry these greetings back with them to the Home; and, be it lastly

Resolved, That this resolution be spread upon the pages of the permanent Journal reporting the work of this session.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Finance would respectfully report as follows relative to that part of the Grand Master's Report found on pages 36, 37 and 38: That they would recommend that the action of the Grand Master in extending relief to Brother W. I. Ross, Brother Coffey and Brother John S. Hankins and wife be approved.

We would further report that we have given the case of Brother John S. Hankins and wife very serious and careful consideration, and find that it would be necessary to expend about \$75.00 per month for the care and maintenance of this brother and his wife. Owing to the fact that there are possibly a large number of similar cases throughout this jurisdiction, your Committee is of the opinion that it would be establishing a precedent which, in after years, would prove serious to this Grand Lodge if we should appropriate that amount of money in

individual cases. Your Committee, therefore, makes no recommendation and leaves the subject matter for the consideration of this Grand Lodge.

Seventeenth report, by Brother James Ewing Davis, P.G.M., of No. 990.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Finance would respectfully report as follows, regarding that part of the Grand Master's report on page 36, headed "Surety Bonds":

Pursuant to the recommendation of the Grand Master therein contained, we beg to submit herewith the following resolution, covering same:

"Be it Resolved, That the Grand Secretary and Grand Master be empowered and instructed to enter into a contract with a reliable surety company, or with reliable surety companies, authorized to do business in the State of Illinois for a surety bond to cover all financial officers of the Order in this jurisdiction; said bond to run in the name of the Grand Lodge of the Independent Order of Odd Fellows of Illinois in conforming to all constitutional requirements; further, that said surety shall be a legal requirement upon all Subordinate Lodges of Illinois under this resolution passed by the Grand Lodge, as the law of this Grand Lodge and shall be enforced by the Grand Master and Grand Secretary as all other laws of this Grand Lodge are enforced. All bonds in the schedule to be effective from April 1, 1916, as to Subordinate Lodge Officers and to be effective from and after this date as to Grand Lodge Officers, each Subordinate Lodge to fix the amount of the bond required, subject to the approval of the Grand Secretary and the Grand Master, Each Lodge shall bear its pro rata cost of the premium fixed by the

actual liability of the Lodge as made and determined by the Grand Secretary and based upon the full cost of the contract entered into."

We have had submitted to us different forms of bonds by various surety companies and from such examination we believe that a bond covering fraud, dishonesty, forgery, theft, embezzlement, wrongful abstraction or misapplication of funds to be the best protection at a very nominal cost to our Order, the cost of which would be Sixteen and One-half cents (16½c) for each \$100.00, where the liability aggregates \$1,000,000.00.

In the event that the liability did not aggregate \$1,000,000.00, then there would be a flat premium of \$600.00 for the first \$300,000.00 of liability and for each additional \$1,000.00 a rate of \$1.50 per thousand.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on State of the Order would respectfully report as follows:

We have carefully read and considered the contents of Documents Nos. 27 and 28, as appear's in Tuesday's Journal, in reference to the display of the United States flag in our Lodge rooms in Illinois and in reference to a similar matter being referred with instructions to our Grand Representatives to the Sovereign Grand Lodge, and would respectfully submit that we endorse and desire to encourage the display of the American flag in all our Lodge rooms in the jurisdiction of Illinois and in Odd Fellows' parades on all proper occasions.

We also desire to aid in every possible and practical way in the teaching of patriotism and the subordination of the individual to our civil laws and loyalty to the government under which we live.

But we do not believe these sentiments can be advanced by the enactment of compulsory laws in reference thereto. We recommend that neither of the above resolutions be adopted by this Grand Lodge.

SIGNED BY THE COMMITTEE.

On motion, the report was not concurred in and the resolution was adopted.

Thirtieth report, by Brother John E. Jennings, of No. 158.
To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on State of the Order would respectfully report as follows:

That we have carefully examined Document No. 41, introduced by Bro. W. E. Swain, of No. 288, as appears in Tuesday's Journal, and respectfully submit that we have patiently listened to the statements made by the parties interested and, after hearing such statements and the arguments of the Brothers, we found that there has been nothing presented to this Committee that tends in any way to support the allegations made in the preamble of said Document against Harmonia Lodge No. 221. Nothing appeared before our Committee, but the vaguest kind of hearsay and rumor as a foundation for the charge in the preamble of the resolution.

The matter of unlawfully displaying the banner and emblems of the Lodge is fully covered by present legislation and we recommend that the matter involved in this resolution be referred to the incoming Grand Master.

Thirty-first report, by Brother Andrew G. Anderson, of No. 812.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on State of the Order would respectfully report as follows:

We have carefully examined that part of the Grand Master's Report entitled, "Eastland Boat Disaster," and the communications appearing and following, and commend the Grand Master for his prompt attention to this calamity, that especially distressed so many families of our Order, and are pleased to compliment the Grand Master and the Special Committee appointed by him for their thorough investigation and prompt action in the relief of the distressed. It is another demonstration of the workings of the Order.

The heroic part taken by Brother J. H. Ripstra and Brother Fred Fellows in aiding in the rescue of imprisoned persons from the hold of the Eastland deserves and should have special mention. Their presence of mind, their prompt action and heroic efforts, entitle them to a

vote of commendation of this Grand Lodge, and we humbly suggest that such a vote be tendered to them and a copy of the report of this Committee sent to them. SIGNED BY THE COMMITTEE.

Third report by Judiciary and Appeals Committee.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Judiciary and Appeals would respectfully report to the Grand Lodge as follows with reference to the appeal of David Wiener from the decision of the Grand Master. We find from the record before us and from the statement made to us by the Grand Master that there were charges pending in Kewley Lodge against Brother David Wiener; that an application was made by Brother Wiener for a change of venue, which was granted, on account of the alleged prejudice existing in Kewley Lodge against the accused; that subsequently the Grand Master reinstated the case in Kewley Lodge and directed Kewley Lodge to proceed to a hearing for final judgment.

Your Committee is of the opinion that the Grand Master, having ordered a change of venue in the case, that Kewley Lodge lost all jurisdiction to try the case and that it was not within the power of the Grand Master to direct Kewley Lodge to redocket the case and proceed to a final hearing. We further find that such remedy as the Grand Master may have had to facilitate the disposition of the charges then pending against Brother Wiener was to cause the case to be docketed in some other Lodge and to cause the Lodge, to which the change of venue was taken, to proceed to a final judgment.

We would therefore respectfully recommend that the action of the Grand Master be not concurred in and that the case be remanded to the incoming Grand Master with directions to proceed to have the charges docketed for hearing in some Subordinate Lodge, other than Kewley Lodge.

He shall notify all members who are at any time in arrears for eleven months' dues, delivering the notice in person, if practicable; but if not, then mailing it to the member's last known address; and at the expiration of the next succeeding month, if said member's account is not settled in whole or in part, sufficient to reduce his arrears to less than one full year's dues, he shall present the name of such member to the Lodge, prior to the last meeting in March, June, September and December, respectively, he shall notify all members who are in arrears for one quarter's dues. He shall, at the close of each term, make to the Lodge a detailed report of the business of his office, and have his books written up for the Finance Committee, whom he shall meet prior to the first meeting in the next succeeding term, to exhibit his books and papers, and to aid them in the examination thereof; and at the first regular meeting of the new term he shall present his report to the Lodge, with a statement of the balance of account of each unsuspended member. He shall make out the annual report to the Grand Lodge, as required by Article XI, and shall deliver it to the Recording Secretary for record and for forwarding to the Grand Lodge. He shall give bond, as is provided for the Treasurer in the following section.

Twentieth report, by Brother O. H. Richards.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Legislation, begs leave to report,

That they have carefully considered Document No. 31, providing for the preparation and distribution of a simplified Code of Laws of our Order.

It is impossible for this Committee to determine upon a definite report. We believe that the Grand Lodge should first determine whether a revision, such as is described in Document No. 3, or any revision, should be made. After determining this point, if determined in the

JUDICIARY AND APPEALS COMMITTEE

PROCEEDINGS OF FOURTH SESSION

November 16, 1915

CASE NO. 458.

| | | |
|--------------------------------------|---|---|
| Eddyville Lodge No. 615, I. O. O. F. | } | Before Committee on Judiciary and Appeals, November, 1915, Session. |
| vs. | | |
| R. L. Frieze. | | |

Opinion by Brother Chester M. Turner, of No. 199.

On May 8, 1915, complaint was filed in Eddyville Lodge No. 615 against Brother R. L. Frieze of that Lodge. The Noble Grand appointed a committee to investigate the complaint, and on May 22, 1915, this committee reported as follows:

"Your committee appointed to investigate the complaint against Brother R. L. Frieze report ground for charges and hereby prefer charges against Brother R. L. Frieze as follows:

1. For speaking of the Lodge in a disreputable manner. both to outsiders and members.
2. For talking to outsiders about Lodge business.
3. For violating his obligation by refusing to abide by the decision of the Lodge, but affirming he will go into court.
4. For calling members of the Lodge sons-of-bitches.
5. For making threats against certain members of the Lodge."

Which report was signed by the committee.

A copy of the charges was furnished Brother R. L. Frieze and on June 5, 1915, a commissioner was appointed to take depositions, and the commissioner was duly obligated by the Noble Grand. On June 12, 1915, the commissioner reported that he had finished taking the depositions, and thereupon the Noble Grand appointed a night whereon the evidence should be read and objections by the defendant, or his attorney, passed upon. The trial was set for June 19, 1915. The testimony was all read to the members of the Lodge present, including Brother R. L. Frieze, the defendant, and the record shows that he

offered no defense whatever. After the reading the Noble Grand ordered the vote taken as to whether the Lodge would or would not sustain the charge. Thirty-six members voted, and the record shows that they were all entitled to vote. The vote was taken in the absence of Brother Frieze, who retired to the anteroom during this part of the proceedings. The vote resulted in twenty-two voting to sustain the charges, and fourteen voting not to sustain the charges, and inasmuch as a two-thirds vote was required to sustain the charges, the Noble Grand announced that the charges had not been sustained. From this decision eight members of Eddyville Lodge perfected an appeal to this committee, stating their grounds of appeal to be:

1. "Each specification should have been voted on separately.
2. We believe the evidence in two specifications to sustain charges."

In the first place the charges are general and not specific; there are no specifications, in fact there is nothing definite upon which to base an opinion. There are no dates and no specific acts set forth. In none of the charges is there a statement as to any specific act amounting to a violation of the law of the Order, so had the Lodge voted to sustain the charges we do not see how that decision could have stood if proper appeal were taken from it. With the charges as they now are no conviction could be had.

It is true as stated in the appeal that each specification should be voted upon separately, but in this case there are no specifications, so that even if we should remand this case and direct that the Lodge vote upon the specifications separately there are no definite specifications upon which they could vote.

The evidence is not strong, but we do not care to discuss that, as we believe the charges insufficient to sustain a conviction had one been voted.

Your committee therefore holds that this appeal be dismissed and the action of Eddyville Lodge No. 615 be sustained.

CASE NO. 461.

| | | |
|-------------------------------------|---|-------------------------------|
| Edgewood Lodge No. 959, I. O. O. F. | } | Before Committee on Judiciary |
| vs. | | and Appeals, November, 1915. |
| Frank V. Wilson. | | Session. |

Opinion by Owen Scott, of No. 186.

This case grows out of a vote on the application of Ernest Cole for the degrees. The charges were that on January 9, 1911, while acting as Vice Grand of Edgewood Lodge, Brother Wilson declared a favorable ballot when he knew there were at least three black balls in the box. At the time, and as a consequence, the candidate, Ernest Cole, was elected to membership in this Lodge.

Complaint was made to Grand Master James Ewing Davis, under date of January 15, 1911; that Grand Master wrote to Brother G. F. Schoenberg, Lodge Deputy, ordering him to "investigate all the facts in connection with the case and report the same to me immediately. I also direct that you stay all the proceedings in connection with this candidate until you hear from me."

The report was made accordingly. On February 1, 1911, Grand Master Davis issued authority to Brother Harry Cormick, of Centralia, Illinois, to go to Edgewood and settle the difficulty if possible. Brother Cormick made a preliminary visit and on March 6, a second. At this meeting Brother Cormick strongly advised against a Lodge trial, because it would do harm to Odd Fellowship. A motion to appoint a commissioner to take evidence was voted down by twelve to fifteen. Brother Cormick reported to the Grand Master the action taken, expressing the hope that this ended "this disagreeable case." On March 14, 1911, the Grand Master directed the Lodge to proceed with the conferring of the degrees. Thereupon this candidate was initiated and given the degrees following.

On March 21, 1911, Brother C. N. Doty wrote to Grand Master Davis expressing dissatisfaction with the action of the Lodge. He said that five affidavits were filed with the Deputy, each affiant declaring that he had cast a black ball against Ernest Cole. He further said that unless something was done the Lodge would surrender its charter.

The next step, so far as the record shows, was a letter, December 31, 1914, from the Deputy to Grand Master Pease, stating that charges had been preferred against Brother Frank V. Wilson, the accused in this case. Formal complaint was made December 26, 1914, and a committee was appointed. On January 2, 1915, formal charges were presented, subsequent steps in regular order were taken. Change of venue was asked for, and Grand Master Pease granted the request and sent the case to Farina Lodge No. 634, Farina, Illinois, for trial.

On June 30, 1915, the case was tried by Farina Lodge, and the accused was found not guilty.

From this action five members of Edgewood Lodge took appeal, submitting eight reasons therefor. The evidence is quite voluminous. Much of it is irrelevant, pertaining to matters not in issue. The simple question to be decided is whether or not Frank V. Wilson, while acting as Vice Grand of Edgewood Lodge made a false report as to the ballot in the case of Ernest Cole.

There is set up as a defense that Brother Wilson is put in jeopardy twice for the same offense. It is claimed that the investigation made by Grand Master Davis was the first trial; that lapse of time should have a consideration in this case. These positions can be fully decided if the case is again presented to the committee.

The record in this case is rather meager, but it is sufficient to enable the committee to get at the only issue involved.

The point was also urged that the brothers who voted negative ballots had no right to disclose how they voted. Under the law they could not be compelled to divulge the character of their vote or give reasons therefor. To deny them the right to tell how they voted would be to close the door upon any effort to detect a false announcement of the ballot. To vote a black ball and to have it counted is one of the most sacred rights of Odd Fellowship. To destroy this opens the way for the admission of the most unworthy against the solemn protest of the members of the Lodge.

In the trial in Farina Lodge much material evidence was excluded, in fact all testimony bearing upon the really vital issue of falsely declaring the ballot was ruled out. Farina Lodge, with the evidence before it, could not have decided in any other way. With the statement of four members declaring that they voted black balls before the Lodge, the decision might have been different.

In view of the foregoing, the committee hold that on account of the evidence being ruled out, which seems very important in this case, the case should be remanded for a new trial.

It is also ordered that in the new trial all evidence pertaining to the casting of black balls by members of Edgewood Lodge be read for consideration by the trial Lodge.

As the appeal comes from Edgewood Lodge, the case is thereto remanded, to be transmitted by it to Farina Lodge, which by order of the Grand Master, changing the venue, has jurisdiction for trial.

CASE NO. 464.

|---------------------------------------|---|-------------------------------|
| Westervelt Lodge No. 923, I. O. O. F. | } | Before Committee on Judiciary |
| vs. | | and Appeals, November, 1915. |
| B. F. Bowman. | | Session. |

Opinion by Brother W. E. P. Anderson, of No. 107.

This is an appeal by the defendant from a penalty of expulsion imposed upon him by a vote of his Lodge and from the transcript it appears that after the formality of charges preferred, the appointment of an investigating committee, on May 1, 1915, a report was made by the committee in which they say: "That the said B. F. Bowman may be and probably is guilty of conduct unbecoming an Odd Fellow, and prefer the following charges:

"Charge 1. We charge that Brother B. F. Bowman, of this Lodge, with contempt and conduct unbecoming an Odd Fellow.

"Specification 1. That Brother B. F. Bowman did on the evening of April 3, 1915, in Westervelt Lodge room, between the hours of 7:00 and 10:30 o'clock, while this Lodge was in session, refuse to obey the mandates of the Noble Grand by refusing to cease talking and take his seat when called to order by the Noble Grand, and ordered by him to take his seat, and defied the Noble Grand, saying, 'That is the second time that you have ordered me to sit down. I know more Odd Fellow law than you ever will know, and you can't throw "the bull shit" into me.'

"Charge 2. We charge Brother B. F. Bowman, of this Lodge, with conduct unbecoming an Odd Fellow in the use of unbecoming language and applying epithets to a brother Odd Fellow.

"Specification 1. That on the evening of April 3, 1915, in Westervelt Lodge room, between the hours of 7:00 and 11:00 o'clock, Brother B. F. Bowman did use the following language, addressing Brother Otto Sands in the hearing of other Odd Fellows: 'You are a liar. You know you lied.'

"Charge 3. We charge Brother B. F. Bowman with insubordination and contempt.

"Specification 1. That on the evening of April 3, 1915, in Westervelt Lodge room, between the hours of 7:00 and 11:00 o'clock Brother B. F. Bowman did interfere with the business of the meeting of Westervelt Lodge No. 923, in that he refused to turn over his book as treasurer to the Finance Committee as ordered by the Noble Grand and

Deputy of the Lodge, when ordered so to do, saying that 'he never would turn his books over to the Finance Committee as it then stood composed,' and charging that 'one man on the committee has been illegally appointed, and I refer to Brother Hawk. Besides that I have personal reasons against Hawk and will never turn my book over to him.' The Noble Grand then called Brother Bowman to order and stated that personal matters could not be brought up in the Lodge room and ordered Brother Bowman to be seated, when the latter replied, 'That is the second time you have ordered me to sit down. I know more Odd Fellow law than you ever will know and you can't throw the 'bull shit' into me.'"

A commissioner to take and report the testimony in the case having been appointed and obligated by the Noble Grand, made his report to the Lodge, which at a meeting of same (the date of the meeting does not appear in the transcript) when Brother Bowman was present, caused the testimony of the witnesses to be read, and after the arguments of counsel, the Noble Grand announced the rules governing trials, there being twenty-four members present, entitled to vote, and after the reading of the charges and specifications in their order, a ballot on each was cast and resulted as follows:

On specification 1, charge 1, nineteen white and five black balls.
On charge 1, twenty-one white and three black balls.

On specification 1, charge 2, twenty white and four black balls.
On charge 2, twenty white and four black balls.

On specification 1, charge 3, twenty white and four black balls.
On charge 3, twenty-one white and three black balls.

The accused having been declared guilty by the Noble Grand at the announcement of each ballot, the Noble Grand then stated the order in which the penalty should be voted on, namely, expulsion, suspension or reprimand.

The ballot being taken on expulsion, resulted as follows: Seventeen white and seven black balls, whereupon Brother B. F. Bowman was declared expelled by the Noble Grand. He gave notice of appeal and assigned six reasons which, briefly stated, are:

That the Lodge heard improper testimony on account of the Noble Grand overruling objections made by the defendant.

That the evidence offered does not sufficiently support the charges filed.

That the charges are not sustained by the testimony.

That the nature of the charges, even if fully and completely proven, are not sufficient to warrant a verdict of expulsion.

That the penalty inflicted is greater than the charges warrant.

That the Lodge erred in voting expulsion under the charges filed.

Both the Lodge and Brother Bowman were each represented by counsel at the taking of the testimony, which comprises 47 pages typewritten, wherein ten witnesses were examined on the part of the Lodge and eight on the part of the defendant, including himself.

It appears from the testimony that Brother Bowman was the outgoing treasurer of the Lodge and that the incoming officers were to be installed on the evening when the offenses charged were committed, and also that Brother Bowman had some personal grievance against Brother Hawk, one of the Finance Committee, claiming that the committee had been irregularly appointed, and that he objected to his books being examined by the Finance Committee, as then composed; it also appears that Brother Hawk was removed by the incoming Noble Grand and another brother appointed in his place, and that Brother Bowman did surrender his books, which upon examination were found to be correct.

That facts upon which the above charges are based, as disclosed by the witnesses, on behalf of the Lodge, are that during the session on the evening of April 3, 1915, Brother Bowman asked the Noble Grand for recognition and said he wanted to place an objection and wanted to object to the Auditing Committee. The Noble Grand ruled him down and also asked the Deputy for a ruling, who sustained the Noble Grand; that later on Brother Bowman tried to get in an objection and the Noble Grand asked him what it was, when Brother Bowman told the Noble Grand that he knew more Odd Fellow law than he, the Noble Grand, ever knew, also stating to the Noble Grand, "You have fed me on B. S., but you cannot feed me on 'bull shit' any more"; that Brother Bowman objected to the Deputy installing the officers, stating that the books were not audited and said to the Deputy who was then in the chair for the purpose of installing the officers, "Can't I pound anything into your noodle"? That Brother Bowman, after being recognized by the Noble Grand, said he had to protest to Brother Hawk acting as one of the Finance Committee; the Noble Grand replying that the committee was legally appointed and that he would not allow personal matters to be brought up in the Lodge and rapped the gavel for Brother Bowman to be seated, but instead of taking his seat, he said to the Noble Grand, "This is the second time you have tried to throw the B. S. into me. This committee was not legally appointed and the books have not been audited. I protest against Brother Hawk getting hold of my book. I have it in my possession and I dare you to try to get it."

The occurrences above recited all took place while the Lodge was in session and the unrefined language above quoted, as used by Brother Bowman, is supported by the testimony of six of the witnesses examined on the part of the Lodge.

It also appears from the testimony that after the Lodge closed on the same evening, in the anteroom thereof, and in the hearing of some of the members, in a discussion between Brother Otto Sands, the Lodge Deputy, and Brother Bowman, Brother Sands said to Brother Bowman, "Ben, let's quit this foolishness and get together." and that Brother Bowman replied, "You fellows have been trying to hand me the B. S., but whenever you go to throwing B. S. into me I will put you up 60 or a half a dozen." Whereupon Brother Sands replied, "Ben, you can't say for a moment that I tried to throw anything into anyone." To which Brother Bowman replied, "You are a liar, and I don't want to talk about it. Go shut your mouth."

The above is substantially a review of the testimony in support of the charges.

To controvert the testimony on the part of the Lodge the witnesses for the defense were interrogated chiefly as to whether Bowman used the unrefined word mentioned in the charges and testified to by the witnesses for the Lodge, either in an abbreviated form or in full. Two of the witnesses, including the defendant, state that he did not, although the defendant admits in his testimony that he did say to the Noble Grand, "This is the second time you have tried to throw the B. S. into me and I will see that you do not do it any more." The testimony of the other six witnesses is to the effect that they did not hear any such language used by Brother Bowman, some of whom were otherwise engaged and not paying very close attention to what was said, two or three of them, however, stated that if the same had been used they could have heard it. Brother Bowman also denies that he said he knew more Odd Fellow law than the Noble Grand, or that he had any personal feelings against Brother Hawk.

After due and careful consideration of all of the testimony reported by the commissioner, we hold that charges 1 and 2, together with the specifications in each are sustained, but we cannot reconcile our minds to the effect that charge 3 and the specification therein are sustained, in that the testimony does not show insubordination on the part of Brother Bowman to the extent that he interfered with the business of the Lodge or that he refused to turn over his books as Treasurer to the Finance Committee (he did protest to Brother Hawk acting on the committee) or that he was ordered, either by the Noble Grand or Deputy to turn over his books or that he said "he never would turn over his book to the Finance Committee as it then was composed," or that he charged that "one man on the committee (referring to Brother Hawk) had been illegally appointed," or that he said "besides that I have personal reasons against him, Hawk, and never will turn over my book to him." nor does the testimony or specification cover the charge of contempt on the part of Brother Bowman as defined in our code.

We will therefore confine our conclusions to charges 1 and 2 and the specifications thereto.

In reply to the reasons assigned by Brother Bowman for reversal of the verdict of the Lodge, we will say that in our judgment, the rulings of the Noble Grand in sustaining and overruling objections appear to be fair and impartial to each party; that the evidence does sufficiently support the charges 1 and 2 and the specifications thereto; that they are sufficient to warrant a verdict of expulsion and that the penalty is not greater than the charges or the law warrants.

"The use of abusive language in the Lodge room concerning brothers and refusing to desist, when called to order by the Noble Grand, is an offense which may warrant expulsion."

Merrills' Code 1906, Section 1471.

"Profane language, vile epithets, coupled with a demonstrative manner, applied to a brother in the Lodge room is an offense which warrants expulsion of the offender."

Merrills' Code 1906, Section 1475.

While the penalty is a severe one, yet the stability, success and value of our great Order depends upon the decorum and courtesy and respect to its officers on the part of the members while the Lodge is in session, being enforced.

It is therefore ordered that the action of the Lodge in finding Brother Bowman guilty on charge 3 and the specification thereof, be and the same is hereby set aside and the appeal therefrom be and the same is sustained.

It is further ordered that the action of Westervelt Lodge No. 923, I. O. O. F., in finding Brother B. F. Bowman guilty under charges 1 and 2 and the specifications thereto, and inflicting upon him the penalty of expulsion, be and the same is hereby affirmed and sustained, and that the appeal from same be and the same is hereby dismissed.

Committee on Judiciary and Appeals.

CASE NO. 465.

| | |
|------------------------------------|---|
| Ashmore Lodge No. 792, I. O. O. F. | } Before Committee on Judiciary and Appeals, November, 1915, Session. |
| vs. | |
| P. O. Carrico. | |

Opinion by Brother W. E. P. Anderson, of No. 107.

This is an appeal on the part of the defendant from the action of his Lodge in expelling him.

The record is quite voluminous and much of it mere surplusage and not germane to the issue, but when boiled down to a concise statement, it appears that on September 22, 1914, a complaint was filed with the Noble Grand, charging the defendant with making improper advances and asking improper and obscene questions of Flossie Gilbert, a little girl who was eleven years old at the time of the offense.

A committee was appointed by the Noble Grand to investigate the charge, which reported on September 29, 1914, as follows:

"We charge Brother P. O. Carrico, of this Lodge, with insulting and making improper advances and asking improper and obscene questions of Flossie Gilbert, who was eleven years old at the time of the offense."

A commissioner to take and report the testimony was duly appointed and obligated. On August 17, 1915, at a meeting of the Lodge the testimony was read and arguments were made by counsel for both the Lodge and the defendant, the defendant representing himself. There being thirty-seven members present who heard the testimony read and the arguments, the defendant then leaving the room, a ballot was ordered and resulted in twenty-eight votes to sustain the charge, to nine against, whereupon the Noble Grand declared the charge sustained. A ballot was then ordered and taken as to the penalty which resulted in twenty-seven votes for expulsion and ten against. Thereupon the defendant was declared expelled.

The defendant gave notice of appeal in due time, assigning his reasons therefor. About forty-three pages of typewritten testimony, pro and con, were taken in the case. Most of it, however, being immaterial, irrelevant and not pertinent to the issue involved, although the Lodge and defendant were each represented by counsel. And right here we will digress from the main subject to suggest that much expense to the Lodges and litigants and also the unnecessary incumbrance of the records, would be avoided if the testimony is confined to the charge in issue by counsel conducting the examination of the witnesses; these remarks are prompted from the fact that the record before us discloses that on May 15, 1914, another charge was made against this defendant in that "he made indecent proposals to a woman (naming her); that he embraced her and acted in an ungentlemanly way." But the proceedings of the Lodge relative to same reached a period at which the defendant was expelled for contempt, from which he appealed to this committee and which at its February session, 1915, in an opinion written by Brother Henry A. Stone, and concurred in by the other members of the committee, who were present, the action of the Lodge was set aside and the appeal sustained and the case remanded for trial, according to the laws and rules of the Order. The record further shows that on June 23, 1914, at a

meeting of the Lodge, after the case had been remanded and received by the Lodge, by a majority vote this charge was dismissed and no appeal taken therefrom by the Lodge. So that under Section 1587, Merrills' Code 1906, all of the proceedings as to that charge came to an end and the defendant was put in the same position as before the charge was brought. Whereupon, a new charge, the one in issue, was filed. Notwithstanding the action of the Lodge, several pages of the testimony were taken in the trial of this case in order to prove or disprove the dismissed charge upon which the defendant was not on trial.

As to the charge upon which the defendant is now being tried, we are confronted with the proposition that it contains no specification stating the time, place and in what manner the offense charged was committed; from the testimony relative thereto we conclude that its omission was purposely made by the committee in view of the fact that the specification would necessarily embody language too coarse and unchaste to put in print.

The charge, however, in our judgment, was sufficient "to fully inform the defendant of the particular transaction concerning which he was to be tried." If so, is not the intent of the law of the Order thereby subserved? While the defendant objected to the charge as too indefinite in failing to set any date or place, he did not object to it on the ground that it contained no specification, an error, if one, which he waived and as the record shows his presence at the taking of the testimony, and his participating with his counsel in examining some of the witnesses and also the fact that the time, place and circumstances surrounding were disclosed by the testimony of one witness, we do not deem that the rights of the defendant have been prejudiced by this informality.

The charges are sought to be sustained on the testimony of one Flossie Gilbert, who was past fourteen years of age at the time she testified, and who was past eleven years of age at the time of the offense charged was committed, and also that of her brother, Loren Gilbert, twenty years of age.

The testimony of the girl in substance is that in the month of April, 1913, her parents and their children, including herself, were residing on a farm of the defendant about four and a half miles from Ashmore; that on the day the offense charged was said to have been committed, no one was at the home, except her and her sister, seventeen years of age; that the defendant was at the farm engaged in burning brush piles, some distance from the house in a hollow; and he asked her to bring him some matches; that upon her doing so and while there where the defendant was working, her statements of the occurrence as to the questions he asked her, what he requested her to

do and what he did and the language used by him are so repulsive that we refrain from quoting what she said. We deem it but fair to the defendant, however, to here state that in our opinion the character of the offense as disclosed by the testimony of this girl is not of such enormity upon which the defendant could be indicted and convicted criminally, but it is of such character, if sustained, as to convince the most technical mind that it is gross misconduct and unbecoming an Odd Fellow. The brother, Loren Gilbert, testifies that the defendant told him to go home and tell the folks not to let the girl come over here and tell what she knows.

The testimony on the part of the defendant is substantially as follows: The defendant testifies that he is a practicing physician of about twenty-four years' experience; that he has been a member of this Lodge about eighteen years, and denies that he said the things or that he committed the acts testified to by Flossie Gilbert or that he made the statements testified to by her brother, and that he had a conversation with Robert Gilbert, the father of Flossie, in October, 1914, at Charleston in the presence of the mother and Flossie and one William Beaubout, in which he asked the father if he ever acted immoral in the presence of the family, to which the father answered "No," and that Mrs. Gilbert and Flossie said the answer of the father was true. William Beaubout testified only to the extent that Robert Gilbert stated that the defendant had never insulted him or any member of his family.

A statement in writing, dated June 17, 1915, appears among the papers, purporting to be signed by Flossie Gilbert and her mother, which says: "that this day and date I swear that Dr. P. O. Carrico never insulted me in any way and always treated me good and all of us. He evn brought us 'close' and his wife made them and Dr. Allen 'tryed' to make me say things about him that 'ain't so.' I write and sign this myself."

A typewritten statement also appears among the papers dated October 5, 1914, signed by ten persons which in substance certifies "that they have been intimately acquainted and near neighbors of Dr. P. O. Carrico for a term of years ranging from eight to twenty years, to our knowledge he has always been truthful, honest and upright."

Another typewritten statement dated August 27, 1915, signed by thirty-four persons, which we do not consider relevant, appears among the papers, but only mention it to show that it had not escaped our observation. Eight other witnesses were examined on the part of the defendant, but the testimony of nearly all of them was relative to the charge which was dismissed. The testimony relevant to the charge in issue tends to show that the relations of the Gilbert family to the

defendant have been friendly since the charge was made and also that there had been trouble between the defendant and the Lodge, or some of its members, on several occasions; and also that there has existed on the part of probably four members of the Lodge a conspiracy against the defendant.

From a careful examination and consideration of all of the evidence in this case we are frank enough to say that the arriving at a proper conclusion has given us no little concern. We fully realize that this defendant has been convicted of a grave offense on testimony that would cause the average mind at first blush to hesitate before adopting it as true. We appreciate the serious position in which he is placed at the evening time of his life, and yet the testimony of this girl, as related by her, three years after the occurrence, is of such a character that an imagination or a "frame-up" by a most fertile brain and ingenious mind could not supply and put into her mouth; and also in view of the fact that twenty-eight members of his Lodge, a considerable number over two-thirds of the members present, who know the defendant and all of the witnesses, and who are acquainted with all the facts and circumstances surrounding the case, have voted the defendant guilty of the charge preferred and fixed his penalty at expulsion. We therefore are not disposed to decide that they erred and set aside the action of the Lodge.

In cases of doubt, where the evidence is conflicting, much weight should be given to the findings of a Subordinate Lodge which is familiar with the witnesses. Merrills' Code 1906, Section 440.

It is therefore ordered that the action of Ashmore Lodge No. 792 in expelling P. O. Carrico be and is hereby affirmed and sustained and that the appeal of the defendant therefrom be and the same is hereby dismissed.

Our Distinguished Dead

Memorials of Robert T. Daniels, Grand Sire; George W. Young, P. G. Conductor, and Charles W. Keiser, Chairman Board of Directors of the Orphans' Home.

The Special Committee on Necrology, consisting of Brother James Ewing Davis, P.G.M., No. 990, Brother John W. Yantis, P.G.M., No. 117, and Brother Fred B. Merrills, P.G.M., No. 650, to prepare memorials relative to the life and service of our late Grand Sire, Robert T. Daniel; Past Grand Conductor, George W. Young and Charles W. Keiser, Chairman of the Board of Directors of the Orphans' Home, submitted the following, which was unanimously adopted by a rising vote:

To the Grand Lodge of the Independent Order of Odd Fellows of Illinois:

Your Special Committee appointed by our Grand Master, submit the following report:

The committee submits a memorial relative to our late Grand Sire, which was prepared by his life time associate and friend, Past Grand Sire John B. Goodwin, and present Grand Secretary of the Sovereign Grand Lodge.

GRAND SIRE DANIEL.

Robert Towns Daniel, 44th Grand Sire, was born at Griffin, Georgia. October 21, 1859, a son of Dr. Milton J. Daniel and Mrs. Sherod Virginia Towns Daniel, who were among the best people of the state. He was educated at Emory College and in addition specially educated for the law, which was destined to be his life work, and admitted to the bar in 1879; soon thereafter he was elected judge of the city court of Griffin and served in this position for three terms and established a judicial record which led him to higher honors. He became active in public affairs and in 1894 he was a delegate to the National Democratic convention and one of the vice presidents.

He was first married to Miss Rosa Beck, also of Griffin, and she died in 1896 without issue. In 1909 he was married to Mrs. Anna Wooley Parsons, who survives him.

In 1910 he was elected superior court circuit judge and presided over the highest courts of a number of counties. He served from his first election until his death and was in the midst of a great work.

He was a life long member of the Methodist church and devoted to its various interests and especially in Sunday school work, being a teacher up to his death and lecturer to a large bible class of more than a hundred members with an average attendance of more than seventy-five.

With his other manifold duties he was a trustee of the State University, under appointment of the Governor, and identified in business affairs as well. He was vice president of a cotton mill and of a savings bank, and interested in agriculture.

While his life embraced many lines of activity and service, he was probably more distinguished as a fraternalist than anyone. He was a member of the Masonic fraternity and of the Improved Order of Red Men and became Great Inchohonee, the chief executive and highest presiding officer of the Great Council of the United States in 1896. With his work in this important body the entire membership were familiar and no one was more deservedly popular. In Odd Fellowship he rendered long and illustrious service. He was initiated in his home Lodge, Warren, No. 20, in April, 1880, and entered the Grand Lodge of Georgia in August, 1884. He was elected Grand Representative to the Sovereign Grand Lodge in 1892 and entered that body at Portland, Oregon, in September of that year. He was re-elected and served continuously as Grand Representative for twenty years, and until he was elected and installed as Deputy Grand Sire at the Winnipeg session of 1912. After serving two years as Deputy Grand Sire he was elected and installed as Grand Sire at the Atlantic City session in September, 1914. During his service in this great position he was active and made a distinguished career. Throughout his long service in the Sovereign Grand Lodge he was one of the most eloquent and entertaining speakers and delivered many notable addresses which are fresh in the memory of many, and when he became Deputy and then Grand Sire his services on great occasions were much in demand for addresses and he made many official visitations and thousands admired and remembered his rare eloquence.

In the body he had long rendered service on the most important committees of the Sovereign Grand Lodge and the pages of the Journal will show much of his record and labor in the cause of our Order.

His was a beautiful and useful life. He loved his family and his fellow man and was loved by them. As Odd Fellow, citizen, jurist and fraternalist, no one could have been more popular. Deeply loved by the people of his own and other states and in the provinces of British North America and throughout the world of Odd Fellowship,

his sudden and tragic death was appalling and produced universal grief wherever he or his name was known. Death came to him after only eight months of a two-year term as Grand Sire. While two other Grand Sires died during their respective terms, none died under similar circumstances or surroundings. He had just returned home from a visit to the Grand Lodges and Order in Connecticut and Pennsylvania, and from the office in Baltimore on his homeward trip. Arriving at home on Sunday, he started the next day to attend the Grand Bodies of his native state at Fitzgerald. After an address to the vast membership of the Grand Lodge, which was characterized by all as full of power, earnestness and eloquence, and just after its close, he was stricken with apoplexy, from which he never recovered, and died about five hours later at the hotel to which he had been carried. This death of our great and beloved Chief cast a gloom over all present and practically ended the annual session. He died in a blaze of glory and in the midst of his work and under circumstances to impress more sublimely the great message which he had delivered to the assembled membership. His life work in the Order was sealed and consecrated in his dying hour and he left a priceless heritage to the membership everywhere.

Death came to him May 27, 1915, in the fifty-sixth year of his age. His funeral, which occurred on the following Sunday, was one of the most largely attended in the history of his state and every honor was shown by the people generally—Odd Fellows, Improved Order of Red Men and other fraternal orders to which he belonged.

His death is a great and immeasurable loss to his family, his state, Odd Fellowship, other fraternal orders and the church.

His character and life work shall be a rich heritage and inspiration to the present and future generations. In this loss and heritage none have a greater share than the members of the Independent Order of Odd Fellows. May they and his family bravely bear the great trial and sorrow that has come to them.

GEORGE W. YOUNG.

George W. Young was born in Williamson county, Illinois, Dec. 1, 1844, and died at his home in Marion September 23, 1915. At an early age he was left without parents. He was bound to George W. Binkley, a pioneer of Williamson county, who then lived near the present town of Whiteash. Mr. Binkley died when the boy was fourteen years of age. After the death of Mr. Binkley our brother became a cabin boy on a Mississippi river steamboat and later on a farm laborer in Kentucky, and was there engaged when the war of the rebellion broke out. He espoused the side of the north, but by reason of his age was not mustered into the service until July, 1862, when he was

enrolled as a private in Company "L" of the 8th Kentucky Cavalry. He served in this regiment until September, 1863, when he was detailed to western Kentucky on recruiting duty, where he recruited a company in Graves, Ballard and Carlisle counties. As a reward for this service he was commissioned a first lieutenant and assigned to command in Company "E," 30th Kentucky Mounted Infantry. At the battle of Saltville, Virginia, October 6, 1864, his captain was severely wounded and rendered unable for duty. This placed Lieutenant Young in command of the company and he remained in command until the close of the war in June, 1865, when he was mustered out as a captain.

At the close of the war Brother Young returned to Williamson county and set about acquiring an education by attending a district school at Spillertown. Two years later he enrolled as a student in the law department of the University of Chicago, from which he received his professional degree in 1870. He returned to Marion and opened up a law office and continued in the practice of law until his last illness. During this period of time he served in many capacities as a public official. First as a justice of the peace, then as county judge, as State's attorney and circuit judge. He was married on September 24, 1871, to Miss Martha A. Spiller, daughter of Elijah N. Spiller. Four children were born as issue of this marriage. His widow and two daughters survive—Mrs. Ora Trevor and Miss Eva Young, and also three grandchildren—Miss Maree Young Trevor, Miss Eva Louise Trevor and George W. Rochester.

Brother Young became an Odd Fellow by initiation, in Williamson Lodge No. 392, in July 1869, and continued as a member of this Lodge up to his death. He received the Encampment degree in Golden Rule Encampment No. 63, at Carbondale, March 10, 1871. Later he became a charter member of Benevolent Encampment No. 171, at Marion, Illinois, which was instituted in January, 1876. The earlier Grand Lodge Journals do not give the names of brothers who from time to time received the Grand Lodge degrees. Upon investigation, however, your committee have found that Brother Young was the Representative of his Lodge in 1874 and 1875. He was Grand Conductor in 1881 and again at the session of 1886. In 1884 he was made an official instructor and in 1885 was a member of a special committee on schools of instruction. He served in a number of important stations in the Grand Lodge until 1906, when he was made a member of the Committee on Legislation. He continued a member of this last named committee until his death. Brother Young also served on various committees in the Grand Encampment.

Brother Young was a member of the Grand Lodge for forty years. During the last twenty-five years of his membership he was one of the most conspicuous members on the floor. He insisted upon the Grand

Lodge practicing rigid economy and on many occasions delivered eloquent and stirring appeals in support of the policies he endorsed. However, his best work in the Grand Lodge was in the Committee on Legislation. The last matters in which he was especially interested was the building of an auditorium in Springfield sufficiently commodious for a meeting place for the Grand Lodge, and an office building for the Grand Lodge officers and records. He also was endeavoring to formulate legislation to facilitate the hearing and decision of appeal cases on the floor of the Grand Lodge. He submitted a preliminary draft of a constitutional amendment for this purpose at the session of 1914. He expressly stated that this draft did not fully meet his ideas, but that he intended to perfect and rewrite it during the interim between the sessions of 1914 and 1915.

Brother Young was a forceful debater, but he never indulged in personalities or biting sarcasm. Personally he was of a cheerful, optimistic disposition. He did not hesitate to criticize and attack what he regarded was wrong, but he was philosophic enough to separate the act from the individual and no one who formed his acquaintance could ever feel that his conduct or his opinions were governed by malice or envy. He was a good citizen, a kind husband, an indulgent father, a noble Odd Fellow and a true friend.

CHARLES WILSON KEISER.

Brother Charles Wilson Keiser was born in Ohio, on July 31, 1859, and passed away at his home in Chicago on Wednesday, May 12, 1915.

He was married to May C. Slosson. One daughter was born to them, Jessie May, who passed away at the age of 12 years. His wife survives him, being a Past President of the Rebekah Assembly.

He was a Past Grand of Cook County Lodge No. 240, a member of Cook County Encampment No. 215, and Cook County Rebekah Lodge No. 90. At the time of his death he was the Grand Junior Warden of the Grand Encampment of Illinois. This is the first time in the entire history of the Grand Encampment that an elective Grand officer has passed away during his term of office. Brother Keiser had been a member of the Grand Lodge for many years and had served on numerous committees.

He was appointed a Director on the Orphans' Home Board in 1911 and for three years had been President of that body, giving a great deal of his time and attention to the Home, and being much loved by all the children. He specialized on the Orphans' Home and was always ready to talk about it and tell interesting incidents that he had witnessed.

Personally he was always good natured; always pleasant and cheerful and always ready to do his part to help any one or to render any service. His passing leaves a void that will be difficult to fill. He was always generous with his time and means for the welfare of Odd Fellowship and sacrificed his own personal business for the good of the Order.

His funeral was held at Odd Fellows' Temple at 6316 Yale Avenue, Chicago, on Sunday afternoon, May 16, 1915. It was very largely attended, all standing room being filled, and many people were unable to get into the large auditorium. The funeral services were under the auspices of Cook County Lodge No. 240. The officers of the Grand Encampment were present in a body, as well as many Past Grand Patriarchs and many members of the Grand Lodge, as well as several Past Grand Masters.

Addresses upon the life and work of Brother Keiser were delivered by the Grand Master, the Grand Patriarch, the President of the Rebekah Assembly and the Superintendent of the Odd Fellows' Orphans' Home. The services were most impressive and the different speakers spoke of their esteem for the departed brother and their sympathy for the sorrowing widow.

In the various branches of Odd Fellowship, no one will be more missed than Brother Keiser.

§Until 1845 inclusive, proxy representation in the Grand Lodge of the United States was permitted. In 1839 Past Grand Master Samuel Pryor, of Pennsylvania, was elected proxy Representative by the Grand Lodge of Illinois, but did not serve. At the adjourned session in April, 1840, Past Grand Master Augustus Mathiot, of Maryland, presented credentials as proxy Representative of Illinois, which were accepted, and he was also recognized in that capacity at the annual session in October following; but there is no record of his election or appointment. In 1842 and 1843, James Earnest, of New York, was elected and served as proxy Representative of Illinois. In 1844 Past Grand Master William S. Stewart, of Missouri, D.D.G.S., was requested to appoint a proxy Representative for the Grand Lodge of Illinois; but no such proxy was present at the session of that year, unless Stewart himself acted in that capacity. In 1845 no election for Representative was held.
